A BRIEF BIOGRAPHY OF OUR GRAND MASTER

William R. Pellow was born in 1930 at Chapleau, Ontario, where he received his early education. He attended Albert College in Belleville and received a B.A. degree from Queen's University. He completed his studies at the University of Toronto Faculty of Dentistry in 1964.

He practises dentistry in London, Ontario and is President of Pellark Inc., a land and property development company.

Dr. Pellow taught at both the University of Toronto and the University of Western Ontario Dental Faculties. He is a member of local, provincial and federal dental societies and has held offices in many dental bodies.

Our Grand Master was initiated, passed and raised in Lorne Lodge No. 622, Chapleau. He rose to the office of Junior Deacon, resigning his position to attend University. In 1966 he affiliated with Ionic Lodge No. 716, London, and became Worshipful Master in 1972. In 1976 he was elected District Deputy Grand Master of London East District. He was appointed to the Board of General Purposes in 1980 and was subsequently elected 1982-84. During this period he served with distinction on many committees, and was Chairman of the Committee on Masonic Education. In 1985 he was elected Deputy Grand Master.

Bro. Pellow is a member of several concordant and appendant orders in both York and Scottish Rite. He is a member of Mocha Shrine, London, and was President of the Alumni Unit.

At the Conference of Grand Masters of Masons in North America in 1987, our Grand Master was elected to the Committee of the Commission on Information for Recognition.

In 1955 he married Leitha Robinson and the Pellows have two daughters, Kimberly Anne and Arden Linda, and a son, William Robin Jackson. The Pellow home has become the centre for annual lodge social events.

Many public and private endeavours have benefited from our brother's enormous energy and dedication.

M.W. Bro. Pellow's affiliation is with the United Church. Curling, cottaging in Chapleau, and tennis are among his pastimes.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge
A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

Twilight time for many is the most nostalgic period of the day. What better time to place pen to paper and recount the dreams, ideologies, recommendations and results of the activities in Masonry during this last year.

Welcome to Toronto, as we celebrate our 133rd Annual Communication of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario. This is a time to open our hearts to all Masons and reciprocate warm fraternal greetings to our distinguished guests.

Why are we here?

We are here to pay tribute, to tender our regrets, to express thanks, to listen, learn and be educated, to be entertained, to reveal efforts of our labours, to recommend and instigate our programmes, we are here to motivate and foster enthusiasm.

We are here to perpetuate Masonry.

For many of us, Masonry began in very humble environments. For many we harbour memories and nostalgia for exemplary Masons. In the quietude and solitude of my inner mind, I salute those Masons who have made this day possible.

This past year has been a rewarding experience for many Masons. It is with grateful humility that I have shared in this exhilarating experience with them and to have the privilege of seeing, hearing and feeling Masonry come to life in all corners of this vast jurisdiction.

PAST GRAND MASTERS

We are not islands unto ourselves. We rely on and welcome the advice of our Past Grand Masters. They carry years of experience and sage wisdom. Successive Grand Masters in this jurisdiction have depended on their counsel to steer us on a straight and narrow course, and to help preserve our traditions and our landmarks.

I respect and thank each of them.

NECROLOGY

Somewhere between birth and death man makes his mark in life.

Several pillars of Masonry have been whisked away to the everlasting sunset this past year.

WALLACE M. SECORD

A few short days after our Grand Lodge Communication, on July 22, 1987, R.W. Bro. Wallace M. Secord died. An outstanding, loyal and devoted Mason, a true friend, active in community and business circles, as well as both the York and Scottish Rites of Masonry. He was a Past Master of both Maple Leaf Lodge No. 103, St. Catharines and Niagara Lodge No. 2, Niagara-on-the-Lake, was D.D.G.M. of Niagara District A, 1970-71 and had been a member of the Board of General Purposes since 1983, serving on the Long Range Planning, Lodge Buildings, Masonic Holdings and Deceased Brethren Committees. He leaves his wife Lois, son Charles, two daughters Judith (Mrs. Roger Reid) and Sharon.

MRS. MARGARET WRIGHT

We were saddened to hear that Mrs. Margaret Wright, the beloved wife of the "Dean" of our Past Grand Masters, M.W. Bro. William L. Wright, was called to her final rest on March 3, 1988. We cherish her pleasant charm in our hearts and remember her placid and congenial personality. We share a common loss.

NEW IDEAS

A few housekeeping rules, many guidelines and recommendations have surfaced this year in this jurisdiction. I recount a few in the field of reorganization and administration.

Redistribution

Our Grand Lodge has grown considerably in the past fifty years without an overall restructuring of our district boundaries. A "White" paper was presented by this Grand Master recommending an expansion of the number of districts from 43 to 52. The Grand Lodge Long Range Planning Committee are accumulating revisions, suggestions and recommendations from all districts and are compiling the accumulated material received into a comprehensive report which will be distributed before April 1989. A vote for adoption will be presented at our 134th Annual Communication in July 1989.

Committees of the Board

With graceful consent all Past Grand Masters retired from their positions as Chairmen of several Standing and Special Committees of Grand Lodge, with the exception of the Special Committee on Awards (The William Mercer Wilson Medal). The composition of this particular committee was established by Grand Lodge on July 10, 1945. The twelve Standing Committees were restructured, revitalized and rehabilitated. The Committee on the Condition of Masonry was expanded from a committee of one in 1984 to fifteen members in 1987. This committee was presented with a sixty point agenda to commence their year in August 1987.

Two new Special Committees were formed: (a) Computerization, (b) Recognition. The productive and successful accomplishments of their united efforts, and yours, will be revealed to you today and tomorrow as their respective reports are presented.

Computerization

This Grand Lodge recognizes the many advantages of computerizing our records, especially our membership statistics, accounting and historical data. Word Processing alone will contribute savings of several thousands of dollars annually in our printing expenses. We are extremely fortunate to recognize and welcome R. W. Bro. Kenneth Whiting to the Grand Lodge staff. Bro. Whiting is a specialist and expert in this field of modern technology.

Input to a tested system of computer hardware and software should become a reality during this coming year.

June Installations and April Fiscal Year Ends

Masonry in Ontario is organized like an octopus, with many waving arms. Ofttimes one arm does not know what the other arm is doing or one arm is isolated and motionless while the others are waving and working. In an attempt to reorganize, stabilize and synchronize our total administration, we recommend a parallel of lodge installation dates to coincide with the election and investiture of the Grand Lodge personnel. Most lodges in Ontario are in darkness during July and August. June was the month in closest proximity for a logical melding of all systems. Communication and leadership are the most important facets under consideration to ensure our perpetuity. We MUST unite under a common front and then tell our story - once to all, then repeat and repeat until we are paddling our canoe in the same direction. With the implementation of computerization in the near future, I envision a closer integration of the

total financial and economic structure of both Grand Lodge and the constituent lodges. April fiscal year ends for all makes economic and logical sense.

COMMUNICATION

The Grand Lodge Newsletter

This little book continues to grow with new subscriptions and new contributions of articles and informative short stories. The editor, R.W. Bro. Robert Barnett has launched a campaign to create an awareness of interest with quality and quantity.

A Guideline on Discussing Membership in Masonry

This pamphlet was prepared by the Public Information and Communications Committee of Grand Lodge. This is our answer to the perplexing problem of the question of proper and improper solicitation.

Lodge Summons

September 8, 1987, a twenty page report was completed by this Grand Master and addressed to all 652 Worshipful Masters and their Lodge Secretaries, in an attempt to improve the quality of the Lodge Summons. Suggestions, recommendations and basic observations revealed the strengths and weaknesses of all lodges. Statistics are being recorded on progressive improvements.

The Grand Master's Eyeopener

This monthly publication contains the results of all Grand Lodge Committee deliberations and recommendations. Several interesting and exciting ideas are gleaned from the constituent lodge summonses and lodge newsletters. It is a vehicle to promote enthusiasm, motivation and participation among the membership and inform the membership of the Grand Lodge programmes and activities in the districts and the lodges. It includes highlights from visitations to other jurisdictions and conferences attended, also the agenda and addresses given at District Grand Master's Receptions. It is a publication with a two-way flow. The May issue alone contained twenty-six pages. The Eyeopener is mailed to the 43 D.D.G.M.s, all Past Grand Masters and all elected and appointed members of the Board of General Purposes. The intention is to have copies duplicated and posted in all lodge rooms for all Masons to read. Each month one lodge is recognized for its outstanding summons, and a copy of this particular summons is mailed together with the Eyeopener as an example for others to emulate.

The Grand Lodge Bulletin

This Grand Lodge publication is produced for every Mason in the jurisdiction only twice each year. We are indebted to the editorship of R.W. Bro. R. Wilson McConnell. This year we expanded the March issue to twice the original format. For the first time we included photographs. A pictorial documentary of the Grand Lodge Memorial Building was included in the March 1988 issue. We shall continue with this format and we trust you enjoy the "new look." Consideration of an expansion to four issues per year is currently under discussion.

Setting the Record Straight

Four basic but pertinent questions are answered in this expertly prepared news release on Freemasonry. Several lodges have placed this repro in local newspapers to inform the public and increase the awareness of Masonry in the community and enhance our public image. Many queries from interested readers have reached the office of the Grand Secretary.

STANDARDIZED LOGO

Masonry has no registered trademark. The Square and Compasses circumventing the letter "G" has been published in many styles, forms and colours. We have now standardized our logo and recommend its adoption. Camera ready art (graphics) has been distributed to every lodge in this jurisdiction. It is now recognized as our standardized logo. Display it with pride.

FLAGS

It is recommended that each lodge display, on standards, at least two flags in the lodge room.

- (a) The Canadian Flag
- (b) The Ontario Ensign

If the lodge is located within 100 km of the United States border and/or reciprocal visits with a United States lodge are a regular occurrence, then the flag of the United States of America should also be displayed.

It is further recommended that at least one flag pole be erected on the grounds of each lodge. If one flag is present it should be the Canadian Flag.

BULLETIN BOARDS

Separate and distinct general guidelines, regulations and recommendations for the purchase, erection and use of lodge Bulletin Boards have been distributed to all lodges. The Worshipful Master should delegate a member to supervise placement and to keep all postings current.

GRAND MASTER'S BANQUET

July 20, 1988 - M.W. Bro. Robert C. Singer will deliver the keynote address. An extremely talented and gifted P.G.M. of the Grand Lodge of New York. One of the outstanding Masons of this century. We are extremely fortunate to welcome, once again, Bro. Singer to our Grand Lodge.

LODGE COMMITTEES

To date, the selection of lodge committees has been left to the discretion and autonomy of the respective lodges. Three especial committees are recommended to be added to the existing slate of lodge committees.

- (a) Mentors Programme Committee
- (b) Reception Committee
- (c) Lodge Building Committee

DISTRICT COMMITTEES

It is recommended each District appoint a Long Range Planning Committee, directly responsible to the Grand Lodge Long Range Planning Committee. There are several Long Range Proposals on the Tracing Board and this committee would facilitate a more rapid means of communication.

MEMBERSHIP RETENTION

There are only two variables that we have control over to increase the quality and quantity of our membership. They are:

- (a) The initiation of new candidates
- (b) The reduction of the number of demits and suspensions

Several effervescent programmes are on stream to accomplish our goals. We are succeeding in reversing our statistical trend. The constant membership decline we have been experiencing for over twenty-five years

is finally levelling out. Our Membership Programme includes the following:

Mentors Programme

This concept was introduced to our jurisdiction during the tenure of M.W. Bro. A. Lou Copeland in 1986 and is now administered by the Grand Lodge Committee on the Condition of Masonry. It is composed of a standardized set of prepared papers, geared to instruct the potential candidate, inform and follow through with him during the three degrees and reinforce his education and confidence for one year after he has completed his Master Mason's Degree. Testimonials have proven its success. This programme will become mandatory and will be continued. This programme was revised in 1987.

Publishing Complete Dues Structure - Membership Retention

Guidelines have been distributed to all lodges outlining a sequence of steps to reduce nonpayment of dues, demits and suspensions by:

- (i) Informing the membership (a reminder and update) at least twice yearly of the complete dues structure via the lodge summons.
- (ii) Invoicing Dues.
- (iii) Personal contact - personal interviews by specifically chosen, well trained committee members.
- (iv) Finally when all avenues have been exhausted and upon request, the Grand Master will forward a personal letter.

OPEN HOUSES

April and May were declared membership months in 1988. Open Houses and the concept to make the community aware of the presence of Masonry will be repeated in 1989. Special financial allowances are available for each lodge to assist in prepared media "advertisement" on Freemasonry.

Several independent ideas have been implemented to improve our Public Relations and Public Image.

LODGE SIGNAGE

Primarily an ambitious programme to create interest in the community that Freemasonry is present, alert and alive. Secondly to augment a strong feeling of pride and esprit de corps among the membership. When a new sign is to be erected now, only the Grand Lodge approved standard sign should be considered. Existing signage

already in place is not affected. Grand Lodge subsidizes each lodge in the purchase of a new approved sign with a grant of \$200.00. It is our aim that all 380 lodge buildings will see the need to standardize and purchase a new sign for their lodge. We MUST exhibit increased community pride and awareness.

COMMUNITY ENTRANCE SIGNS

In 1988-89 twelve test sites will receive community entrance signs revealing the presence of Masonry. Grand Lodge has made generous allowances to defray some of the cost by the lodges so chosen to participate in this programme. The reassessment of the value and rewards from this programme will determine its expansion on a jurisdictional basis.

CODICILS, BEQUESTS

These are delicate but very approachable subjects that must be addressed to ensure Masonry maintains a financial stability in the future. Members are being alerted to remember the countless happy hours of enjoyment they received from Freemasonry while on this earth and they are reminded to provide a token of appreciation to Masonry in their estate planning.

Regalia and Jewels are expensive and the cost of replacement spirals each year. Codicils in wills shall ensure their return to the respective lodge from whence they came and permit refurbishing, recycling and reuse.

INSURANCE

The recommendation to provide a paid-up life insurance policy making some department of Freemasonry the beneficiary was casually introduced in 1988. Future plans will include a more comprehensive study, which will also include the possibility of a single insurance carrier for the 652 lodges in this jurisdiction and Grand Lodge.

HONORARY AND LIFE MEMBERSHIPS WITHOUT PROPER FUNDING

Several lodges have completed the task of updating, rewriting and publishing new lodge bylaws this year. Many changes include the total dues structure of the lodge. Memberships not properly funded or actuarially planned have proven to create serious financial difficulties in lodge financial planning. To attest and object to this serious situation

which imposes an excessive burden on annual dues paying members now, and definitely for Masons later to join the lodge, this Grand Master has refused to accept Honorary or Life Memberships into lodges UNLESS properly funded. Consultation with the Finance Committee of Grand Lodge is recommended before presenting finalized lodge dues bylaws for ratification.

NEW GRAND LODGE PUBLICATIONS

A COMPENDIUM to assist all Masons in lodge leadership, for the planning of lodge functions, preparing yearly agendas, to aid in the organization and administration and to provide a rapid cross index reference, will be published and be on sale by July 1989. The Deputy Grand Master and his skillful committee of writers have proven their creative ability and journalistic skills.

THE GRAND LODGE MEMORIAL SERVICE is being rewritten to include cremation services. An introductory preamble will prove beneficial to the Worshipful Master, to assist in providing a dignified, well organized and memorable service for all Masons and the family of the deceased.

"0" BOOKLET for the petitioner is being updated, rewritten and will be published this year for distribution.

THE CHARITY PAMPHLET will be reproduced and updated once the current information has been received and compiled from all D.D.G.M.s.

CHARITY

Today the Masonic Foundation of Ontario, with the co-operation of Grand Lodge, will "kick off" the million dollar funding campaign to combat the scourge of Alcohol and Drug Abuse Among Youth in our society. Our project is primarily established to aid in the education of our youth. The programme funding will commence July, 1988, and will be successfully completed by July, 1989. It is recommended that a concerted and unified effort by all lodges and the entire membership be maintained to ensure our goal.

Twenty-three Grand Lodges in the United States have combined their talents to eradicate this drug and chemical blight on our society. Our united efforts will assuredly have great impact.

It is recognized there are several district and constituent lodge projects administered to fund specific charitable organizations. Grand Lodge commends all who have dedicated their time, talent and money to these projects.

Kahlil Gibran said:

"It is wise to give when asked
But it is better to give unasked,
through understanding"

TEMPLES, HALLS AND LODGES

When out for a Masonic evening, "I am going to lodge." Every monthly summons should refer to the lodge name and number, and include the address of the lodge without any descriptive adjectives.

HONOURS

This Grand Lodge recognizes our distinguished M.W. Bro. N. R. Richards, P.G.M., Custodian of the Work, who recently was the recipient of the "Ontario Ministry of Agriculture and Food Medal" on the occasion of the One Hundredth Anniversary of the establishment of the Ministry in this Province.

HONORARY MEMBERSHIP ON THE BOARD OF GENERAL PURPOSES

Pursuant to Section 13(e) of the Constitution of Grand Lodge, I am pleased to recommend the reappointment of R.W. Bro. T. R. Davies to Honorary Membership on the Board of General Purposes.

ACKNOWLEDGEMENTS

This year the portfolio of all D.D.G.M.s and the members of the Grand Lodge Board of General Purposes has increased dramatically. Their workload has consumed almost every "free" hour of their days. We are extremely grateful for their several progressive contributions and for the obvious successful productivity resulting from their labors.

We have freely tapped the talent and expertise of many knowledgeable, dedicated and loyal Masons. They have given unstintingly of their wisdom and counsel. We thank each of them.

The Grand Secretary and his congenial staff deserve especial accolades and commendations. They have condescended to alter many of their weekends, schedules and evenings to accommodate the wishes of others to assist in the ceremonials of this Grand Lodge at district and constituent lodges.

A very special thank you to the talented lodge organists and pipers who put music, zest, happiness and spirit into our Masonic meetings. May they continue to play what they know and what we love to hear for many more years.

To the Worshipful Masters and Officers of all 652 lodges, your positions are of such magnitudinous importance, I cannot dwell on the several details presented to me. We appreciate your singular and united endeavours.

It was with a sense of profound loss that I received and reluctantly accepted the resignation of M.W. Bro. James N. Allan (P.G.M.) as Grand Treasurer. Bro. Allan's service to this Grand Lodge over many, many years and especially during this past decade as Grand Treasurer, speaks for itself.

How pleased I was to act upon M.W. Bro. Allan's suggestion and appoint M. W. Bro. A. Lou Copeland to complete his term to July 1988.

On March 31, 1988, R.W. Bro. John W. Millar, Chairman of the Grand Lodge Committee on Audit and Finance tendered his resignation. The Grand Master and this Grand Lodge laud justifiable commendations on Bro. Millar for his devoted, loyal and high performance past services. R.W. Bro. T. R. Davies accepted to assume the Chairmanship for 1988-89 and complete the term remaining in this year.

With rueful acceptance, Grand Lodge received the resignation of R.W. Bro. William Finlay, Chairman of the Grand Lodge Committee on Long Range Planning. Bro. Finlay is an astute, active and extremely capable Mason. We shall miss his input and creative thinking on our Grand Lodge Board of General Purposes. R.W. Bro. Neil Britton (Belleville) was appointed Acting Chairman to complete Bro. Finlay's term.

R.W. Bro Earl Jones (Leamington) has withdrawn his name as a candidate for election to the Board of General Purposes. We applaud his "Official Visit" publication and also his hours of good advice, friendship and camaraderie. We trust he will be able to formulate future plans and reconsider other terms serving this Grand Lodge. We wish him well.

In January 1988 R.W. Bro. James Cameron Guy retired from the Grand Lodge staff as Supervisor of Benevolence. We thank Bro. Guy for his devoted service and several contributions. He shall always be remembered for his good humour, cheerfulness, friendliness and his numerous contributions in the administration of our Grand Lodge, over the past twenty-five years.

R.W. Bro. James David Broomhead, Grand Historian, was afflicted with a stroke and is currently taking therapy in Thunder Bay where he is slowly recuperating. Bro. Broomhead is a pillar of strength in Masonry, especially in Northern Ontario. He is a staunch promoter of the Craft which directly influenced the Masonic life of this Grand Master. We wish him a speedy recovery to good health.

DEDICATION

On April 30, 1988, Hammond Lodge No. 327 (Wardsville) was dedicated by this Grand Master, ably assisted by M.W. Bro. R. E. Davies, P.G.M., Grand Secretary, and supporting staff from Grand Lodge, several Grand Lodge Officers, including M.W. Bro. B. B. Foster and other brethren from the Chatham District. The facilities of this Masonic complex are fantastic. The lodge Building Committee and those uncounted Masons who worked so hard to complete this beautiful edifice for Masonry must be justly proud of their accomplishments. The sod turning took place August 29, 1987. The success of this project was due in part to a large bequest from the estate of the late Bro. Arthur Harold. Another testimonial to the value of a bequest to Masonry. This proves that when Masons are supplied with finances - they have the time and talent - then no chore is too large or too difficult.

CORNERSTONES

A revitalization of this impressive Masonic ritual of laying cornerstones has created public interest in many sectors. Two of the most recent occasions were:

May 14, 1988 - Brockville

May 27, 1988 - Barrie

Both ceremonies were well attended, interest was high and the enthusiasm unparalleled.

LODGE BUILDINGS

There are two new Lodge Buildings currently under construction (Oil Springs and Gore Bay) and plans for several new lodges are being laid out on the drafting boards. There has been a remarkable improvement in both the external as well as the internal beauty of several existing lodges. The improvement in our community image has accelerated proportionately. Young men, potential candidates, must now be impressed with the lodge enhancement programmes as they pass by our lodges and view our updated buildings in the community. In-depth studies of multi-tenant lodges are being conducted to proffer guidelines and recommendations in the best interests of our public image and public relations in the community.

RECOGNITION OF 100 YEARS OF ACTIVE SERVICE

Strong Lodge No. 423, Sundridge - as of August 12, 1989
Stanley Lodge No. 426, Toronto - as of September 6, 1990

THE WILLIAM MERCER WILSON MEDAL

The recipients of this award merit special attention in this Grand Lodge. This award is presented to a Master Mason who has not been, nor will he likely ever be a Worshipful Master of a lodge. Outstanding devotion, loyalty and continuous contribution to the Craft and the community are a few of the parameters to warrant consideration when selecting a recipient. This year I am pleased to announce, with personal commendations and congratulations from this Grand Lodge, the following recipients:

Bro. Joseph C. Sims - St John's No. 209a
Bro. Richard Lee Coulter - Mimosa No. 576
Bro. Alexander A. Hay - St. Andrew's No. 661
Bro. Nicholas Samuel Mahara - Fidelity No. 231
Bro. T. Fred Kingsmill - Centennial No. 684
Bro. William H. Linge - Delta No. 634

It is with regret that I learned of the passing of:

Bro. Charles Wellington Kenneth Booth of University Lodge No. 496, who was awarded the William Mercer Wilson Medal on January 18, 1974, and passed away on May 30, 1988.

Bro. Richard Lee Coulter of Mimosa Lodge No. 576, who was awarded the William Mercer Wilson Medal on September 8, 1987, and passed away on April 9, 1988.

THE GRAND MASTER'S MERITORIOUS AWARD

Until this year we had no mode of recognition of meritorious service for Masons from the ranks of Master Mason to Past Grand Master in this jurisdiction, save an appointment of Grand Lodge Rank. This year a very prestigious insignia has been designed, which will be awarded with great discrimination, selectivity and very judiciously to an outstanding Mason who may or may not be a member Mason of this Grand Jurisdiction. He must have proven to be exceptional in devotion, loyalty, zeal and assiduity in both Masonic and community circles.

From the submissions received I proudly announce the names of two outstanding Masons to be the first recipients of this award.

R.W. Bro. Archibald (Archie) Campbell, Ionic Lodge No. 229
Brampton, Toronto District 1.

R.W. Bro. Edsel C. Steen, Pnyx Lodge No. 312, Wallaceburg,
Chatham District.

I acknowledge the countless hours of time, talent and energy expended by the Grand Lodge Committee on Recognition in securing this award and documenting the information for presentations.

THE DR. WILLIAM R. PELLOW BURSARY

With a deep sense of humility and pride, on May 21, 1988, I received notice of the establishment of a Masonic Bursary to be offered to the students of Chapleau High School. Lorne Lodge No. 622 brethren announced the bursary on the occasion of the Reception and Banquet (Algoma East District) honouring this Grand Master, which was held in Chapleau, Ontario, hometown of the Grand Master and his Mother Lodge.

SPECIAL PRESENTATIONS TO DISTINGUISHED GUESTS

This year the official representatives to other Grand Lodges will present their respective Grand Masters or delegate a six foot by three foot silk flag.

United States delegates shall receive the Canadian Flag
Canadian delegates shall receive the Ontario Ensign Flag

DISQUIET HARMONY

On rare occasions there surfaces in this jurisdiction, isolated pockets of disharmony, which drastically upsets the atmosphere of congeniality and happiness of a lodge. Petty grievances are swelled to disproportionate misunderstandings, cliques, bickering and the black ball scenario rears its ugly head. This Grand Master will not tolerate such unmasonic conduct and drastic, but assured recourse to re-establish peace and good will shall be introduced. Be advised accordingly.

AUSTRALIA

Plans are being formulated for a group to accompany the Grand Master to attend The United Grand Lodge of Victoria, on the occasion of the Centenary Celebration, Grand Installation and International Masonic Conference, Melbourne, Victoria, Australia, March 12 - March 19, 1989. Details will be announced in the Grand Master's Eyeopener and the Grand Lodge November issue of The Bulletin.

SUMMATION

So many have contributed so much. Thank You.

I have been criticized of being enthusiastic, of creating excessive communication material, too many new ideas, too many programmes and of demanding too much. I confess quietly to all of the above. I also refuse to tolerate apathy and indifference, to condone indifference to progressive change and to sit still if we are to prosper, be successful, be happy and survive (in Masonry) in perpetuity.

Creative thinking is essential. We must set fires under the front burners and serve exciting menus to hungry Masons. We must breathe new life into worn and tired out bodies. We must have strategic well laid plans on our tracing boards, to interest young men in Freemasonry. We must declare ourselves and show others the majesty and beauty of our wonderful fraternity.

To stand idle, is to witness our demise. We must advance daily, we must instigate, plan, participate and promulgate. We must possess dynamic enthusiasm, instill motivation and infect others with our energy and vitality, if Masonry is to progress.

**WE MAY NOT HAVE IT ALL TOGETHER,
BUT TOGETHER WE HAVE IT ALL.**

Sincerely and fraternally.

WILLIAM R. PELLOW

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. H. O. Polk, seconded by M.W. Bro. A. Lou Copeland, and carried: That a committee composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. Earl Rawson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Rawson, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with reverence, humility and brotherly love that we, the Committee on Deceased Brethren, present this report.

To those of us who have walked a few steps with R. W. Bro. Wallace M. Secord, who passed to the Grand Lodge Above, we realize now how much our lives have been enriched and in so many ways how he fulfilled his duty as a man, a husband and a father. I am sure, Brethren, that your lives too have been deeply touched by those Brethren who have been close to you and have provided a specialness in our Masonic Fraternity.

In the quietness of the next few moments let us remember those who have passed to the Grand Lodge Above, for the manner in which they have touched our lives and to whom we owe a debt of gratitude.

The effort and the sincerity of the officers and members of Lodges in the planning and conducting of Memorial Services are to be commended. Our sensitivity and attention to the particular needs of members of the family at this time and our continuing concern are, I am sure, most appreciated and, indeed, demonstrates a genuine appreciation of our Brethren.

On behalf of every Brother in this Grand Jurisdiction, special thanks are due to this year's Grand Chaplain, R.W. Bro. Cerwyn Davies. His devotion to the Craft is an inspiration to us all.

What'er my God ordains is right
Here will I take my stand
Though sorrow, need or death make earth
To me a desert land
My Father's care is round me there
He holds me, that I shall not fall
And so to him I leave it all.

S. Rodigast

We will observe a moment's silence.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources arising from cash transactions of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1988 and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion the financial statements present fairly the summary of resources arising from cash transactions of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1988 and its receipts and disbursements for the year then ended in accordance with the accounting principles stated in note 1, applied on a basis consistent with that of the preceding year.

Hamilton, Ontario,

May 19, 1988.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Auditor's Report was adopted.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is always a pleasure to serve our Grand Lodge and now for the first time as your Grand Treasurer I submit the Annual Report, together with a brief update. It includes the financial statements for the year ending April 30, 1988.

Firstly, I must extend recognition and pay respect to the Immediate Past Grand Treasurer, M.W. Bro. James N. Allan, who retired recently, in his eleventh year in that office. During his term of office, our resources increased from \$1,942,156 to \$2,816,409. As the former Treasurer of the Province of Ontario for many years, he brought to the office of Grand Treasurer experience, wisdom and expertise. His quiet smile, his great sense of humour and his ability to simplify complex problems earned the respect and gratitude of all his brethren. We are eternally grateful to you, M.W. Bro. Allan, for your years of dedicated service to the Craft.

Our investment portfolio is divided into three main categories — the General Fund, the Commutation Fund and the Memorial Fund. As a result of the action taken by a former Grand Treasurer, the late M.W. Bro. M. Cleeve Hooper, some years ago, our Commutation Fund now exceeds \$300,000 from a zero base. Bro. Hooper segregated the payments into a capital reserve fund to earn interest in sound investments. He simultaneously made substantial annual payments to the Grand Lodge General Fund from current receipts.

In 1980, the Commutation Fund stood at \$170,120, which generated investment income of \$14,844. This year the capital had increased to \$322,112, with receipts totalling \$59,787 (\$31,612 investment income plus \$28,175 from commutation of fees), less \$35,612 transferred into our General Fund in lieu of the per capita assessment which would normally have accrued to Grand Lodge from those brethren whose dues were commuted.

The Memorial Fund has, again, shown a moderate increase from \$840,008 last year, to \$922,225 in 1988. Because of the wise investment policy in the past, the Memorial Fund has grown continuously. I am pleased to report that as a result of the interest generated, the Benevolent Fund is now self sufficient.

Donations and bequests to the Memorial Fund this past year totalled \$64,649. The income generated from these Capital Funds will be availa-

ble for benevolent purposes in perpetuity. Grand Lodge is grateful for these contributions. We recommend and heartily endorse this type of consideration by our brethren during their lifetime, or when planning the distribution of the assets of their estate. This type of giving is a very positive way of expressing your gratitude to our beloved Fraternity.

In this my initial report as Grand Treasurer, I wish I could report that we are "in the black" in our General Fund, but this is not the case. Although our overall position of the three funds is favourable, our General Fund has shown a loss of \$24,575 this year, compared to a gain of \$55,721 in 1987. This, coupled, with a proposed budget deficit for the coming year, will undoubtedly leave the Chairman of the Audit and Finance Committee no alternative but to recommend a per capita assessment increment in the coming year. Enlarged programming and inflationary pressures make this per capita increase inevitable.

Our investment policy is a commitment to superior long term performance, which will produce better than average fixed income, while minimizing risk. Equity selection is based upon the successful philosophy of my predecessor, M.W. Bro. Allan. We intend to follow this established prudent policy. As a matter of interest, it should be noted that the average return on investment (at cost) is 10.2%.

On assuming the duties of Grand Treasurer I am mindful of the trust and confidence you have placed in me. I thank you, my brethren, for this preferment.

In summation, I would like to assure you that the finances of our Grand Lodge are in sound condition. A full statement of assets and liabilities, together with receipts and disbursements, is set out in the pages that follow. By carefully studying these reports you will become familiar with the financial operation of our Grand Lodge.

Finally, I am indebted to the Grand Secretary and his staff for their able assistance in facilitating my work. A debt of gratitude is owed to the Chairman of the Committee on Audit and Finance for his co-operation, and to our Auditor, Doane Raymond, for their detailed Annual Statement, which I recommend for your study.

Respectfully and fraternally submitted.

A. LOU COPELAND,
Grand Treasurer.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

GRAND LODGE A.F. & A.M. OF CANADA IN THE PROVINCE OF ONTARIONOTES TO FINANCIAL STATEMENTSAPRIL 30, 1988

1. Accounting policies

(a) Basis of accounting

The Grand Lodge's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

(b) Investments

Investments in bonds are recorded at cost and generally are held to maturity. Discounts and premiums on acquisition are not amortized, but are maintained in cost with final gain or loss recorded on disposition.

2. Discount and premiums on investments

Discounts and premiums are summarized by maturity dates as they segregate into future April 30 fiscal year ends as follows:

SEMIANNUAL RETURNS

Semiannual returns have been received from 650 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

SECRETARIES' ASSOCIATIONS

The benefits to be accrued by the formation in the Districts of loosely knit Secretaries' Associations were alluded to in last year's report.

Your Grand Secretary also mentioned his willingness, upon receipt of a proper invitation and time and circumstances permitting, to travel to the District and participate in an Instructional Meeting for Secretaries.

This year, I am most pleased to report numerous Districts have responded in the formation of Secretaries' Associations, and your Grand Secretary was pleased to accept and attend meetings in four of the five Districts that extended invitations.

Hopefully, other Districts may in turn follow suit and organize.

ASSISTANT TO THE GRAND SECRETARY

The impending retirement of R. W. Bro. J. C. Guy, which was noted in last year's report, has now become a fait accompli. Since January of this year Bro. Guy has been enjoying the less strenuous pace afforded by his retirement.

While the services of this warm, friendly and knowledgeable servant of our Craft are sorely missed, we are pleased to report the arrival, in February, of R. W. Bro. Kenneth L. Whiting, his successor.

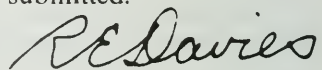

In addition to assuming the duties of his predecessor, R. W. Bro. Whiting, with his computer and data processing background, will be in charge of the computerization programme which is about to begin in your Grand Lodge Office.

Indeed, we welcome Bro. Whiting and wish for him a pleasant and enjoyable tenure of service in your Grand Lodge Office.

In conclusion, the untiring efforts of our office staff in discharging their duties with cheerfulness and efficiency must be recognized. Their chore has not been easy due to change and an increasing work load. Nevertheless, they have accepted the challenge and have continued to apply their collective talents with great dedication in continued service to the Craft.

Ere closing, I must single out the Lodge Secretaries whose work is truly a labour of love. Indeed, their support and assistance, coupled with the cooperation of all our 93,403 members, has greatly assisted your Grand Secretary and is deeply appreciated. Thank you, all.

Respectfully and fraternally submitted.

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary, and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The duties and responsibilities of the Committee on Grievances and Appeals are set out in S-136(h) of the Book of Constitution and from time to time other matters are considered by the Committee which relate to its mandate. In this report those matters will be considered in Part I and particular cases will be considered in Part II.

PART I

Over the past number of years, successive Chairmen of this Committee have urged upon the members of the Craft that where a Masonic offense has been committed it should be prosecuted and not pushed aside in the mistaken belief that it would disappear.

However, there have been cases in the recent past where it became apparent that the prosecution of a complaint, a full trial, appeal and review by the Committee on Grievances and Appeals was not a desirable manner in which to proceed. Often the criminal offense, upon which the Masonic charge is based, proceeds slowly through the court system and through appeal hearings and often several years may have passed before the Masonic trial proceeds. In the meantime, depending upon the circumstances, "old wounds may have healed" and per-

haps where the charge relates to a family matter, the family may have picked up the broken pieces and become rehabilitated and is functioning normally when the whole matter may be resurrected again at a Masonic trial.

Your Committee has had reported to it on several occasions situations where a Brother has asked for his demit when the Masonic charge has been laid. Pursuant to Section 196 of the Constitution a demit cannot be granted. At the same time, a Brother in a similar circumstance against whom a charge had not been laid, nor was there any public knowledge within the Craft of the pending charge, could take a demit.

Your Committee believes that there are many Brethren who are not aware of Masonic jurisprudence, who believe that once a demit has been granted, that they are no longer subject to Masonic censure. Such is not the case; until you have been expelled from membership in the Craft, you are still technically subject to Masonic charge, trial and censure.

At the Annual Communication last year it was reported that certain Notices of Motion would be placed before Grand Lodge. The effect of these Notices of Motion was to grant a Certificate of Severance and certain consequences were to flow therefrom, in essence, amounting to suspension with certain provisions for reinstatement. Your Committee, upon reviewing these proposed changes, was of the opinion that they were confusing and too cumbersome. Your Committee is now of the opinion that by permitting a demit while a charge is outstanding and by having the Grand Secretary notified early in the proceedings that the desired results can be attained and at the same time express true Masonic charity.

Any fear among the Brethren that a demitted Brother may be able to regain membership in a Lodge unbeknown to the proposed admitting Lodge has been considered by your Committee. It is your Committee's firm belief that by strict adherence to the Book of Constitution, Section 196 and Section 360 to Section 362 both inclusive, and a careful investigation, this situation can be avoided. Further safeguards may be able to be built into the system through amendments to the Book of Constitution when Grand Lodge records become computerized.

To obtain the desired results, it is proposed to amend Section 196 of the Book of Constitution to permit a demit when a Masonic charge is pending and further by amending Section 214 so that the Grand Secretary is advised immediately of the decision of the Reviewing Committee. The latter amendment is also deemed necessary so that where the matter goes to a Trial Commission the Grand Secretary can give the Lodge timely advice on the conduct of the trial and thereby avoid pitfalls which may plague those who are not well-acquainted with the trial procedures.

Another Notice of Motion has been presented to Grand Lodge to change the name of this Committee from the Committee on Grievances and Appeals to the Discipline Committee. This is a cosmetic change to more accurately and succinctly set out the Committee's responsibilities. The governing bodies of the various professions in this Province have what they style as a Discipline Committee,

whose responsibilities relate to the professional conduct of its members. In a similar manner your Committee on Grievances and Appeals adjudicates upon the unmasonic conduct of members of the Craft.

During the past two years your Committee has had to address problems arising from what can only be described as private piques and quarrels which have been brought into the lodge room. On all three occasions, after attempts to negotiate a settlement, the only way that the matters could be resolved was for a complaint to be made against the offending Brother and have that complaint reviewed by the Reviewing Committee pursuant to S-412 of the Book of Constitution. In each case it was determined that there were insufficient grounds upon which to proceed.

The importation of these petty quarrels into the lodge and the subsequent making of the formal complaint detracts from the gentility of the Craft and one of its great virtues — Brotherly Love. Your Committee finds these situations disconcerting in that they disrupt the harmony which is expected to exist in a lodge and at the same time they underscore the inflexibility of the parties involved and the end result is that the Brethren involved have not enhanced their relationship with the Brethren.

PART II

BROTHER A

This Brother was charged with fraud contrary to S-338 of the Criminal Code and corruptly accepting a reward contrary to S-383 of the Criminal Code. In the criminal court he pleaded guilty and was found guilty of each offense and was sentenced to twelve months imprisonment with a recommendation for a temporary absence pass for employment purposes.

He was subsequently charged with a Masonic Offense pursuant to S-410(m) of the Book of Constitution. He was found guilty by a Trial Commission which ordered indefinite suspension. Brother A appealed the Trial Commission decision and a Board of Appeal was convened. After a full and fair hearing in which the Brother participated and made submissions the Board of Appeal affirmed the penalty of indefinite suspension.

This Committee has reviewed the Trial Commission and Board of Appeal proceedings and has found no error in them. Accordingly justice having been fairly done the Committee confirms the decision of indefinite suspension.

BROTHER B

Brother B was charged with and pleaded guilty to a charge of sexual assault and upon being found guilty by the criminal courts he was sentenced to two years and four months incarceration. He was charged with a Masonic offense pursuant to S-410(m) of the Book of Constitution. A Trial Commission was convened; the Brother attended, pleaded guilty and was found guilty of the offense. The Trial

Commission ordered the penalty of indefinite suspension. There was no automatic right of appeal and the Brother did not file a Notice of Appeal. The Committee has reviewed the Trial Commission proceedings and justice having been done the Committee confirms the finding of guilty and the disposition of indefinite suspension.

BROTHER C

This Brother was charged with a Masonic offense pursuant to S-410(n) (adultery) of the Book of Constitution. A Trial Commission was convened and numerous documents were filed as exhibits and the accused Brother gave evidence and was fully and fairly cross-examined. Both the accused and the complainant were each well represented by a competent Master Mason as provided by S-419(3) of the Book of Constitution. The Trial Commission found the Brother guilty as charged and ordered indefinite suspension.

The Brother filed a Notice of Appeal and pursuant to the Book of Constitution a Board of Appeal was convened and the accused Brother and the complainant, represented by a competent Master Mason appeared at the hearing. The Board of Appeal found that the Trial Commission did not err in making a finding of guilty and accordingly it affirmed that finding.

This Committee has carefully reviewed the proceedings of the Trial Commission and the Board of Appeal and confirms the finding of guilty. The disposition of the matter by the Trial Commission and the Board of Appeal was addressed by the Committee and after serious and careful deliberation it voted unanimously for indefinite suspension.

CONCLUSION

Your Committee again urges all Brethren who may become involved in trial proceedings to carefully read and follow the relevant Sections of the Book of Constitution. Often the Grand Secretary and the Committee Chairman must request additional or more complete documentation and this delays the final disposition of the matter and causes much inconvenience to all parties concerned. Early communication with the Grand Secretary will most certainly assist in avoiding pitfalls and to bring the matter to an expeditious conclusion.

The Committee wishes to express its thanks to the Grand Secretary, M.W. Bro. R. E. Davies, and his staff for their assistance and also to all of the Brethren who participated in Trial Commissions and Boards of Appeal for their dedication to the Craft.

All of which is respectfully and fraternally submitted.

ROBERT T. RUNCIMAN,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, in eight parts, and on motion of the Deputy Grand Master, each part, together with the report in its entirety was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows:

PART I

R.W. Bro. Robert T. Runciman gave Notice of Motion as follows:

That the Constitution be amended as follows:

S-136(h), S-412(c), S-421(e), S-423(c), S-423(f), S-424(e), S-424(f), S-424.1(a), S-424.1(c), S-424.1(d), S-424.1(e), S-424.1(g), S-425(b)(iv), S-425(b)(v), S-425(b)(vi), S-425(b)(vii) and S-425(b)(viii) each be amended by deleting the words "Committee on Grievances and Appeals" wherever they appear in the said Sections and substituting therefor the words "Discipline Committee".

This amendment has the effect of changing the name of the Committee of Grievances and Appeals to the Discipline Committee. It does not in any way restrict or remove any provisions with respect to Masonic trials and/or appeals.

Experience has indicated that the active work of this Committee is really one of discipline, as it considers and reviews Masonic trials in this Grand Jurisdiction. It does not actually deal with grievances by or between Masons or Masonic bodies, but functions in a supervisory capacity, reviewing the results of Masonic discipline at either the Reviewing Committee level, the Lodge or Trial Commission level, and with any resulting appeals.

Your Committee submits with respect that the intended amendment should be reworded in plain terms as follows: that wherever the words "Committee on Grievances and Appeals" appear in Sec. 135(h), Sec. 136(h), and in the relevant sections of part IV of the Constitution, that they be deleted and that the words "Discipline Committee" be substituted therefor.

Your Committee notes no constitutional objections to this part of the Notice of Motion.

PART II

R.W. Bro. Robert T. Runciman, in addition, gave Notice of Motion that the Constitution be amended as follows:

S-196 be amended by deleting the word "not" in line three. And be further amended by deleting the word "or" in line three and substituting therefor the word "and".

This amendment presupposes a change in basic policy when Masonry deals with those brethren who have transgressed the high standards Masonry requires in all its adherents, which policy change is not necessarily consistent with the existing Rules Respecting Trials for Masonic Offences.

Your Committee notes that while the "legal" input of the Committee on Grievances and Appeals is greatly appreciated, that such a policy change should be considered by a larger group of concerned Masons.

Accordingly, your Committee recommends that the proposed amendments should be presented to and considered by the Board of General Purposes at its next meeting for its consideration and action.

PART III

R.W. Bro. Robert T. Runciman, in addition, gave Notice of Motion that the Constitution be amended as follows:

S-412(a) be amended by adding after the word "Chairman" in line six the following words "and shall forthwith advise the Grand Secretary in writing".

This amendment would require immediate notification to the Grand Secretary of the decision of any reviewing committee, so that where circumstances were indicated, the Grand Secretary could give special advice and legal support, avoiding any legal exposure to those not specially trained to deal with legal procedures.

Your Committee notes no constitutional objection to this part of the Notice of Motion.

PART IV

R.W. Bro. C. Edwin Drew has given Notice of Motion to amend the Constitution as follows:

Section 372 be deleted and the following substituted in its place:

"372. No lodge shall initiate an applicant earlier than the next meeting of the lodge (regular or emergent) following his having been balloted for and accepted."

As the Constitution now stands, a candidate can be balloted for and initiated at the same meeting of a lodge.

Good management of lodge affairs would see a candidate balloted for on one evening and if the ballot was favourable, initiated at some subsequent meeting of the lodge. This is the procedure that is usually followed by the constituent lodges and this amendment would regularize such a procedure.

Subject to a possible amendment allowing a lodge to apply for a special dispensation from the Grand Master to waive this requirement, in special circumstances, your Committee notes no constitutional objection to this Notice of Motion.

PART V

R.W. Bro. W. J. Mathews has given Notice of Motion to amend the Constitution as follows:

THAT the portion of section Fifty Eight, page twenty five of the book of constitution that presently reads "HE shall vote for seven nominated members of the board of General Purposes otherwise his ballot for the board shall be void." Be changed to read, "He shall vote for any number of nominated members for the board of General Purposes but shall not vote for more than seven members otherwise his ballot for the board shall be void."

Your Committee notes that such an amendment would drastically change the voting procedure for members of the Board of General Purposes, which procedure has been in effect in this Grand Jurisdiction since time immemorial and has been accepted traditionally by most other Grand Jurisdictions for many, many years. In addition, it would allow "plumping" for votes, which practice is not generally accepted by democratic institutions when votes are cast for a fixed number of elected candidates taken from a larger list of proposed nominees.

Your Committee, after deliberation, is unable to report favourably on the constitutional validity of this amendment or otherwise consider this amendment regular.

PART VI

R.W. Bro. William H. Sproule has given Notice of Motion to amend the Constitution as follows:

(A) Sec. 23, Part H, page 18: The word (and) be deleted

(B) The following be added to Part H, page 18:

Following the words (of Motion). Notwithstanding any other provision in the Constitution. This item shall be dealt with during the first day of the Annual Meeting.

So that Sec. 23, Part H, will then read:

(h) Presenting and considering notices of motion. Notwithstanding any other provision in the Constitution. This item shall be dealt with during the first day of the Annual Meeting.

The Committee notes that this amendment would require unequivocally that Notices of Motion be dealt with on the first day of the Annual Communication of Grand Lodge.

Such inflexibility would, in view of the very tight time restraints imposed on the Grand Master in the limited time available on the first day of the Annual Communication, as he opens Grand Lodge, welcomes visiting Masonic and other dignitaries, proceeds to deal with Minutes, the Grand Master's Address, the many other important matters already laid out in the Constitution, receives reports from the Board of General Purposes, as provided for by Sec. 23(f), receives reports of Special Committees as required by Sec. 23(g), drastically restrict and impair the general conduct of business and other Masonic matters that must be attended to, and would undoubtedly result in hurried and disordered presentations, all to be considered under the guiding hand of our Most Worshipful the Grand Master.

This proposed amendment is, in addition, in direct conflict with Sec. 25 of the Constitution which already provides that the order of business of the Annual Communication may be changed or suspended at any time by a two-thirds vote of Grand Lodge.

Accordingly, your Committee is unable to report favourably on the regularity or constitutional validity of this amendment.

PART VII

R.W. Bro. Gerald E. MacDonald has given Notice of Motion to amend the Constitution as follows:

A. By adding thereto, immediately after Section 394, the following heading and section. "Two Hundred Year Old Lodge".

"394.1 A lodge which has attained its two hundredth year of continuous and active service and has requested recognition accordingly to the Grand Master through the office of the Grand Secretary, after having received the written permission of the Grand Master shall be entitled, as a special mark of distinction, to have the aprons (Master Mason and Installed Master) of its members ornamented with a crest affixed to the lambskin portion of the aprons, centered immediately below the flap thereof, which conforms to the following specifications:

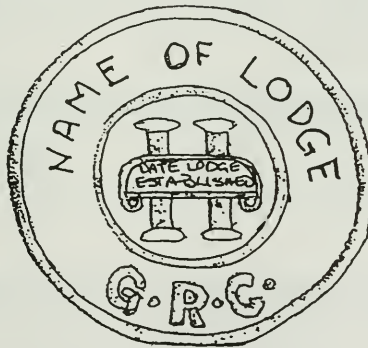

- (a) The crest shall be 9 cm in diameter with a sky blue embroidery;
- (b) The name and number of the lodge shall appear within the outer rim and the inner rim at the top of the crest and the letters "G.R.C." shall appear within the outer rim and the inner rim at the bottom of the crest, and

- (c) Two columns stylized to represent the Roman numeral II shall appear in the centre of the crest. The pillars shall be joined together by a scroll on which appears the year the lodge was established;
- (d) The form of the crest shall be as set forth in the diagram attached, as schedule Form 10.”;

B. Section 389(g) of the Constitution shall be amended so that the same shall read as follows:

“(g) No emblem or ornamentation, other than as specified in the general specifications, shall be used on any apron worn in any Craft Lodge, except that —

- (i) Lodge officers may have the emblem of their office in sky blue, in the centre of the apron, and
- (ii) A crest designating a two hundred year old lodge, as set out in Section 394.1.”

Your Committee notes that this amendment codifies the results of a Committee of the Board of General Purposes who, after much deliberation, presented such matters to a previous meeting of the Board of General Purposes. Masonry in Ontario is rapidly reaching back 200 years and some special recognition for lodges who have reached this venerable plateau is deemed desirable.

Your Committee notes no constitutional objection to this part.

PART VIII

VW. Bro. Samuel H. Cohen has given Notice of Motion to amend the Constitution as follows:

Section 185 be amended by deleting the first sentence and substituting “If the lodge bylaws authorize life membership the lodge may admit its members to life

membership on such terms that provide for the purchase of the commutation of dues at a cost of sufficient proportion to adequately fund the continued service to the member without encumbering the lodge and/or its dues paying members."

The second sentence would remain as written.

Section 187 be amended by adding the following sentence — "If honorary membership is given with exemption from lodge dues, it shall be necessary that an amount of sufficient proportion be set aside by the lodge to adequately fund continued service to the member without encumbering the lodge and/or its dues paying members."

Your Committee notes that the Board of General Purposes has considered the devastating financial circumstances that have already been experienced by some of our lodges who have not considered and provided for proper funding of such memberships, leading to serious financial difficulties for that generation of members of such a lodge not yet born.

Your Committee feels that further study and consideration of this important matter is required and recommends that the proposed amendments should be presented to and considered by the Board of General Purposes at its next meeting for its consideration and action.

Respectfully and fraternally submitted on behalf of the Committee.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. J. Pos, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pos, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Warrants, it is my privilege to present our report to this the 133rd Annual Communication of Grand Lodge.

Your Committee is composed of R.W. Bros. Joel C. Piper, C. John Woodburn and myself as Chairman.

We are pleased to report that an application for a Warrant has been received from Chinguacousy Lodge U.D., located in Brampton, Ontario. The lodge has

met all of the necessary requirements and your Committee therefore recommends that Chinguacousy Lodge be granted a Warrant numbered 738 on the Register of this Grand Lodge and be assigned to Toronto District Number 1.

We heartily congratulate all of the Brethren on the formation of this new lodge and we wish them continued success in the future.

A Dispensation has been granted to Limestone Daylight Lodge at Harrowsmith, Ontario. This lodge will meet during the summer months only and will be hosted by different lodges in Frontenac District, thereby providing visiting Masons an opportunity to meet in a Canadian Lodge in the highly popular tourist area in that part of the Province.

We extend our sincere thanks and appreciation to the Grand Secretary, M.W. Bro. Robert E. Davies, and his obliging staff for their assistance during this past year.

Respectfully and fraternally submitted on behalf of the Committee.

JACOB (JACK) POS.
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Drew, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Committee on the Condition of Masonry, on behalf of the members of the Committee: R.W. Bros. R. Cerwyn Davies, Frank G. Dunn, William Fairley, James R. Gilpin, Jack S. Hudson, James A. Hughes, Reginald E. Jewell, George W. Kerr, Edsel C. Steen, Robert S. Throop, J. Murray Wagg, Kenneth L. Whiting and V.W. Bros. Lloyd R. Bittle and Larry J. Hostine.

District Deputy Grand Masters' Reports

The new reporting forms were distributed in January 1988, and we appreciate that this year's District Deputies had to backtrack to complete the forms, as they were received midway through their term. We thank them for their understanding and cooperation. Many favourable comments have been received, together with some suggestions for refinements; all are sincerely appreciated. Reviewing these

reports, one cannot help but be inspired by the enthusiasm and dedication of the brethren in our jurisdiction. We face many challenges now, and in the years which lie ahead, but our members are addressing the problems and seeking solutions. A universal question which cries out for an answer, is the reason for the lack of attendance at our meetings, yet within each District some Lodges are thriving.

Good communication, interesting meetings, family involvement, financial planning, adequate officer training, full use of the Mentors Programme and a rededication to the basic principles of our Order, these are the building blocks used by the Lodges which are continuing to ignite Masonic Pride.

The importance of the Lodge summons has been stressed by our Grand Master, and it is heartening to see the improvements which are being made, in this, our first line of communication to the brethren.

Many Lodges have redesigned and improved the format of the summons, and are using the approved camera-ready logo.

Some Districts have a regular Newsletter, and report that it is an invaluable communications tool in District affairs. The efforts in publishing these are usually expended by one brother, the Editor, and we commend these brethren for their contribution.

Lodges which have their own newsletter, or information insert, are able to include information on Grand Lodge, District and Lodge activities, together with dignified and well written eulogies on deceased brethren, information on new or senior brethren, future events etc.

Many Lodges have established a successful pattern of involving family members in Lodge sponsored activities; Open Houses where family members are specifically invited, Divine Services with the family members seated with the brethren, sports activities, theatre nights and many other functions where the family may participate.

Financial planning - more lodges than ever are seeing the need to operate on a budget, to communicate to the brethren the details of our financial structure and expenses, as we face the twin pincers of declining membership and increased expenses.

The pre-installation (or official visit) banquet is once again gaining in popularity, and when properly funded (on a pay as you go basis - so the brethren who attend are the ones paying the cost) can prove to be an enhancement to the meeting whilst not being a drain on the Lodge budget.

Officer training is the responsibility of the Worshipful Masters - many have established regular practices and rehearsals. All should - for our officers are our future leaders, and without adequate preparation and training they will lack the confidence to lead us in the years which lie ahead.

Our basic principles — brotherly love, relief and truth — must guide all our deliberations. Without them, we have nothing.

Our Grand Master requested that this Committee consider some specific items and present recommendations. These have already been circulated to the members of the Board, so, with your indulgence, I will summarize them:

- ROAD SIGNS: Test sites to be undertaken at specific locations.
STANDARD LOGO: Recommended for all new printing, furnishings, jewellery, etc.
MEMORIAL SERVICE: Report forwarded to Custodian for consideration.
D.D.G.M. GUIDELINES: Preparation report approved, final report in July 1989.
MENTORS PROGRAMME: New manuals well received, programme is working well, but will only work if used. Recommend that all Lodges identify Mentors, with telephone numbers, in the summons.
GRAND REPRESENTATIVES: Reminder of attendance requirements to two-year absentees.
MEMBERSHIP RETENTION-INVOICING: Recommended that this system be adopted by all Lodges, always bearing in mind that nothing replaces PERSONAL CONTACT.

The following are recommended to all Lodges for their individual consideration: FREEMASONRY and YOUTH, CODICILS and BEQUESTS, CORNER-STONES, VISITATIONS OF WIDOWS, SENIORS and SHUTINS, OPEN HOUSES, CANDIDATE UNIFORMS, CONTACTING ABSENT BRETHREN.

Finally, may we express our thanks to the members of the Committee for their attendance at our meetings, but more for their dedication and intense desire to serve the Craft, and on behalf of the Committee, our gratitude to the members of Grand Lodge, in particular the Grand Secretary and staff for their assistance and cooperation.

All of which is respectfully submitted on behalf of this Committee.

C. EDWIN DREW.
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. J. A. Hughes, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hughes, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

"EDUCATION IS NOT A COAT YOU PUT ON FOR A MEETING AND TAKE OFF AT ITS CLOSE — YOU SHOULD WEAR IT TWENTY-FOUR HOURS A DAY."

What an exciting year your Committee on Masonic Education has had. It has grown—accomplished—communicated—enthused—and these are but a few of the adjectives that describe its activities.

One of the most important accomplishments has been the seed that has been planted in each of our forty-three Districts—the seed that promises to grow and involve both the District and Lodge Education Committees.

A message that is coming through, loud and clear, is a desire for education. Our members are crying out for meaningful educational programs to stimulate their minds and to test their skills. We are being challenged to broaden our horizons and this can only be accomplished by a concerted effort of every District. We must make better use of District and Lodge Education Chairmen and encourage them to stimulate and promote Masonic Education. Lodge and District Chairmen could serve for a three or four year period, with an assistant to take over as Chairman. This two-man system would ensure continuity in educational programs, not only in history and philosophy, but in being better and more knowledgeable officers and members who will promote and practice the principles of Freemasonry.

Skillful use of the many talented and experienced Brethren in every District must be made so as to produce original and thought-provoking workshops and seminars that are directed to the diverse needs of each District. This is the responsibility of our District Education Chairmen. They must act as a catalyst to create, innovate and motivate education at the Lodge level. Be thinkers — be doers — and dare to be different. It might be contagious.

Brethren, while there have been several undertakings by this Committee, the two that stand out, and which have the potential to provide long-term benefits to Masonry, are set out below:

Correspondence Course

This program, developed in late 1983, continues to be in great demand and provides a tremendous source for self-improvement and assistance in the further development of Masonic knowledge among its students. It is satisfying a need. Because of this need, your Committee has separated the four programs (1. Masonry at Work, 2. History and Origin of Masonry, 3. Administration and Organization, 4. Preparing for Leadership), so that you may now choose in which order you wish to complete them. You may choose to complete only one — or you may choose to complete two of the four offered — or all four — you may take as many, or as few, of the programs as you wish and in the order you wish. The choice is yours.

Upon the completion of each program, a certificate will be awarded, but, to become a member of THE COLLEGE OF FREEMASONRY, you still must complete all four programs. The cost for each program is \$20.00 and is payable in advance.

To date, sixty-five (65) College of Freemasonry Certificates have been issued representing thirty-one (31) Districts. The real excitement though, Brethren, is that during the months of March, April and May, 1988, we have had over forty (40) new applications. This rekindling is very encouraging and supports the need for solid educational programs. Brethren, a real opportunity — don't miss it — education is the key to our Masonic future.

Your Committee continues to be indebted to R. W. Bros. Frank Bruce and Edsel Steen for their tireless efforts and skills in administering this course. Of course, our thanks is also extended to the thirty-five (35) mentors who evaluate the assignments and give so freely of their time and talent.

Speakers Program

A program is being developed and will be tested in a number of areas throughout the Grand Jurisdiction and, like the Correspondence Course, will require an effort. It is being developed to improve one's ability to stand in front of a group and in doing so, to feel comfortable. Also, it will assist one to respond with relative ease, if called upon at the last moment to propose or respond to a toast.

Toronto District 1 conducted a course, under the direction of W. Bro. Richard Slee, this spring. It was attended by six enthusiastic members, W. Bros. Ian MacDonald and Gord Spencer and Bros. Ben Bassett, Maurice Beaubien, Jack Leitch and Ray Robertson, all of whom will attest to its success.

The course will be part of the Toastmasters International Success Leadership Series and will involve eight, two-hour sessions which are designed to develop leadership skills as well as speaking skills. It will teach the importance of speech communication; preparation of a speech; construction of a speech; impromptu speaking; use of gestures and much, much more. Brethren, anything worthwhile

requires a little effort — this program will be worthwhile and will require but a little effort. It is suitable for the new Master Mason as well as the experienced Past Master. More information will be available in the Fall.

Other areas in which your Committee is making progress is in the development of guidelines, which will be printed in pamphlet form when completed.

These include:

- Preparation of a Master's Message
- Developing Newsletters
- Suggested Lodge Committees
- Recording Lodge/District History
- Conducting a Committee of Inquiry
- Conducting a Board of Trial

While the Committee members continue to develop ideas, a special thanks is extended to W. Bro. Ian Clunie and R. W. Bro. Ed MacLaren for revising Booklet "O" — For The Information Of The Man Who Has Expressed An Interest In Masonry.

It should also be noted that Booklets No. 1, No. 2 and No. 3 have been reviewed with only minor recommendations for change. These will be reprinted in the future.

The Newsletter continues to generate real excitement in its improved format, as well as for its value to serve as a communication medium. It provides interesting and educational material quarterly, and our thanks to the many contributors of material for reprinting. The two ingredients necessary for its continued success is for you to be a subscriber, as well as for a good source of interesting reading material. If you have information which you would like to share with your Brethren, please forward it to the editor, R. W. Bro. Robert A. Barnett, P.O. Box 4217, London, Ontario N5W 5J1.

On behalf of this Committee, we wish to express our sincere thanks to R. W. Bro. David C. Bradley for the significant contribution he made as its editor during the past several years. Also to R. W. Bro. Barnett for accepting this very challenging position. Subscribers are now in excess of 1,100 and growing. R. W. Bro. Barnett has, on several occasions, remarked on the cooperation extended by our printer, V. W. Bro. Ray Powell, and those who prepare The Newsletter for distribution. A sincere thanks to all of you for your innovative ideas and valued assistance.

Workshops/Officers Training Programs

A number of Districts conducted workshops and officers training programs, many based on the publication *Towards The Square*. All of the Districts were involved in the distribution of this booklet and we appreciate your assistance. Its educational value has been proven and the response of the Brethren has been overwhelming. In excess of 1,300 have been distributed to thirty-six (36) Districts.

Reports from various organizers of workshops indicate that, for the most part, attendance was down with representation being generally Past Masters. Brethren, this is an area which is proving to be a challenge to District Deputy Grand Masters and their Education Chairmen since most workshops are organized at a District level. This low attendance must be addressed. The Brethren who will benefit, primarily the Officers and new Masons, must be made aware of the importance of these educational programs. Advanced planning to meet the needs of the District with a sound marketing approach will bear fruit — but, again, long term planning with continuity of programs is essential.

Despite poor attendance, a number of good Workshops were presented but because of space restrictions, mention will be made of only a few. Remember, Brethren, keep up the good work — your efforts will be rewarded, and they are appreciated by your Grand Lodge.

- St. Thomas District — Officers Improvement
- Toronto District 6 — Officers Training - a play presentation
- Victoria District — General Education on Degrees and Signs
- Toronto District 2 — Officers Training
- Sarnia District — Lodge of Instruction
- Peterborough District — Lodge of Instruction
- Wellington and Waterloo Districts — Theme Topics
- London West District — Slide Presentations
- Hamilton A, B and C Districts — Officers Training

These are the types of programs your Committee on Masonic Education is encouraging be conducted by ALL DISTRICTS. A tremendous way to use the resources available within the District — knowledgeable Past Masters — skilled Past District Deputy Grand Masters. Involved Masons are active Masons — keep these Brethren working on behalf of Masonry.

District Newsletters

Newsletters are produced in a number of Districts and, again, to mention a few —

- Wellington District REVIEWS — Outlines lodge functions, District interests, historical sketches, pictures
- Toronto District 4 The Builders — Poetry, Masonic history, social events
- Sarnia — Lodge functions, anniversaries, District news, pictures
- South Huron — Message from the District Deputy, pictures, lodge events

Communication is a vital key to better education — these publications are extremely interesting and informative and make enjoyable reading. Congratulations.

Reflections

A Lodge or District Discussion Group. This could be led by the District Education Chairman. Get together and discuss problems which arise in the Lodges — a sharing of similar problems — information — ideas and resolving them.

A Book Review Club — To discuss Masonic books or even non-Masonic books, by a group of Masons meeting to broaden their knowledge.

A Two or Three Minute Club — Presentation of topics which are judged for their content and manner of presentation. A great warm-up for the Speakers Course.

Find out the profession or occupation, or perhaps the hobby of the Brethren and ask them to make a presentation on that subject in Lodge.

Brethren, the possibilities are endless. Think about it. If you have ideas or thoughts you want to share, write this Committee. We want to hear from you. We want to have your ideas.

Summary

The undersigned, as Chairman, expresses his thanks to the members of the Committee for their cooperation and assistance throughout the year. It was a pleasure working with you. The members are: R. W. Bros. R. A. Barnett, F. J. Bruce, N. E. Byrne, R. C. Casselman, C. E. Drew, W. E. Elgie, W. C. Frank, J. R. Gilpin, J. S. Hudson, F. J. Satterley, E. C. Steen and V. W. Bro. E. R. Morrison.

Education does not just happen, it requires effort. Appreciation is expressed to all of you who are actively involved with education. To the silent, unobtrusive Brother who works in his Lodge, in his District, behind the scenes; those who quietly go about their Masonry — encouraging the new Mason — attending every meeting — prepared to step in at the last moment — often taken for granted — a sincere thank you.

Your Committee is striving to promote Masonic Education from within each District so that the District Chairman is involved with all of the individual Lodge Education Chairmen and other talented, interested and knowledgeable Brethren. What a team this will make for a District — an unbeatable combination. This group working as a team to meet the needs of their District — a strong force for the good of Masonry.

The future of Freemasonry rests on Masonic Education. Education is the key because an educated Mason is an interested Mason; an interested Mason is an active Mason; and an active Mason generates new Masons.

Respectfully and fraternally submitted on behalf of the Committee.

JAMES A. HUGHES,
Chairman.

REPORT OF THE COMMITTEE ON GRAND MASTER'S RECOGNITION

This Report was presented by R.W. Bro. R. E. Jewell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jewell, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee is most grateful to the District Deputy Grand Masters and other interested Masons who have made submissions to us.

This recognition is made at the discretion of the Grand Master to honour those who have given service beyond the normal performance of duties of office or membership as a Mason.

Your Committee is pleased to make several submissions for your consideration of this very prestigious recognition.

Announcement of the recipients and presentation will occur during our present Convocation of Grand Lodge.

As well, the Grand Master will be recommending Certificates of Improvement to various Lodge Buildings in our Grand Jurisdiction where extensive beautification and structural modification has been completed.

Respectfully and fraternally submitted.

W. NORMAN BUCKINGHAM,
REGINALD E. JEWELL,
Chairman.

REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by R.W. Bro. C. J. Woodburn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Woodburn, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to again report to you as chairman of the Advisory Committee on our Grand Lodge Bulletin. In last year's report we commented that it was timely to explore sprucing up and expanding our Bulletin. To this end we solicited input from Board Members and, specifically, from our committee members, R. W. Bros. Jim Jackson and Reg Jewell and V. W. Bro. Norm Buckingham. Our thanks to all who supplied comments and advice.

Subsequently we recommended to the January Board of General Purposes meeting the following:

- (a) A new masthead be adopted.
- (b) The Bulletin be doubled in its number of pages.
- (c) Pictures be used at the discretion of the editor. This would require professional picture quality.

This report was accepted! Hence our spring Bulletin incorporated these recommendations and appears to have been enjoyably received by our Brethren.

We recommend the following for the year ahead:

1. The new format as used in the spring Bulletin be continued.
2. All Bulletin copy and layout, except the Grand Master's message, be submitted to our editor in advance for his journalistic review and, if necessary, rewrite. This will ensure a continuation of our high professional standards.

Finally, on behalf of all may I express our appreciation to R. W. Bro. Wilson McConnell, our editor, for his tireless work on our behalf. It is our joy to see that he continues to find pleasure in his labours.

Sincerely and fraternally,

C. JOHN WOODBURN,
Chairman.

REPORT OF THE ADVISORY COMMITTEE

This Report was presented by R.W. Bro. E. C. Steen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A meeting of the Committee was held on Friday afternoon, January 8, 1988, in the Board Room of the Grand Lodge Office in Hamilton. The following topics presented by M.W. Bro. W. R. Pellow, Grand Master, and submitted for discussion as to merit and possible method of introduction, were addressed by the Committee.

D.D.G.M. Reports

A. Midterm Report

The Committee felt that this had much merit and should be used at the direction of the incumbent Grand Master, who would then have the flexibility to seek reports on particular areas of concern to him.

B. June 1 Deadline for Final Report

The Committee felt that a constitutional amendment should be made to change the date to May 15.

C. Number of Reports Required

The Committee suggested four copies. Two of these would be sent to Grand Lodge and two remain in the District (One for the District Deputy Grand Master and the other to his successor). The Committee suggested a constitutional amendment was in order and it should be very definitive regarding the necessity of a report being given to the District Deputy Grand Master's successor in office.

D. Guidelines for Retention of Reports in District

The Committee suggested that the reports be kept in each District for a minimum of five years. It was suggested this be incorporated in any amendment to Section 104.

D.D.G.M. Qualifications

After much discussion it was generally agreed some Districts now have mechanisms in place that are working well which could be built upon.

Life Membership

Should it be Made Mandatory to Make Proper Funding of Life Memberships a Constitutional Requirement - i.e. Transfer of Funds From General Fund to a Life Membership Capital Fund?

The Committee felt it could be addressed by the Grand Master in his address to Grand Lodge in a very firm manner. This would then be followed up in each District by the D.D.G.M.s under the direction of the Grand Master.

Lodge Building Corporation

- A. Lodge must not use the word temple, hall or lodge on an application for a nonprofit, nonshare capital charter. It was explained this applies to new applications only.
- B. **Should a Time Limit be Given for Establishment of Incorporation for All Our Lodge Buildings?**

Committee suggested a time limit should not be established now but continued encouragement should be forthcoming until such time as further clarification is received from the Minister of Consumer and Commercial Relations - Companies Branch.

Signage

- A. **Should any Lodge Erect Signage for a Lodge Building Unless it is a Standard Approved by Grand Lodge?**

The Committee felt this could best be handled by the Advisory Committee on Lodge Buildings in their report to Grand Lodge. In addition, it should suggest that all further signage be approved by Grand Lodge.

- B. **Should a Deadline be Set for Proper Identification of all Lodges?**

The Committee suggested that it be a recommendation only. They also felt this should be handled by the Advisory Committee on Lodge Buildings.

Solicitation

Statement as Prepared by V.W. Bro. W. N. Buckingham

The Advisory Committee recommended that the statement be printed in pamphlet form similar to "What is Freemasonry?" and "Charity" and distributed forthwith to each Lodge. The Grand Secretary was asked to print 150,000 copies and distribute together with a covering letter similar to that done on the above-noted pamphlets.

Camera Ready Art

Should the Use of the Standard Square and Compasses be Made Mandatory by a Certain Date?

The Committee felt that proper use be continually urged through the D.D.G.M.s. Compliments on the use could be incorporated in the Grand Master's Address.

Grand Master's Award

Rules and regulations and constitutional changes are required. A discussion suggested that much more study is required and a Committee Report should be presented to the Board of General Purposes for presentation to Grand Lodge.

Temple

Possible Deletion of the Word "TEMPLE" in the Book of Constitution

Committee suggested no constitutional amendment should be introduced, but rather the matter could best be pursued in a quiet diplomatic way.

Flags in Lodge Room

A consensus suggested that the Grand Master could address the enhancement derived by the proper use of the flags in the lodge decor through the medium of his Address to Grand Lodge.

Section 137 (a) (i)

(This section deals with calling a quick meeting of the Board of General Purposes immediately after Grand Lodge is closed.)

Compliance or change?

The Committee felt this section could be complied with by orchestrating a short Board Meeting during a brief recess called just prior to the close of Grand Lodge. Consensus suggested this be tried for a couple of years and if effective then a constitutional change could be entertained.

Grand Master's Programmes

Possible Retention of Best Ideas for Use by His Successor?

The Committee suggested that good programmes initiated will gain momentum and automatically carry on.

The Chairman expresses his thanks to the members of the Committee: M.W. Bros. W. R. Pellow, J. N. Allan, R. E. Davies, N. R. Richards, A. Lou Copeland; R.W. Bros. D. C. Bradley, N. E. Byrne, W. E. Elgie, D. I. Greenwood and R. E. Jewell, for their participation and help. Their consideration made it a pleasure to act as Chairman for this year.

Respectfully and fraternally submitted on behalf of the Committee.

EDSEL C. STEEN,
Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S BANQUET

A brief oral report was presented by the Chairman, R.W. Bro. D. I. Greenwood. This report was received on motion of the Deputy Grand Master, seconded by R.W. Bro. Greenwood.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. W. E. Elgie presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Elgie that the Report be received.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. R. C. Casselman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Casselman, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the members of this Committee; R. W. Bros. R. A. Barnett, L. G. Byers, F. G. Dunn, W. J. Finlay, L. W. Lawrence; V.W. Bro. D.W. Clarke; W. Bro. P. C. Flowers and Bro. H. A. Pellow.

This Committee met formally on four separate occasions and gratefully acknowledges the generosity of Bro. Harry A. Pellow for the use of his Board Room, and a special thanks to R. W. Bro. Lloyd Lawrence for acting as recording secretary and for providing an excellent transcript of our meetings.

A letter was sent to all D.D.G.M.s outlining recommended steps required to bring the external appearance of our Buildings in harmony with the Community. There are Lodge Buildings located on the main street of our towns and villages throughout Ontario that have their windows covered over, giving them a mysterious and foreboding appearance. This image of Masonry is presented to our non-Masonic friends in the Community. With your help Brethren, we can change this image! In the Districts where such conditions exist I would ask those D.D.G.M.s to make a personal commitment to meet with the W.M.s and the Building Committees to effect the necessary changes.

We acknowledge and congratulate those Lodges and Building Corporations that are making plans to improve their Masonic homes either by building new facilities or by renovating existing ones. During the past year, Hammond Lodge No. 327 was completed. This is a beautiful building, which serves to meet the needs of the Brethren in Wardsville and enhances the image of Freemasonry in the Community. The Brethren of Hammond Lodge No. 327 and the members of their Building Committee are to be congratulated for their dedication and enthusiasm by providing an excellent Masonic home for the Brethren of Wardsville and the surrounding area.

This Committee acknowledges and congratulates the Lodges in Brockville and Barrie on the completion of their new facilities and also for the Ceremony of Laying of the Cornerstone. This Committee encourages the use of this beautiful Ceremony for all new Buildings and is appropriate to use after the completion of the Building.

The signage programme has been well received throughout the Jurisdiction with approximately forty applications to date. There is a potential of approximately 380 signs that will identify our meeting places in the Community. This Committee in cooperation with the Manufacturing Company, Slimlite Limited of Scarborough, has provided an excellent sign which meets the needs of all Lodge Buildings. Grand Lodge has made the signage programme very attractive by granting a \$200.00 rebate for an approved Lodge Sign. Only the approved Lodge building sign can be erected and no rebate will be forthcoming for any sign that is not ordered and processed through our Grand Lodge and this Committee. The \$200.00 rebate will be in force during the next year and hopefully until all of the approximately 380 buildings are identified with our standard sign.

In summation, I would like to express the gratitude and appreciation of this Committee to all the D.D.G.M.s for promoting and implementing the programs of this Committee. We trust that we have met your needs and concerns during the past year. We would emphasize that your Committee would be pleased to receive your inquiries regarding your future building proposals. Our objective is to assist the Lodges and Building Corporations in any way possible to meet those building proposals.

Respectfully and fraternally submitted on behalf of the Committee.

R. CARL CASSELMAN,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. A. G. Broomhead, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Broomhead, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The established standards for recognition that must be met to receive a favourable recommendation by the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America for recognition are:

1. Legitimacy of origin
2. Exclusive territorial jurisdiction
3. Adherence to the Ancient Landmarks, specifically an unalterable and continuing belief in a Supreme Being, the Volume of the Sacred Law as an indispensable part of the furniture of the lodge, and the prohibition of the discussion of religion and politics.

Mexico

During 1987, several State Grand Lodges in Mexico have sought recognition. There are 24 State Grand Lodges in Mexico, all of which are considered regular.

Brazil

The newest Grand Lodge is The Masonic Grand Lodge of the State of Rondonia, considered regular.

Central America

The state of Freemasonry in the Central American countries of Guatemala, Honduras, El Salvador, Costa Rica and Panama is, at best, precarious.

In Nicaragua, Masonry is practically nonexistent now.

Italy

The Grand Orient of Italy presented a delegation to the Commission, again, this year, in Cedar Rapids, Iowa, to reaffirm that they were conforming to the standards of regularity. This Grand Lodge has no reason to believe the Grand Orient of Italy is not following the basic principles and we continue to recognize this Grand Lodge as regular.

The Commission consists of six members of wide geographical distribution. The Commission neither advises nor recommends that recognition be given to any Grand Lodge, but merely indicates whether or not it considers that a Grand Lodge in question satisfies the conditions of regularity. The members of the Commission are composed of five Americans and one Canadian. The American delegates are from Utah, Virginia, Illinois, District of Columbia, Arizona and the permanent Secretary-Treasurer. M.W. Bro. Robert Dillard (Texas). M.W. Bro. William R. Pellow (Ontario) retires in 1993; in that year he will be President of the Commission.

Respectfully submitted.

ARTHUR G. BROOMHEAD,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. W. C. Frank, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Frank, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege and honour to present the report of this committee, which is comprised of the following members: R.W. Bros. J. W. Auckland, A. G. Broomhead, D. I. Greenwood, and J. D. Jackson.

First of all, I want to pay tribute to last year's Chairman, R. W. Bro. Edsel Steen, who called a meeting of dedicated promoters of this very worthy endeavour shortly after Grand Lodge last year.

This gave me the opportunity to reap the benefit of much effort on the part of R. W. Bro. Steen and other district representatives, to get a head start on my year as Chairman. As a result of having many worthwhile suggestions to form a basis, two sets of guidelines were formulated. One for the benefit of the District Blood Chairman, the other for the Lodge Blood Chairman.

Before these could be distributed, it was necessary to have the names of the Blood Donor Chairmen in every district.

I want to take this opportunity to thank the D.D.G.M.s who returned their Trestle Boards, designating the district Blood Donor Chairman. However, as prompt as many were, this did delay the opportunity to contact the District Chairman until the Masonic Blood Donor year was practically half over.

To try and avoid similar repetition next year, this report includes some of the basic guidelines each lodge Chairman could use to help overcome the results this report will indicate. Hopefully, the new D.D.G.M.s will then be able to encourage the district Chairman for his year, which, if possible, for the sake of continuity, will be the same brother to start organizing and promoting the blood donor campaign for 1988-89.

All previous reports listed the results of the donors from each of the forty-three districts. This one will not, mainly because at time of printing less than fifty percent had been received.

Your committee regrets having to indicate such a fact; however, we do not feel the lack of the district reports at the time of publishing means the program is not working. Although the average results indicated in this year's report are somewhat less than last year's, there are very positive reasons to believe the Masonic Blood Donor program is still a great Masonic Window for the general public to view.

Your chairman is very fortunate to have a close liaison with the London Red Cross Society, being a long time donor presently listed at eighty-six.

Believe me brethren, the management under the very capable direction of Donna Dean, appreciates and depends on the support of the Masons of the two London Districts. The following received from her this past March is just one paragraph to prove the point. "The Southwestern Ontario Blood Donor Recruitment Department of The Canadian Red Cross Society would like to thank the Masons for their donor support of our Blood Program. Masonic participation of the program seems to work most effectively where there is a strong Blood Chairman. Since it is common for this person to keep office for often only one year at a time, I would like to offer my assistance to meet with incoming chairmen and brief them on our program."

Please make note of her recognition of the fact Lodge Blood Chairmen often keep office for only one year. This seems to be one of the obvious weak spots in the system, which perhaps the new D.D.G.M.s can try to avoid, at least at the district level.

The committee wishes to sincerely thank all brethren who have devoted so much effort in keeping this program successful; the district chairman, the lodge chairman and certainly the individual donors.

Listed below are only some of the achievements worthy of special mention:

Co-Chairmen of Frontenac District, Bros. Elmer Hurlbut and Carl McCharles did an admirable job, even though the total was down from last year.

The same can be said for Bro. Dimitrios Papavramidis, chairman District 1, for Toronto showing Temple No. 525 with an increase of 100% and Unity No. 701 with 99%; district total up 15%.

Windsor District under Chairman Bro. J. Ralph Totten; although down slightly agrees he is optimistic for next year.

Bro. Robert J. Dell, Niagara District A, reported Bro. William Gibson St. Andrews No. 661 - gave his 100th donation and Ivy No. 115 took the trophy from Amity Lodge No. 32, who held it for thirteen years.

Bro. J. A. Hornell of Chatham District, reported a 46% increase, showing Florence No. 390 having the highest percentage increase and Baldoon No. 694 showing the most improvement.

Bro. John H. Wilson of Toronto District No. 7 displayed fantastic initiative and would get the prize for the best reporting to your chairman throughout the year. Thank you.

Honourable mention to Bro. Robert E. Denison, Toronto No. 5, showing a healthy increase of 30%.

London's Bros. Ron Saunders and Russ Barber came through again with an increase which reflects the previous comments relative to the importance of a strong liaison with the local Red Cross Society and the individual help of Bro. Dave Draper of St. Johns 209A, who campaigns not only within his lodge, but as a telephone volunteer at the London Clinic. As his lodge chairman, St. Johns 209A contributed 414 pints from a membership of 421. A fantastic record.

Brethren, all active district chairmen are at least asking themselves, why are donations down or so difficult to maintain. Your committee feels there are various reasons. The stepped up Aids exposure program, although no risk to the donor, has many misconceptions and so to offset this the original district mailing included an information pamphlet. There is no doubt the Aids scare may have negatively influenced more regular donors than we can imagine.

The older membership, no doubt, has some effect; your chairman - as an example - only having one year left to give.

My brethren, your committee respectfully solicits the help of the new D.D.G.M.s to implement, as soon as possible, any or all the following guidelines. This will facilitate a much faster start for the new blood donor Masonic year in each district and, hopefully, will allow next year's report to include all of the forty-three districts.

SUGGESTED GUIDELINES FOR LODGE BLOOD DONOR CHAIRMAN

1. Each lodge should have a (hard cover book) lodge register to contain each donor's name, telephone number and record of donations.

2. Every time a new member is received into the lodge by initiation or affiliation, he should be approached by the chairman to determine if he will be a blood donor. If he agrees, his name should be inserted into the register and, if possible, he should be given some Red Cross literature.

3. The lodge chairman must note the scheduled dates of the Red Cross clinics and arrange to have them included in the lodge Bulletin or Notice.

4. Approximately one week before the clinic, the chairman or a member of his committee should telephone each donor and remind him of the date and time of the clinic.

5. Each lodge could conduct their own system of rewards or recognition over and above the district competition.

6. The Blood Donor chairman would have more prestige if he was also a donor. This means it would be better than having the chairman be automatically a line officer and changing each year. Continuity is very important since the blood donor year includes the summer months, which makes the year almost half over when the lodge resumes in the fall.

7. Lodge chairmen could work co-operatively with other organizations within their local communities for more clinic exposure.

8. Thank donor members by all or some of the following suggestions:

- a) Send him a postcard
- b) Thank him personally
- c) Give awards, it could be a very inexpensive design
- d) Report to lodge the recent donors, particularly on special nights.

Mainly, make him feel important. Everyone likes to hear their name recognized.

Respectfully and fraternally submitted.

WM. C. FRANK,
Chairman.

REPORT OF THE REGALIA COMMITTEE

This Report was presented by R.W. Bro. G. E. MacDonald, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacDonald, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of this Committee which will address three aspects relating to regalia.

RECOGNITION OF TWO HUNDRED YEAR OLD LODGES

At the Annual Communication in 1986, the Long Range Planning Committee recommended the adoption of a specially designed distinctive crest to identify members of lodges which will attain the 200th anniversary of their founding.

A brief description of the crest is as follows:

The crest is approximately nine centimeters in diameter with blue embroidery and is to be affixed to the middle of the apron at a point just below the flap. Around the outer rim at the top appear the name and number of the lodge, and the letters G.R.C. appear at the bottom of the circle. In the centre of the crest are two columns from the porchway or entrance to King Solomon's Temple, stylized to suggest the Roman Numeral II, designating two hundred years. On a scroll joining these pillars, which denote stability, appears the year the lodge was established. This tends to give distinction and credibility to a lodge through the years so that a lodge two hundred and fifty years old is easily recognized from a lodge that has just turned two hundred years.

It is recommended that the constitution be amended to entitle a lodge, which has attained its two hundredth year of continuous and active service, to ornament the regalia of its members with such distinctive crest. Notice of motion has been given to this effect.

DRESS AND UNDRRESS REGALIA

In its report to the Annual Communication in 1986, the Long Range Planning Committee questioned the continued availability of full dress regalia and recommended three options for consideration by the Regalia Committee. During the year, additional information was received which warranted a reassessment of the options.

The use of Lurex synthetic thread does not appear to be a favourable option since savings in materials are lost in extra labour required by the thinner thread. Also, artisans capable of doing the intricate stitchery in gold thread are becoming available to the industry in Canada. Furthermore, there is the distinct impression that the current design is favoured by many brethren in this jurisdiction.

It is recommended that the current design of Grand Lodge Regalia remain unchanged.

RECYCLING OF USED GRAND LODGE REGALIA

It has been confirmed that the recycling of used regalia is common practice in many lodges and that procedures are in place in some districts to ensure that used regalia is maintained in a suitable manner and used as required. Most districts purchase D.D.G.M. regalia and, therefore, such regalia should remain in the districts.

It is understood that the repair or refurbishing of regalia is only cost effective if the repair or refurbishing can be completed at 50 per cent or less of the original cost.

It is recommended that:

(a) all districts establish procedures to refurbish, maintain and reuse good used regalia,

(b) all Past Grand Lodge officers (District Deputy Grand Masters and appointed officers) include a codicil in their Wills to direct their regalia back to the lodge or district,

(c) consideration be given to maintaining specific used regalia (eg. Grand Senior Warden, Grand Junior Warden, Grand Chaplain, Grand Registrar) at a centralized collection centre such as the Grand Lodge Building, Hamilton. This type of used regalia may be individually owned. Therefore, it will be necessary to establish guidelines relating to inventory, collection and compensation.

Respectfully and fraternally submitted.

GERALD E. MACDONALD,
Chairman.

CALLED OFF

Grand Lodge adjourned at 12:00 noon.

SPECIAL SESSION

A special session sponsored by The Masonic Foundation of Ontario, with the cooperation of Grand Lodge, was held for the members, guests and the media in the Canadian Room of the Royal York Hotel at 1:30 p.m. Over 2,000 gathered to share in this most enlightening presentation which marked the official launching of the **million dollar funding campaign** to combat the scourge of **Alcohol and Drug Abuse Among Youth** in our society.

CALLED ON

Grand Lodge resumed labour at 8:45 a.m. on Thursday, July 21, 1988.

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. F. J. Satterley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Satterley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Printing and Publications, I am pleased to submit this report to the 133rd Communication of Grand Lodge.

Members of the Committee are R. W. Bro. Earl Rawson, and the undersigned as chairman.

Printing costs for the year are:

Proceedings	\$27,208.47
Printing	\$ 8,445.47

Final audit figures for the year ending April 30, 1988, appear in the Grand Treasurer's Report.

A comparison of the total printing costs for the period of 1986/87 versus 1987/88 is of no consequence as these figures include the non-recurring costs of the District Deputy Grand Masters' reporting manuals.

It is observed that printing costs have increased and this reflects the inflationary pressure of our economy. The cost of postage has increased dramatically.

While a number of publications were sold through the Grand Lodge Offices direct from orders sent in by the Brethren, your Committee, this year, undertook to promote the sale of:

1. "Meeting the Challenge"
2. "Beyond the Pillars"
3. "Glossary of the Work"
4. "Guidelines for the Lodge Officers"

We felt that this set of books, if used by the junior officers, would give them the background knowledge for a successful year for themselves, and their Lodge.

We recorded, with appreciation, the sale of some 1,000 of these fine Masonic publications. The success of this programme was due to the conscientious efforts of our DISTRICT DEPUTY GRAND MASTERS.

We urge that the new DISTRICT DEPUTY GRAND MASTERS CONTINUE TO PROMOTE the sale of these excellent books.

The Committee wishes to express its thanks to the DISTRICT DEPUTY GRAND MASTERS and to their District Chairmen for their efforts and cooperation in the past year.

A special thanks to the staff of the GRAND LODGE OFFICE, and to the GRAND SECRETARY for the help they gave to the Committee.

All of which is respectfully submitted.

FRED SATTERLEY,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario,

Most Worshipful Sir and Brethren:

It is my privilege again this year to submit the report of the Committee on Benevolence to Grand Lodge. I have been pleased to act as Chairman of this Committee for the past seven years and have tried to be helpful to whatever

degree possible in all calls for assistance from Lodges across the Province during that time. I have also been supported by a strong Committee for those years, Masons who care a great deal about the work of benevolence and its function within the Masonic family. I feel, however, that it is time for a change. I had never planned to make a career of this job and have suggested to the Grand Master that it might now be timely for a new Chairman to be appointed following this year's deliberations. Accordingly, I anticipate that this might be my swan song as Chairman of Benevolence.

The work of our Benevolence Committee is important. It is but a small part of the magnitude of overall Masonic charity. The total benevolent grants in our jurisdiction for many years have ranged in amounts of \$60,000.00 to \$90,000.00. Put this in context with the aggregate of Masonic charities across North America which might be in the nature of three hundred and fifty million dollars. I have arrived at this estimate from a paper prepared by the Supreme Council 33° A. & A.S.R., Northern Masonic Jurisdiction, U.S.A., and have no doubt that whatever the amount, the magnitude of overall Masonic charitable support is enormous, both in dollar terms plus, of course, the tremendous number of community involvement services provided by the Masonic fraternity to which no dollar value can be enumerated. In other words, our financial support, while very important to the individual cases we support, is really a drop in the bucket in comparison to the enormous scope of the aggregate of Masonic charities.

It has been a long tradition and well known that a Mason will find assistance forthcoming from his Brethren should it ever be needed, notwithstanding the fact that Masonry has never pretended to be an insurance or protective society. Assistance may take the form of financial aid, usually extended through customary Lodge channels and also may consist of a visitation when ill, advice on personal problems, sympathy during bereavement, help in procuring employment, and so on. The opportunities are endless.

Characteristic of Masonic benevolence is the silence in which it works. No publicity is given to the acts of relief afforded its members by a Master Mason's Lodge. It is a private matter between the Lodge and the distressed Brother and his family. His problems are not broadcast to the outside world and the Lodge neither asks nor expects acclaim for its actions.

I will deal now specifically with the work of our Committee during the past year. Our most important news of the past year has been the arrival of R. W. Bro. Kenneth L. Whiting as our new Supervisor of Benevolence. Ken succeeded R. W. Bro. James Guy who had served Grand Lodge in that office and in other capacities for many years past and took a well earned retirement late in 1987. We were very fortunate indeed to find that R. W. Bro. Whiting was interested in a second career following his retirement from a forty year relationship with CN Telecommunications. He has brought an expertise of communications background that will be invaluable and in his capacity as Supervisor of Benevolence he plays a vital role.

During the past year your Committee adjudicated on more than sixty applications and disbursed a total sum of \$85,000.00 in aggregate to those applicants affected. This compares very favourably with the number and aggregate amount of benevolence disbursed last year and, indeed, has been the pattern of recent years. The largest individual disbursement made has been \$3,500.00. Many have been made of relatively modest amounts. We anticipate 1988/1989 revenues from the Memorial Fund will be in excess of \$90,000.00 and we will continue to exhort all Lodges across the jurisdiction to take ongoing care that there will not ever be a case in their midst which is not brought to our notice so that benevolence can be dispensed wherever it might be appropriate.

Certainly it is well known that there are a seemingly endless number of social agencies providing support to the disadvantaged and in fact it has been said from time to time that the need for Masonic benevolence is diminishing as a result of the network of social support services. Notwithstanding, it cannot be denied that supplementary support, whether it be financial or just supportive in general can add a little light and encouragement to any situation of difficulty whether it be related to health, family and so on. I can think of many cases we have dealt with over the years where a very modest supplement of financial care has brought cheer and a sense of identification of the individual's situation. It is urgently necessary that we continue to remind all Lodges of the importance of maintaining communication with our elderly Brethren, the widows of deceased Brethren and with the family of any Brother where we have had an awareness of difficulty in the past. Benevolence and caring involvement is one of the fundamental precepts of our fraternity.

We recommend that we continue membership in the Masonic Relief Association of the United States and Canada, and that we continue to develop the relationship between our Committee and the Masonic Foundation. The relationship between our Committee and the Foundation has come a long way in recent years and the opportunity for the Chairman of this Committee to dialogue with the Board of the Foundation by being a member ex officio has been invaluable. We have already acknowledged the arrival of R. W. Bro. Kenneth Whiting as the new Supervisor of Benevolence and have been highly impressed at the manner in which he has approached his responsibilities to Grand Lodge. We cannot say enough for the inspired leadership and involvement that is forthcoming from our Grand Secretary, M. W. Bro. Robert E. Davies. We again acknowledge the support of all on our Committee and send a special word of appreciation to the many District Chairmen who have helped look after the process of benevolence over the years. In closing, we also wish to acknowledge the enthusiastic effort of the Grand Master for the interest and support that he has provided to all the Committees of Grand Lodge, including the Committee on Benevolence.

Respectfully submitted.

T. RICHARD DAVIES
Chairman.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. R. Davies, Acting Chairman, on behalf of the former Chairman, R.W. Bro. J. W. Millar, in two parts — A and B — and on motions of the Deputy Grand Master, seconded by R.W. Bro. T. R. Davies, each part together with the Report in its entirety was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Firstly, I wish to record my pleasure in presenting this report on behalf of our recently retired but long-standing Chairman of this Committee, R.W. Bro. John W. Millar. R.W. Bro. Millar has been the Chairman of this Committee for more than twelve years and has served the office with considerable distinction. It has been a pleasure to work under his guidance and in particular, to have had him assist with the preparation and development of the Committee report to follow.

The Committee of Audit and Finance of Grand Lodge has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These reports appear to fully and accurately record the essential details pertaining to:

- (a) The financial position of this Grand Lodge as of April 30, 1988, and the results of its fiscal operations on a cash basis for the twelve-month period ended on that date.
- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period, namely the twelve months ending at April 30, 1988.
- (c) The Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1988.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,816,409. This net balance includes total investments at a cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$107,084 over the same figures of a year ago.

- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$456,414 while disbursements etc. amounted to \$480,989, leaving an excess of expenditures over income of \$24,575. In other words, a deficit in the past year end review of \$24,575.
- (3) Grants for benevolent purposes amounted to \$78,329, a decrease of \$5,195 from a year ago. These grants were paid out of the income of the Memorial Fund.

We consider it appropriate again this year to commend the Committee on Benevolence for the care and responsibility shown in administering the funds under its jurisdiction.

In review of all matters covered in this report, the Committee of Audit and Finance has received the fullest cooperation and assistance from the Grand Secretary and his staff. The cooperation and involvement in preparing this report by the Grand Treasurer is also much appreciated.

The report of this Committee with regard to budgetary requirements and plans during the year ahead requires your careful attention. The report is being presented in two sections this year. Firstly, Schedule A to outline those costs which we estimate will be incurred in the ordinary course of operating the business of our Grand Lodge. Secondly, Schedule B will contain certain extraordinary items of expenditure which the Grand Master proposes be allocated - in addition to the general expenses - during the fiscal year ahead. We must draw to your attention that our estimate of the source of funds during the year ahead is relatively constant to those of the past year and that **without allowance for the extraordinary items** we are already budgeting for a deficit of \$92,725. We also must emphasize the fact that in the year just ended we have incurred a deficit of \$24,575 so that during the two years of 1988 and 1989 we are financing our activities by way of deficits totalling \$117,300. We propose that aggregate deficit be dealt with from the following sources:

1. Application of Cash on hand as of April 30th, 1988	\$ 42,478.00
2. Capital Reduction, i.e. sale of an Ontario Hydro investment due December 1988	\$ 40,000.00
3. Partial repayment of previous subsidies to the Memorial Fund by Grand Lodge	<u>\$ 33,000.00</u>
Total	\$115,478.00

If Grand Lodge proposes to implement the additional disbursements of an extraordinary nature as proposed and as detailed in Schedule B of this report, it will obviously require an **additional draw upon our capital funds** in the amount of very nearly \$80,000.00. We also must observe the reality that a dues increase will be necessary as of 1989 and the extent of that increase will be determined by

whether or not the items contained in Schedule B are approved or otherwise. We will proceed further with consideration of financial requirements during fiscal 1989 and cause the necessary notice of motion at the proper time as it relates to the constitutional requirements re notice of a dues increase. We wish to report that the Grand Treasurer and this Committee have given notice to all concerned that budgetary forecasts must not be exceeded in any way without the prior approval of the Grand Treasurer and the Chairman of Audit and Finance during the year ahead. This has become necessary in view of the precarious deficit financing being contemplated and to ensure that the deficit that is anticipated is not increased further by overruns in any of the expense categories.

In accordance with Sec. 134(c) of the Constitution, your Committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30, 1989. Your Committee believes the estimates of the General Fund Schedule A Disbursements, i.e. \$545,925 to be realistic and to provide for items which might reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year. The items contained in the Request for Supplementary Funding to Cover Expenses of an Extraordinary Nature, i.e. \$45,500 in total, are for the consideration of all members present during the deliberations of Grand Lodge. Obviously, we have already alluded to the fact that approval of the schedule B extraordinary expenses will make it necessary that we withdraw additional capital beyond that already contemplated and reported upon heretofore which, of course, would decrease the availability of future investment income.

We respectfully submit this report on behalf of the Committee.

T. RICHARD DAVIES,
Acting Chairman,
Audit and Finance.

REPORT OF THE COMMITTEE ON PUBLIC INFORMATION AND COMMUNICATIONS

This Report was presented by V.W. Bro. W. N. Buckingham, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Buckingham, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Public Information and Communications Committee has continued to concentrate on assisting lodges to make their written communications attractive, interesting, readable and motivational. In addition, at several District meetings, sessions were conducted on the preparation and delivery of brief verbal presentations and full length speeches.

Moving beyond internal communications, the Committee presented a two part seminar at the 1987 Grand Lodge Communication entitled "Opening Masonic Windows." One section dealt with creating a better understanding of Masonry through the use of open house events. The other gave guidelines on how to gain the cooperation and interest of local news media editors and managers.

A new departure for the jurisdiction was introduced this year in the form of paid advertising. One advertisement, "Setting The Record Straight," was distributed to all lodges for use in local papers at the discretion of the lodges. Production costs were assumed by Grand Lodge and the lodges were offered a partial rebate on insertion costs.

An honour extended to our Grand Lodge and to this Committee was an invitation to present our communication programs to the Grand Masters and Grand Secretaries of North America at their annual meeting in February.

On behalf of the Committee, comprised of R. W. Bro. E. M. Jones and the undersigned, our sincere appreciation is expressed for opportunities during the past year to take some small part in the work of several other Committees, and to assist a number of Districts and lodges.

Respectfully and fraternally submitted.

W. NORMAN BUCKINGHAM,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by V.W. Bro. S. H. Cohen, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Cohen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In our Report of the Advisory Committee on Lodge Finances published in 1983, we identified some of the problems resulting from granting COMMUTED LIFE MEMBERSHIPS as well as problems resulting from holding LODGE BUILDINGS in a name other than a NON-PROFIT NON-SHARE CAPITAL CORPORATION. We have now had a further opportunity to study these matters and after careful consideration, it is our recommendation that:

1. The practice of granting LIFE MEMBERSHIPS by lodges without adequate financial provisions be discontinued and be replaced by a plan providing for the purchase of COMMUTED LIFE MEMBERSHIPS.
2. All lodge buildings be held in the name of a NON-PROFIT NON-SHARE CAPITAL CORPORATION.

Life Membership

To assist lodges in implementing the change to adequately financed "COMMUTED LIFE MEMBERSHIPS" guidelines have been developed. These guidelines set out how to deal with this change during the transitional period, which should be no more than 5 years, in order to ensure that members who **would have** received a Commuted Life Membership during the **transitional period** are not penalized. The guidelines can be revised to meet the particular needs of individual lodges.

The objective is to provide a means for implementing the plan over a 5-year period, after which time Life Memberships without proper financing would be discontinued.

ALL MEMBERS of the lodge should be encouraged to purchase a LIFE MEMBERSHIP during the first year of the plan. However, any member between the ages of 60 to 65 in 1988, who would have been eligible for Life Membership during the years 1988 to 1993 would be able to purchase a Life Membership based on the following payment schedule:

ASSUMPTIONS — Lodge Dues \$60.00

1. Cost of Life Membership (10 X \$60.00)	\$600.00
2. Commutation Fee	<u>30.00</u>
TOTAL COST	<u>\$630.00</u>

PAYMENT SCHEDULE

Eligible in 1988 —	\$ 30 (Cost of Commuted Dues)
Eligible in 1989 —	90 (1 years dues + \$30)
Eligible in 1990 —	150 (2 years dues + \$30)
Eligible in 1991 —	210 (3 years dues + \$30)
Eligible in 1992 —	270 (4 years dues + \$30)
Eligible in 1993 —	330 (5 years dues + \$30)

The plan also provides that all other members can purchase a Life Membership at any time from inception for \$630, or whatever the prevailing fee of the lodge is at any given time.

It may be helpful for discussions in your lodge to set out the advantages of promoting Life Memberships:

- (a) Helps strengthen the financial structure of the lodge by establishing a Life Membership Fund.
- (b) Income from investments of the fund can be used for annual operations of the lodge.
- (c) Suspensions for non-payment of dues will be eliminated.
- (d) The investment of every Life Member will continue to perpetuity.

It should be noted that implementation of this Life Membership Plan requires a change in the By-Laws of the lodge, in accordance with Section 306 of the Book of Constitution.

LODGE BUILDINGS

We strongly urge that all **Lodge Buildings** be held in the name of a **NON-PROFIT NON-SHARE CAPITAL CORPORATION** incorporated under the Corporations Act of Ontario and operated in accordance with the regulations set out for the operation of a non-profit organization.

If **Lodge Buildings** earn income from rental of premises or from a variety of other miscellaneous income projects there may be a question whether the organization is operated exclusively for non-profit purposes. It would have to be shown that the rental income or other miscellaneous income earned has been used by the organization in carrying out its non-profit activities.

Once again we would like to emphasize that your committee would be pleased to respond to inquiries from lodges and welcomes the opportunity of providing assistance. The primary objective of the committee is to help lodges in any way possible to strengthen their financial position.

Respectfully and fraternally submitted on behalf of the Committee.

SAMUEL H. COHEN.
Chairman.

REPORT OF THE COMMITTEE ON COMPUTERIZATION

This Report was presented by R.W. Bro. K. L. Whiting, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Whiting, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to report on the status of the Computerization Committee.

The committee has spent much time analyzing the requirements of Grand Lodge and the probable ways of resolving them.

We have had discourse with M.W. Bro. T. John Arthur and his systems expert W. Bro. John Mansfield on the applications programs in use by the Masonic Foundation of Ontario. They have given demos of their programs and have been gracious enough to provide us with copies of their software, with which we may experiment on my own personal computer, which I have taken to the Grand Lodge Offices in Hamilton until our own system is installed.

We have been very fortunate to have the advice and assistance of W. Bro. Mel Duke in our planning process. W. Bro. Duke has recently completed the computerization of the Grand Chapter Office of Royal Arch Masons of Canada in the Province of Ontario and the system for our Membership Records will be based on the system he designed for them, probably using Dbase IV, which has just been announced.

As noted, we have not put in place a permanent computer system for Grand Lodge as yet. This is due to several factors, not the least of which has been our ongoing negotiations with hardware suppliers. We have felt some of their prices needed massaging; they agreed, however, they didn't use the same masseur we did. It is our understanding from various sources that there will be a readjustment in prices over the next few weeks; in fact, one of our suppliers has already phoned

to advise that IBM has made an announcement of some additional hardware and some downsizing in prices.

With this in mind and our total concentration on preparations for this Annual Communication, we have chosen to wait until August to pursue the acquisition of our hardware. Hopefully, this short delay will result in an actual cost saving.

We have a long way to go before we can proudly say that your Grand Lodge Offices are computerized; the membership records alone have been estimated to take two years to input; however, such important tasks as word processing and accounting will be instituted in parallel.

We appreciate the importance of our task, and in our keen desire to ensure that our work is done right at the outset, we have specifically chosen to make haste slowly.

Certainly Most Worshipful Sir, by the time your term of office nears its completion in 1989, you will be able to say with pride that the Grand Lodge of Canada in the Province of Ontario has indeed entered the 21st century of technology.

All of which is respectfully submitted on behalf of the committee, M. W. Bro. Robert E. Davies, R. W. Bro. Colin Mackenzie and myself.

KENNETH L. WHITING,
Chairman.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. R. Cerwyn Davies, Grand Chaplain, and received the unanimous endorsement of all present.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Upon my ordination into the ministry of the Christian Church, I was given a book entitled, "A Manual For Ministers." Its contents covered every eventuality which someone in my vocation was likely to meet. Thus, when called upon to conduct a wedding, all I had to do was turn to page 9! Likewise there was a page for funerals, etc.! Indeed, clergy regard the "Manual" just like others do their American Express card, thus we never leave home without it! From June 26th, 1951 (the date of my ordination) to February 5th, 1965, (the date of my initiation into Masonry) the "Manual" was my constant companion.

On that wintery night in Grand Valley, Ontario, devoid of light, I was led into Scott Lodge. As I listened to the work being exemplified, the thought came to me, "Gee, these chaps are good readers!" (I recognized the voices even though I could not see that the "chaps" were not reading at all, but had memorized every word). I was impressed!

As I walked home that night from the lodge to the manse, I decided that if, as a Mason, I was expected to perform "the Work" without a book, could I do less for my life's vocation? That is why, since that night, no one has seen me reading a service or ceremony which I have conducted! That was my first lesson in Masonry — DISCIPLINESHIP. In this respect being a good Mason taught me how to be a better minister!

After a few (very few) years, I moved from the "Valley" and, yes, it is confession time, because I became a "hit and run" Mason! (I would hit the Lodge with my presence, and then run away for a few months!). You see, Lodge had become somewhat boring - and I just wasn't getting much out of it. Then, one night, the telephone rang, and I recognized the caller as a Brother from King Solomon's Lodge, Toronto, and also a member of the Board of my former church in Scarborough. "Haven't seen you out in Lodge lately?" "Well, to be honest, I'm not getting much out of it!" I was not prepared for his 'return serve', "How much do you put into it?" All of a sudden I felt knee-high to a grasshopper! The dividends I received, matched the investments I had made! So I learned my second lesson that the greater the investment, the greater the DIVIDENDS. Slowly, my Masonic 'portfolio' began to grow, as I began to progress through the various phases of Masonry until I was afforded the privilege of enjoying a view of the Craft from the East. At this time the yield of the dividends was now at its highest. Or so I thought!

Then our Grand Master, M. W. Bro. William R. Pellow, honoured me by appointing me Grand Chaplain — a confidence which I respect, a privilege which I cherish, and a pleasure which I shall always savour. If previously I had learned the lessons of disciplinship and dividends, I was about to learn the third 'D' which gives Masonry its three dimensional qualities - DEDICATION. This past year for me, has been a sheer eye opener (Most Worshipful Sir, no pun intended!) to travel the breadth of Ontario (in the back seat of a cadillac) to visit Lodges large and small. Although different in size, furnishings, and indeed sometimes, in the performance of 'the Work', nevertheless, there was one quality common to all - dedication to the Craft - from men wearing Master Masons' aprons whose fibres still smelled of newness, to men wearing their 50 and 60 year pins with obvious pleasure. Both, symbols of Masonic pride and dedication. I shall always cherish my year as Grand Chaplain, because I shall from now on view the Craft from another set of 'three great lights' — Disciplinship, Dividends, and Dedication!

To all who served as Chaplains during the year in local Lodges and in the Districts, as well as the Assistant Grand Chaplain, my thanks for your performance and cooperation.

As on that cold night of February 5th, 1965, I felt that Masonry could make of me a better minister, so now, as I vacate the Grand Chaplain's Chair, I believe it has also made of me a better man, to the Honour and Glory of the Great Architect of the Universe, in Whose Name this report is respectfully submitted.

Eternally Yours, Your Brother and Friend.

R. CERWYN DAVIES,
Grand Chaplain.

REPORT OF THE COMMITTEE ON ANNUAL COMMUNICATION SEMINARS

This Report was presented by R.W. Bro. J. W. Auckland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Auckland, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Annual Communication Seminars has organized, for this year, five seminars which will be presented at 1:30 p.m. and 2:45 p.m. on Tuesday, July 19, 1988.

The topics and the seminar leaders responsible for each are:

Lodge Finances	V. W. Bro. Samuel H. Cohen
Lodge Buildings	R. W. Bro. R. Carl Casselman
Condition of Masonry	R. W. Bro. C. Edwin Drew
Office of D.D.G.M.	R. W. Bro. Jack Moore
Office of Worshipful Master	R. W. Bro. George Hinchliff

The Chairman is indebted to the other member of the Committee, R. W. Bro. Gerald E. MacDonald, for his wise counsel and assistance in the organizing of these seminars.

The thanks of the Committee are extended to the seminar leaders and all of the Brethren who assisted in the preparation and presentation of the seminars.

Since the seminars were started there has been a steady increase in interest as shown by the increase in attendance each year. This indicates that the Masons of the jurisdiction are eager to obtain that knowledge which will enable them to operate their lodges in a more efficient and effective manner.

The committee would appreciate any comments regarding the seminars and any suggestions for future topics.

All of which is respectfully and fraternally submitted on behalf of the committee.

JOHN W. AUCKLAND,
Chairman.

REPORT OF THE GRAND HISTORIAN

Due to a serious illness currently plaguing R.W. Bro. D. J. Broomhead no report was received from the Grand Historian.

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. J. A. Irvine, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee hereby presents the Report of the Committee on Awards covering the immediate preceding twelve-month period.

Again, we have had numerous pleas for recognition of this prestigious award, the William Mercer Wilson Medal. You must all agree with us that this award be kept extremely exclusive. During the past year your Committee has approved six petitions. All are listed in the Grand Master's Address.

It is unfortunate that so many of those applying do not follow the rules laid down in 1945, which are available from the office of the Grand Secretary, upon request. We feel that we have unintentionally denied this honour to some worthy brethren simply because the regulations were not observed. We particularly refer to clause 5 of the format:

5. A STATEMENT OUTLINING WHAT THE LODGE ITSELF HAS DONE TO RECOGNIZE THE SERVICES OF THE NOMINEE.

This seems to be the greatest stumbling block. Many of these petitioning lodges have done nothing.

Your Committee feels that under these circumstances that we as a Committee should be empowered to hold certain petitions in abeyance pending a letter from the Grand Secretary to the Secretary of the petitioning lodge pointing out the shortcomings, not promising approval, but making sure the petitioning lodge correct any omissions in this respect. In this way we feel more appeals would be approved, and many worthy nominees would be considered more judiciously. It seems sad to penalize a worthy nominee for someone else's shortcomings.

Your Committee extends our thanks to the Grand Secretary and his staff for their prompt and courteous assistance.

Fraternally submitted.

H. O. POLK.
B. B. FOSTER.
J. A. IRVINE (Chairman).

All of which is fraternally submitted.

JOHN I. CARRICK,
 Chairman.

The Grand Master declared the above brethren duly elected.

THANKS

The Grand Master extended his sincere thanks to R.W. Bro. J. I. Carrick, Chairman of the Committee of Scrutineers, and V.W. Bro. K. Schweitzer, Chairman of the Committee on Credentials, and their committee personnel for their devotion to their work.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. H. O. Polk, seconded by M.W. Bro. B. B. Foster and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

The traditional report on the Grand Master's Address on behalf of the Past Grand Masters has been assigned to me, for which I express my sincere thanks to M.W. Bro. Pellow.

The Address is testimony to the enthusiasm and energy the Grand Master has exemplified throughout the year in an attempt to strengthen the fraternity by various means, to lead Ancient Freemasonry in the great Province of Ontario into the last decade of this century with renewed direction and course.

This Committee acknowledges and offers profound thanks to the Grand Master for his recognition of and generous remarks relative to the Past Grand Masters.

In particular, we commend him for his tribute to M.W. Bro. James Noble Allan (Grand Master 1965-67) who resigned from the office of Grand Treasurer in early 1988. Highly esteemed throughout Ontario, our Brother contributed many years of devoted service to Grand Lodge while a member of the Provincial Cabinet, Government of Ontario. For the four years this remarkable man occupied the offices of Deputy Grand Master and Grand Master, he concurrently held the burdensome portfolio of Treasurer of Ontario, Government of Ontario.

Moreover, the Grand Master merits special thanks for recognition of M.W. Bro. Norval Richard Richards having been honoured as a recipient of the "Ontario Ministry of Agriculture and Food Medal" by the Ontario Government.

May these two stalwarts of Grand Lodge be blessed with many years of good health and contentment to continue their services to mankind.

Your Committee expresses appreciation for the Grand Master's remembrance of members of Grand Lodge and loved ones who have been called from our midst to final rest. R.W. Bro. Wallace M. Secord, Past District Deputy Grand Master of Niagara District A, and a devoted member of the Board of General Purposes of Grand Lodge at the time of his passing away, merits special mention. The thoughtful notation by the Grand Master on the death of the late Margaret Wright, beloved wife and lady of M.W. Bro. William Lockridge Wright, Dean of our Past Grand Masters, affirms the Masonic tradition of concern for other people. The memory of this gracious lady will linger in our hearts as one of God's faithful servants.

This Committee prescribes sympathy to families, friends, colleagues and associates of departed Brethren in this jurisdiction, as well as throughout the Masonic globe.

The various captions under the heading of "New Ideas" represent, for the most part, the Grand Master's programme for his two-year mandate of office. The necessity of reasonable brevity with respect to this report prevents comment on each individually. Presently, some are at the investigative level, others under Committee research, while others will require prior legislation by way of constitutional amendment before implementation.

Worthy of special mention are the new pamphlets "A GUIDELINE ON DISCUSSING MEMBERSHIP IN MASONRY" and "MASONIC CHARITY," and the revision of the Grand Lodge Memorial Service and the "0" Booklet. The making available of this printed material will assist the lodges immensely.

The Grand Master is deserving of praise for his appeal to Worshipful Masters and Lodge Secretaries to upgrade the format, quality, and content of the lodge summons, as well as to improve the physical condition of lodge halls, exterior and

interior. This urging will surely instill increased interest in more members with respect to the activities of their lodges, and pride in their renovated Masonic premises.

The Committee on the Address confirms and approves the following actions by the Grand Master:

1. The reappointment and appointment of R.W. Bro. T. R. Davies and V.W. Bro. Samuel Cohen respectively, as honorary members of the Board of General Purposes, provided for by virtue of Section 131(e) of the Constitution.
2. The appointment of M.W. Bro. A. Lou Copeland, P.G.M., as Grand Treasurer to complete the term of office of M.W. Bro. J. N. Allan.
3. The appointment of R.W. Bro. K. L. Whiting as Assistant to the Grand Secretary.
4. The recommendations of the several Grand Representatives from and to Grand Jurisdictions with which Grand Lodge is in amity.
5. The appointment of four (4) Grand Stewards between the 1987 and 1988 Communications of Grand Lodge, and who we feel certain are worthy, and that they be awarded Past Rank.
6. The recommendation of Past Rank for five (5) Brethren who for valid reasons do not qualify for the rank of Past Master.

Your Committee thanks the Grand Master for acknowledgements of service rendered by faithful servants of Grand Lodge throughout the past and in prior years:

1. R.W. Bro. J. W. Millar, Vice-President of the Board of General Purposes, relative to his resignation as Chairman of the Committee on Audit and Finance.
2. R.W. Bros. William Finlay and Earl Jones who have determined not to seek reelection to the Board of General Purposes at this particular time.
3. R.W. Bro. James Cameron Guy, Assistant to the Grand Secretary, on his retirement from employment on the Grand Lodge office staff.
4. The District Deputy Grand Masters, members of the Board of General Purposes, the Grand Secretary and his staff, the Worshipful Masters and officers of the constituent lodges.
5. R.W. Bro. David James Broomhead, Grand Historian, who has suffered a stroke.

In a united voice we say "thank you" for your individual contributions to our beloved Craft.

The Committee joyfully congratulates:

1. The six (6) worthy recipients of the William Mercer Wilson Medal.
2. Strong Lodge No. 423, Sundridge (Muskoka — Parry Sound District), and Stanley Lodge No. 426, Toronto (Toronto District 1) for their approaching 100 years of active existence. May each member wear the distinctive gold braid with pride, mindful of the heritage passed on to them by their forefathers.
3. Hammond Lodge No. 327, Wardsville (Chatham District) on having its new premises dedicated by the Grand Master on April 30, 1988.

We note, with gratitude, new facilities are currently under construction to provide a new Masonic home for the lodges in Oil Springs (Sarnia District) and Gore Bay (Muskoka — Parry Sound District).

A careful examination of Appendix I to III of the Address will confirm the Grand Master has been unusually active throughout the past year, attending District Receptions; Anniversary and Centennial Celebrations; visitation to Grand Lodge Communications; Conferences in Canada and the United States, and to other Masonic bodies. This itinerary must surely have been burdensome and demanding on the strength of the Grand Master.

This Committee wishes to congratulate and thank M.W. Bro. Pellow on the detailed accounting of this stewardship and wish him, and his lovely lady Leitha, the necessary strength and courage to continue dynamic leadership of our Craft as he embarks upon the final year of his administration.

Respectfully submitted on behalf of the Committee.

HOWARD O. POLK,
Chairman.

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. N. R. Richards, President, presented the following report, and on motion, seconded by M.W. Bro. W. K. Bailey, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present to you the Report of the 25th Annual Meeting of the Masonic Foundation of Ontario held on July 19, 1988, at the Royal York Hotel, Toronto, Ontario. Although the members of the Foundation meet but once a year, this report provides an opportunity to document the actions and decisions of the Foundation since our last Annual Meeting. The Mechanics of operation of the Foundation do not lend themselves to easy communication with the members of the Craft. The Foundation recognizes the importance of the District Deputy Grand Masters and the Worshipful Masters to dialogue with brethren about the purpose and programs of the Foundation. To this end each District Deputy Grand Master and each Worshipful Master receives a copy of the Annual Report of the Masonic Foundation of Ontario and the Financial Statements of the past fiscal year and are requested to communicate the information to the Brethren.

The Foundation is ever conscious of the objectives contained in the Act by which it was established in 1964 which are to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario. A purpose of this report is to advise the membership of the programs of the Foundation, to communicate not only to Masons but to all people in the communities where we live about our activities so that they may better understand and appreciate our presence in their midst. If Masons are seeking a window through which to project their concerns about people and the action being taken, the Foundation provides it. Are we using it?

Your Directors met on September 19, November 7, March 15 and April 16. For the first three meetings we enjoyed the facilities of Pellow Associates in Toronto and of Grand Lodge office, Hamilton, for the April meeting. The Foundation activities found expression in projects such as:

- 1 — Bursary Program
- 2 — Hearing Research
- 3 — Voice Program
- 4 — Autistic Homes
- 5 — District Programs
- 6 — Youth Programs
- 7 — Fund Raising Program for 1988-89

I shall comment briefly on each of these projects. I am sorry that time does not permit giving to each project the attention it deserves. Should you wish further information I urge you to get in touch with the director(s) associated with a particular project.

The Bursary Program:

The Bursary Program is a long standing project. We are indebted to Vice President Wallace E. McLeod for the oversight of this important activity. We are particularly fortunate that Professor McLeod, a faculty member of Victoria College, University of Toronto, brings to the bursary program a feeling and understanding of the need for financial assistance for post secondary students. He reports as follows:

Once again your Committee on bursaries has had a successful year. During the first ten months we disbursed more assistance than ever before, but it was not enough. The budgeted funds were gone, and cries for help were still coming in. The life of a student is not just a bed of roses, and it can become unexpectedly complicated. Some parents cannot assist their children and others will not. Jobs are scarce, competition is tough, living expenses are higher than ever before, university and college bursary funds have not kept pace with inflation, and unexpected emergencies are bound to occur. Because the need was so great, we were on the point of committing much of next year's budget to meet it, when the Directors authorized an extraordinary one-time supplement to bring us up to date. Altogether, including this supplement, between May 1987 and 30th April 1988 the Masonic Foundation of Ontario awarded bursaries to 131 students in 37 post-secondary educational institutions, with an aggregate of over \$62,000 — a record which is not easy to beat. Of all the province-wide privately funded bursary programs that are designated to help students, ours is probably the best, the fairest, the most expeditious in rendering aid, and certainly one of the most generous. It deserves our continued support.

Hearing Research:

Director Dr. Alan N. Newell liaises with Dr. R. V. Harrison of the Hospital for Sick Children on the Hearing Research Project. Dr. Harrison indicates that at Sunnybrook Hospital Dr. Julian Nedzelski has been active in assessing potential candidates for future implantation program and an audiologist has been taken on who will deal specifically with cochlear implantations, both in pre-operative assessment and in post-implantation testing and rehabilitation. One is encouraged with the possibility that in choosing recipients for implantation, children will be given a priority. Dr. Harrison reports that on the research side good progress is being made in the assessment of electrical stimulation of the auditory system in animal models of hearing loss.

Further financial assistance is requested from the Foundation to support deafness research.

Voice Program:

Vice President Frank J. Bruce is the Director associated with the Voice Program. He reports as follows:

This program has grown rapidly throughout Ontario. The Executive Director, Rosemary Pryde, expresses the thanks of VOICE to the Masons of Ontario for their continued support. Chapters are now operating in Toronto, Ottawa, Timmins, North Bay and the latest in London.

Special thanks to R.W. Bro. Ronald Campbell of Ottawa District "I", who headed a drive and raised over \$10,000 for the Ottawa Chapter of VOICE. Frank J. Bruce attended to represent the Foundation. It was a delight to hear children from the age of 5 years to 10 years speak of their experience in the program and to show the results as they spoke on their world of yesterday, today and tomorrow. It is indeed a great credit to their therapist and teachers who devote so much time and dedication to the children. Thanks also to V.W. Bro. Wayne Nelson of Englehart who is in the middle of a fund drive for the Timmins Chapter. A job well done by all. It is appropriate to make special note of the parents of these children who give so much of their time and money not only for their own but for the overall good of VOICE FOR HEARING IMPAIRED CHILDREN.

Autistic Homes:

Director C. John Woodburn serves as liaison officer to the Foundation on Autistic Home Project. It is gratifying to note that early this year a plaque was received from those responsible for Kerry's Place expressing thanks to the Masons of Ontario for their continued financial support to the Autistic Homes Project. The program has shown positive results to the extent that the Social and Welfare Services of the Provincial Government recognizes that the kind of work done at Kerry's Place can be used throughout Ontario. It shows that those affected with Autism can find a place in the business world. For example, participants of the program are involved in the purchase and operation of laundry marts in Orangeville and Tweed. We are proud to be associated in projects that help to rehabilitate young people and give them purpose and capability to become absorbed into the life of the community of which they are a part.

District Programs:

It is encouraging to recognize increased activity at the District level. The disbursement of a total of more than \$148,000 is a positive indication of the interest by the Masons of our Grand Jurisdiction to share concerns of their community. Directors William J. Finlay, Dr. Alan N. Newell, W. Lorne Pacey and Edsel C. Steen served as liaison officers for the projects in their particular areas. Directors T. John Arthur and William K. Bailey liaised particularly between the projects in the Toronto Districts and the Foundation.

The varying areas of interest and concern are reflected in the following summary of District Projects by Secretary-Treasurer, T. John Arthur:

"Two Districts provided support for two homes for distressed or battered women. Two Districts provided support to the Voice for Hearing Impaired Children Program in their area. Wilson District chose to support a local Association for Mental Retardation. Toronto District 2 "86" gave a very substantial contribution to the Arthritis Society of Canada for research purposes. Toronto District 2 "87" and Toronto District 5 "87" provided funds for the Ontario Lupus Society. Grey District provided funds for a family which received a serious setback as a result of a car accident, the result of which left Mrs. Curtis in a state of coma for many months. Mrs. Curtis has since passed away. Five Districts provided support to local hospitals. Windsor District in memory of the late M.W. Bro. Dr. George E. Turner, provided funds to a new Chronic Care Hospital for a common area where patients can visit with their families. Toronto 1 raised funds for an experiment for teenage treatment as outpatients (children from out of town) who can with the cooperation of hospital volunteers live independent of the Hospital. The experiment is working well. The other Districts provided funds for a variety of hospital equipment.

Appreciation:

It would be inexcusable if I neglected to single out certain Brethren who have contributed to the Foundation through their interest, support and encouragement. The Grand Master, Dr. William R. Pellow has been generous and positive in supporting the purpose and program of the Foundation. This encouragement found expression in a tangible way when he presented the Foundation with \$12,000 which he accepted from the "72" Worshipful Masters with whom he associated. This gift was given as "seed" money for the forthcoming Special Fund Raising Project. The contribution of the Secretary-Treasurer, T. John Arthur, is first rate and we are deeply indebted to him.

Time brings change and it is with regret I report that William J. Finlay is retiring from the Board of Directors. He shared his competence and commitment generously with us and was an effective liaison person between the activities in the eastern area and the Foundation. We appreciate and value the contribution of the ex-officio Directors, the Deputy Grand Master, David C. Bradley, and the Chairman of the Committee on Benevolence, T. Richard Davies.

The programs of the Foundation depend largely upon the generous financial contributions of the brethren. For this we are proud and thankful. During the year we were able to develop an arrangement whereby Mr. John M. Boersma made the use of \$25,000 available to the Foundation. The generous gifting through bequest and other funding is gratefully acknowledged.

The 25th Anniversary Project:

I choose to close this Annual Report with special reference to a recommendation from the Annual Report of a year ago. The Board of Directors recommended to the membership of the Masonic Foundation of Ontario that Grand Lodge approve for July 1988 a one million dollar Capital Fund Raising Project to establish in Ontario communities a support network for addressing problems of youth and drugs. That recommendation was approved and in a matter of hours the fund raising project will be launched.

The responsibility of choosing a particular subject that is appropriate and acceptable to a jurisdiction as far flung geographically as the Grand Lodge of Canada in the Province of Ontario presents a very real challenge. Much thought, dialogue and deliberation have gone into the process of selection. We are especially grateful for the help and guidance of persons who have been closely associated in an active way with progress designed to help young people who are struggling with problems related to the use of alcohol and drugs. Fred Burford, Walter Cebrynsky and Judy Bowman shared with us their first-hand knowledge from the organizations with which they are associated. In the days ahead you will hear more about why this particular project was chosen and how our network of lodges and members from north to south and east to west, from rural and metropolitan areas, may become involved in a positive way.

You can appreciate that the organization from this project has received priority attention by the Board of Directors. Under the Chairmanship of Ex-officio Director, Deputy Grand Master, David C. Bradley, a task force sought a volunteer to chair the Special Fund Raising Project. The Foundation is delighted that James T. Cassie accepted the Chairmanship of the project. Mr. Cassie, along with T. John Arthur, Frank J. Bruce, Lloyd R. Bittle, Donald A. Fear and Duncan J. McFadgen comprise the Fund Raising Committee.

The Campaign will be officially launched on Wednesday, July 20, at 1:30 p.m. in the Canadian Room of the Royal York Hotel. The Foundation is indebted to Director C. John Woodburn for organizing the event of the launching program.

This promises to be an historic occasion on the eve of the 25th birthday of the Masonic Foundation of Ontario. The Masons of Ontario have a long and distinguished record of being charitable to help the needs of others. Using our resources, our lodges and our members, we will be able to provide help and assistance to young people, boys and girls and men and women, to wrestle with and overcome the ravages of drug and alcohol use. The Masonic Foundation of Ontario asks you to form an indivisible chain of network support and help in a worthy cause. This will be a satisfying experience.

Presented on behalf of the Board of Directors: T. J. Arthur, W. K. Bailey, D. C. Bradley, F. J. Bruce, A. L. Copeland, T. R. Davies, W. J. Finlay, W. L. Pacey, Dr. A. N. Newell, W. E. McLeod, N. R. Richards, E. C. Steen, C. J. Woodburn.

Respectfully submitted.

N. R. RICHARDS,
President.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented to R.W. Bro. R. S. Throop, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasant task, as Chairman, and on behalf of the Committee, to report to you on the activities of the Grand Lodge Library.

The members of the Committee are: R. W. Bros. Wayne E. Elgie, James A. J. Hughes, George W. Kerr, and Jacob Pos.

We are pleased to report that there was a modest increase in the number of visitors to the Library during the past year. The number of books borrowed by the brethren is encouraging indeed, being more than double the number a year ago.

This increase in usage is most gratifying and can perhaps be attributed, in no small measure, to the excellent programmes being promoted by the Masonic Education Committee under the chairmanship of R. W. Bro. James A. J. Hughes, and to the study courses in the "College of Freemasonry".

The Library, like any other service, is only of value if it has people dedicated to meeting the needs of its users. In this regard we have been fortunate to be able, once again, to call on the willing contribution of time and effort by our volunteer staff under the co-ordination of R. W. Bro. George Wilkes of Dundurn Lodge No. 475. Our thanks to the following volunteers for their hours of service: Bros. Cliff Tootell, Chester Anderson, David Gordon, Harold Prowse, Bob Showkenik, Les Reid, Fred Scott, Cy Carr, Charles Nicholson, Robert Faulds, Jim MacKenzie, and those who may have relieved from time to time.

Brethren from every part of this Jurisdiction are availing themselves of our "mail-out" service. Just how far afield our service is extended may be seen from the following:

"We really appreciate being able to use them (tapes) as they were very helpful in our Program of Masonic Education in the Rio Grande Valley."

— signed W. M. Gower, Grand Orator,
The Grand Lodge of Texas A.F. & A.M.

We acknowledge, once again, with thanks, all contributions of books received throughout the year. We also welcome all suggestions in regard to books, periodicals, etc. that you feel might be an asset to our collection.

To the D.D.G.M.s. and their Committee Chairmen, our thanks for your support and promotion of the Library. It is only by your continuing efforts that the Library can succeed in being the vehicle for the advancement of Masonic knowledge that it has the capability for.

As always, the Grand Secretary and his staff have been more than willing to provide advice and assistance. Our thanks for their efforts — it is much appreciated.

Brethren, there is a wealth of Masonic knowledge available in the books and tapes of the Grand Lodge Library. A brief note or phone call will bring a willing and prompt response to your request. It is your Library - use it.

Respectfully and fraternally submitted on behalf of the Committee.

ROBERT S. THROOP,
Chairman.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. H. Neil Britton, Acting Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Britton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A. F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to submit this Annual Report on behalf of the Long Range Planning Committee. The Committee includes: R. W. Bros. C. S. Brooks, A. R. Burgess, L. G. Byers, W. J. Finlay, E. M. Jones, G. E. MacDonald, J. C. Piper, W. E. Rawson, D. G. Walker, S. R. Whiteley and the writer. We were fortunate in having R. W. Bro. D. C. Bradley present at most of our meetings.

The Committee is sorry that R. W. Bro. Finlay was unable to continue actively as Chairman. His untiring efforts at the beginning of the year were the basis of any success we may have had, and our appreciation and future good wishes are extended to him.

Six meetings, together with much work in between, centred on the following subjects, as indicated:

District Restructuring

The need for restructuring a number of Districts was identified last year. The White Paper — Redistribution of Masonic Districts in the Province of Ontario, presented by M. W. Bro. W. R. Pellow, G.M., was prepared and distributed by the Committee to the Districts and Lodges by mid-November. Replies and comments were received from Districts, Lodges and individual members. The magnitude and nature of the response was such that the Board of General Purposes, on January 9, 1988, decided that the timetable could not be met. It is understood that the District Deputy Grand Masters agreed to submit their respective proposals for restructuring before leaving office in July, 1988. It is further understood that following study of the proposals received, a District Restructuring plan will be prepared and submitted to the Districts and Lodges for consideration at the Annual Communication of Grand Lodge in 1989.

Regalia

Because regalia represents such a significant portion of the costs incurred by a District, it is of particular interest to the Committee in its consideration of District Restructuring. Accordingly, a significant amount of time was allotted to the investigation of ways and means of keeping these costs manageable. Fortunately R. W. Bro. MacDonald, the Chairman of the Regalia Committee, is also a member of our Committee.

Computerized Voting

The topic of earlier reporting of election results at the Annual Communication of Grand Lodge led to the investigation of computerized voting. The Committee is grateful for the cooperation of R.W. Bro. K. L. Whiting, Assistant to the Grand Secretary, in attending a meeting when this was discussed. While this method of voting appears premature at this time, it is recommended that the Committee on Computerization of Grand Lodge address the future availability of Computerized Voting being handled by the Grand Lodge computer.

A further discussion ensued regarding the type of computer as well as software programs under review by Grand Lodge. This Committee recommends that Grand Lodge keep the districts and lodges informed of its equipment and programs to ensure compatibility and communication between them.

Grand Lodge and District Long Range Planning Committees

While Long Range Planning Committees have been appointed by the Board of General Purposes annually since 1979, the Committee agrees that it would be in the best interests of Freemasonry for each District to have such a Committee. However, it is advisable that they have some measure of continuity and that the terms of reference and their method of appointment be defined. To this end the following is recommended for consideration:

(A) Grand Lodge Long Range Planning Committee

1. APPOINTMENT

That a Grand Lodge Long Range Planning Committee continue to be established and appointed by the Board of General Purposes; and further, that consideration be given to establishing it as a Standing Committee.

2. PURPOSE

The Grand Lodge LRPC shall discuss, consider and identify subjects of a long range nature which may affect Freemasonry in our Grand Jurisdiction. In so doing, it shall review and assess future requirements of The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario. It shall have a high degree of flexibility in recognizing topics which might affect all members of the Craft and the well ruling and governing of our Grand Jurisdiction. While much information and opinions may be gathered and developed respecting subjects identified for long range action, the implementation of any action required will normally rest with others as determined by the Board of General Purposes.

3. REPORTING

The Committee shall keep Minutes of its deliberations and shall submit a report annually to the Board of General Purposes with its recommendations.

4. STRUCTURE

The Committee will comprise nine (9) members, each serving a term of three (3) years of whom one third or three (3) shall be appointed each year. Any Term of office may be terminated by a request in writing by either party. In addition to the above the Deputy Grand Master shall be ex-officio, a member of this Committee.

(B) District Long Range Planning Committee

1. APPOINTMENT

That a District Long Range Planning Committee be appointed by the District Deputy Grand Master.

2. PURPOSE

The District LRPC shall discuss, consider and identify subjects of a long range nature which may affect Freemasonry in our Grand Jurisdiction or in the District.

3. REPORTING

The Committee shall keep Minutes of its deliberations and shall submit two (2) copies of its report annually to the District Deputy Grand Master, who will forward one (1) copy to the Grand Lodge LRPC.

4. STRUCTURE

The Committee will comprise six (6) members, each serving a term of three (3) years of whom one third or two (2) shall be appointed each year. Any Term of Office may be terminated by a request in writing by either party.

Every organization, to be successful, must have a clear understanding of its objectives. With these in mind, plans must be prepared and continually updated as to how to meet those objectives. When accepted, the plans must be implemented.

We believe that while our Committee fulfils a useful role, its function will be improved as District Long Range Planning Committees are established throughout the Jurisdiction and the plans proposed by the Grand Lodge Long Range Planning Committee will have the benefit of a much broader basis of input. Plans so developed should have a high level of acceptance and their implementation facilitated.

The Committee is confident that Freemasonry will continue to meet the challenges and fulfil its purpose in our ever changing society.

Respectfully and fraternally submitted on behalf of the Committee.

H. NEIL BRITTON,
Acting Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master and the Grand Lodge of A.F. and A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Since 1855, the duty of this Committee has been to carefully review all Proceedings laid before it by the Grand Secretary, and to report accordingly to Grand Lodge. Being in amity with over 125 Grand Lodges throughout the world, and receiving the Proceedings from most English speaking jurisdictions, affords the reviewer the opportunity to interpret the pulse of global Freemasonry representative of over five million regular masons. Due to space limitations many items of great interest have had to be left out. It is our hope that if through these brief reviews you wish for further knowledge on a highlighted topic, that you will request the copy of the specific Proceedings from the Grand Lodge Library 361 King St. West, Hamilton, Ontario L8P 1B4 and do your own research on the subject. All Proceedings received along with back copies of the past three years, are available upon request.

Most Grand Lodges are facing declining memberships for various reasons, many of which are common throughout. Remedial strategies are abating those losses. None are addressing it any more vigorously than our own Grand Lodge. However, significant growth and development continues in areas such as India and China.

Like any craft lodge, as goes the Master so goes the lodge; similarly throughout Grand Lodges it would appear that as goes the Grand Master so goes that Grand Lodge. The freshness of the new ideas these leaders bring to our brotherhood is exemplary of their vision, dedication, and commitment. The more successful and progressive Grand Lodges seem to have strengthened their positions through well researched five - and ten-year long range planning, not by crisis response management.

Obviously, the place one begins a career will always hold special in one's heart. Job's Daughters, Rainbow Girls and DeMolay offer a great place where future leaders, future supporters and future masons can be trained. They represent the finest character building organizations and offer one of the possible answers for future membership in the masonic fraternity. However, reports continue to indicate that in general lodges do not support these youth organizations with adult leaders.

In many instances Masonry has not been holding its own against the negative attitudes of apathy, indifference and impassivity. Some lodges have had no petitions for more than two years. Some have a waiting list of twenty plus candidates. Why? Consolidation of small lodges can be seen as a strengthening factor. There are so many bright spots noted which are most encouraging and which take some of the sadness and sting out of the low points. With good leadership, interest, enthusiasm and commitment, more and more lodges are

regaining prominence in their communities and adding masonic flavor to local activities. These four ingredients are necessary for the success of any venture, but are absolutely vital to every masonic lodge.

During the year, we have reviewed some 60 copies of Proceedings that were sent to the Grand Secretary's office. The table of contents provides easy access to those Grand Lodges incorporated in this year's presentation.

ALBERTA - 1987

Grand Master - M.W. Bro. Norman E. Oslund
156 Lodges plus 1 U.D. 3 Amalgamations Membership 13,055

The Grand Master's theme "Freemasonry: Our Guide for Living" was the focus for the year. He recalls how in our world of turmoil man is born with some very basic needs: to express himself; to have someone listen to him; to create; to help others while he helps himself; to love and be loved; to have hope for success, reward, acceptance and in such pursuit must have faith in God, faith in himself and faith in mankind.

Suggestions by the Grand Master include:

- developing a manual for the Investigating Committee
- erecting signs to let travelling Masons know when and where Lodges meet
- supplying small town newspapers with pictures and information to stimulate interest in Freemasonry.

52 Bursaries of \$900 each were awarded from the Higher Education Bursary Fund supported by each constituent lodge. A representative award was made for the first time at the Grand Master's Banquet. The Brethren were cautioned by the Committee on the Grand Master's Address that raffling and gambling for the purpose of putting funds into the Bursary Fund was wrong and unmasonic. Masonic charity should be individual and not organized.

Grand Representatives must sign a register. Three missed Annual Communications in a row results in forfeiture of appointment. "That pictures, either still or moving, may not be taken within any Masonic meeting until the meeting is ended and the V.O.T.S.L. is closed," was a ruling of the Grand Master. One motion at Grand Lodge that "Each District shall have a District Representative who will serve as the district's representative on the Board of General Purposes," was defeated.

The Conference of Grand Masters In North America was hosted by the Grand Lodge of Alberta on February 15 through 18, 1987, for the first time outside of United States. Our Grand Master, M.W.Bro. A. Lou Copeland was Chairman of the auspicious successful event. In preparation for the 1988 Olympics, a Committee was struck with the purpose to provide: a) an access of information; b) emergency assistance; c) fraternal fellowship to all visiting Masons in Calgary and area during this world famous event. All craft lodges in the Calgary area were to be coordinated to highlight special lodge activities during the month of February. Grand Lodge media liaison with their communications expertise were available to assist any Grand Lodge Officer who may be requested to give an interview.

A new Charter was granted to Ye Olde Craft Lodge U.D. The institution of a Daylight Lodge in Calgary was recommended. From the Research and Education Committee report it was quite evident that lodges actively pursuing educational programs were generating interest among their members by making them better

informed and consequently more effective Masons. The Proceedings appear to have been produced by the word processing equipment of the new computer in the Grand Secretary's office.

"Brotherly Love Exemplified: The Freemason As a Role Model" is the theme of the newly installed Grand Master - M.W.Bro. Robert E. Juthner. "The Freemason must be a role model for all. As we, as Masons, are supposed to be BUILDERS, not just maintenance workers, remember that simply maintaining the status quo does not achieve our aims. We must intensify our own work on the Ashlar to achieve that great end."

The Grand Master's theme - "A Year of Action" was such within this jurisdiction. "Although Masonry is not without its critics, by each individual Mason actively practicing Freemasonry, by presenting a positive image within our communities, our Churches, our work place and especially within our family structures, we can effectively combat and answer such critics. The challenge rests with each Master Mason. You and you alone bear the burden to ensure the future of the Craft. Be positive, be active, but most of all be proud to be a Freemason. We need no better objective to defeat the critics of Freemasonry."

The Grand Master commended the many Brethren involved in the presentation of summer lodge meetings held weekly in Freemasons' Hall during Expo 86. Average attendance was just over 100. He also attended the special meeting of the Daylight Lodges of North America at Meridian Lodge No. 108 on July 26.

The fifth annual Grand Masonic Day, an annual educational seminar, was held in Vancouver where a wide variety of optional topics was presented to new lodge officers and Master Masons. Several regional mini-Masonic Education Days held throughout the jurisdiction addressed similar topics. The Committee on Education and Research finds it is now shifting to an emphasis on being a resource agency providing new ideas, topics for talks, and a forum for the exchange of programme ideas for Masonic Education, rather than merely providing support and encouragement.

Favourable progress is being made in the computerization of the accounts of Grand Lodge. All lodges are participating in the "Comely Programme". Per capita fee is \$9.00 annually. A Masonic Building Fund was created by transferring \$100,000 from the Contingency Fund to be used for assisting Lodges or their building companies experiencing grave financial difficulties, in maintaining their Lodge premises and properties, through an interest bearing loan. 162 deserving post-secondary students received \$34,425 from the Masonic Bursary Fund.

A resolution dealing with the relocation of the physical penalties from the Obligations was withdrawn by order of the Grand Master. Role expectations of Grand Representatives were outlined in an amendment to the Constitution allowing the Grand Master to recommend forfeiture if the Representative fails to attend three consecutive Annual Communications.

The Award of the Order of Meritorious Service established in 1958 is presented for exceptionally outstanding service to the Craft, far beyond the usual duties and responsibilities of an officer or member. It has only been presented once. However, reviewing the multitude of contributions, achievements and services over the past half century of senior past Grand Master Dr. Richard G. Large, there is now a second recipient. At age 86, Dr. Large continues his service as organist of his lodge.

The Masonic Enhancement committee approved 2 loans for lodge improvements, as well \$50 to each of the successful participants in the Speechcraft classes. Additional grants were made to the Associated Arts Festival and to a lodge musical scholarship. Lodge name signs purchased from Claude Neon (\$38,623) were made available for installation on free standing lodge halls.

Five regular meetings of the Board of General Purposes addressed many topics. The inevitable shifting of population throughout Manitoba necessitated the termination of one lodge and two amalgamations. Suitable computer equipment for administrative purposes was purchased for the Grand Secretary's office. It would appear that through its use, considerable savings were made in printing the Proceedings. The Counsellor Program, somewhat similar to our Mentors Programme was adopted. A Past Secretary's Jewel is now an approved item of regalia. Bylaws of a District must be submitted for approval by the Grand Master. The per capita levy was increased by 50 cents to \$15.30 annually. Elected members to the Board serve for a three year term.

A Master Mason exchange program whereby a Master Mason is selected by his lodge to prepare a short masonic talk, to be presented to another lodge, with a Master Mason of that lodge doing the same, is on the horizon. Each speaker is accompanied by a number of his lodge brethren when he makes his presentation.

"The Challenge of Change" was the keynote address at the Fourth Annual Workshop, a three day retreat held at a private resort in Gimli. Meals, accommodations and a wide variety of masonic subjects and officers' responsibilities were enjoyed by 165 members from 55 lodges for a registration fee of just \$65.

The Condition of Freemasonry report encourages lodge "Open Houses" where brethren invite their non-masonic friends to a social evening at which well skilled brethren share Freemasonry with them. Wives of brethren and the invited guests are encouraged to attend. It seems to be attracting men in their thirties who are looking for self-improvement and something more rewarding in their way of life.

The Project 86/87 is to provide financial support in the amount of \$70,000 for the Order of Eastern Star Chalet Expansion, an extended care facility.

At the Conference of Grand and District Grand Lodges of Canada held in Winnipeg, much discussion was given the impending 250th Anniversary of the establishment of the first Masonic Lodge in Canada at Annapolis Royal, Nova Scotia in June of 1738. The outcome was a formal request to the Canadian Postal Authorities to recognize the 250th Anniversary of Canadian Freemasonry by issuing a commemorative postage stamp in the fall of 1988.

A Special Communication of Grand Lodge was held to deal solely with the Masonic Housing Project. The erection of a senior citizen's apartment complex to which subsidized rent will be available, with no financial liability to Grand Lodge or individual Craft lodges was approved. The N.B. Masonic Charities and Housing Co.Ltd., with letters of patent issued by the provincial government, has applied for a charitable income tax number so that contributions will become income tax deductible.

This project may partly answer "What do Masons do?" All lodges and brethren should benefit from renewed pride and enthusiasm. The increased public awareness may remove some of the secrecy surrounding our ancient institution and stimulate a steady increase in membership.

The Grand Master distributed to each District Deputy a copy of the video cassette of our G. L. of Canada in the Province of Ontario July, 1986 Communication for use in their respective districts.

Motions approved by Grand Lodge:

The Board of General Purposes shall act for and on behalf of Grand Lodge when that body is not in session but all decisions and actions taken will be subject to ratification by Grand Lodge.

A mandatory Mentor Program, as an educational tool which lodges will use as their main method of transmitting masonic education to all members, not just the new members, be developed.

The per capita levy to Grand Lodge be \$10 per annum.

Only one request for benevolent assistance was received during the year.

From the Grand Master's Address - "In keeping with the directive of Grand Lodge in 1983, the committee on the realignment of Masonic Districts has been working hard this year to reach some acceptable resolve. They have approached the problem in an effort to balance the large districts with smaller districts and to combine others to provide them with improved working arrangements. The committee has arrived at recommendations in some areas, but still has work to do and they hope to be able to complete the work in 1987."

The new Grand Secretary reviewed his first year in office under a restructured Grand Lodge Office. It will take some time before a new equilibrium is attained; however, with the Past Grand Secretary 'on call' as a willing but unpaid consultant, the incumbent's 'growing pains' have been somewhat lessened. This jurisdiction has a Masonic Secretaries' Association which holds its annual meeting on the first day of Grand Lodge. Efforts to obtain tax exemption for the lodges from the Minister of Municipal Affairs is ongoing. The Liability Insurance Policy of Grand Lodge is difficult to interpret; however all brethren are covered at all lodge meetings. A motion that the Grand Master be requested to look into the possibility of having the Nova Scotia Freemason resume was passed.

If a brother qualifies for a Fifty Year Jewel and has affiliated with another lodge, which lodge applies for the jewel? Answer - Normally, the lodge of which he is a member at the time he has completed fifty years. If he did not demit from his "Mother" lodge in which he received his degrees, that lodge would apply.

Should minutes of meetings be typewritten on loose leaf sheets or hand written in a bound book? Answer - Minutes may be typed or handwritten, this would be an individual lodge or secretary's choice. Petition forms, when reprinted should have a space for postal code and telephone number of the petitioner.

A Secretary's Long Service Medal is awarded by Grand Lodge along with a 20 Year Bar and 30 Year Bar.

The Advisory Board held five meetings in 1985 on the same dates and at the same places as the G.L. Board of Finance and the Board of Trustees of the

Freemasons' Home in Windsor. The Board of Jurisprudence pointed out that a brother who holds only a demit, without being in good standing as a member of another lodge than that which issued the demit, is not entitled to visit a Nova Scotia lodge. A visitor must be "a member in good standing in a warranted lodge." A demitted member is not "a member in good standing" in his previous lodge as he has withdrawn from membership in that lodge and thus is not a member at all.

In conversation with many brethren, the Grand Historian found they would like more masonic instruction. "They feel insecure attending meetings due to a lack of knowledge in the Craft. We receive them into our order, confer the three degrees and in many cases our masonic instruction seems to end there."

Annual Dues for each member payable to Grand Lodge were increased to \$9.00. Members were asked to impress on their lodges to be prepared as the per capita tax may have to be raised to maintain the Freemasons' Home of Nova Scotia which houses 56 guests.

The Grand Master was able to make an official visit to all lodges with excellent support of Grand Lodge Officers. He recorded the passing of P.G.M. Rev. Waldron A. MacQuarrie (G.M. 1947) and P.G.M. Harold L. Palmer (G.M. 1965). A special communication was held on June 14 for the purpose of dedicating the new Summerside Masonic Temple. At the Remembrance Day service held at the Charlottetown Cenotaph, the Grand Master placed a wreath on behalf of Grand Lodge. He also was invited to be in the receiving line with the Worshipful Masters for the New Year's Levee.

The Grand Secretary reported that the "COMELY" program (Calling on Masons who are living outside their own Jurisdiction) is slowly gaining momentum. From the Conference of Grand and District Grand Lodges of Canada we learn that the highlight this year was an overture made by the Church of Rome to conduct dialogue with the masonic order to ease tension between the Catholic Church and masons.

The Board of General Purposes met the minimum number of four times. The first meeting approved the Grand Master's recommendations for appointed officers, special committees, as well as the list of visitation dates and speakers. The second meeting dealt with a review of visitations, ritual examination, and the Grand Master's Conference in Winnipeg. The third meeting addressed the conferences attended including the Conference of Grand Masters of North America in Calgary. The last meeting dealt with details and preparations for the Annual Communication.

From the Grand Historian, "If Masonry is to be successful, it requires a combination of the wisdom which comes with age and the enthusiasm of youth

— the regularity of performance and the innovativeness of change — the lessons learned from failure and the courage to pursue new directions. There is no need to redesign and restyle the tenets of Freemasonry, they are universally sound. However, we must rethink the manner in which we present Masonry to the uninitiated. For too many years, we have distorted the secrets of Masonry. The time is now when we must make the world at large aware of Masonry, and its teachings."

With a view of examining for possible adoption and use in this jurisdiction, permission was granted for the D.G.M. and Grand Lecturer, to prefer the E.A. degree on a profane at the 1987 Communication, using the British Columbia "Ancient" Work.

Being a bilingual jurisdiction, the Grand Master addressed the brethren whose mother tongue is French,

"Je suis très content de voir aussi beaucoup de mes frères de langue française. Vous représentez nos espérances et nos aspirations pour l'avenir, parce que votre présence dans la franc - maconniere donne l'exemple au monde entier de la façon plus grand harmonie. Travaillez a maintenir votre fierté, votre dignité et surtout votre enthousiasm" — an example to all the world by working in harmony.

The Grand Master explained to all present that Grand Lodge consists of Masters, Wardens and Past Masters of each lodge in the jurisdiction and therefore the voice of Grand Lodge is nothing else than the collective voice of themselves as expressed through each representative, and "you are one."

The Committee on the Grand Master's address did not support the Grand Master's recommendation for the establishment of a "Communications Committee" which would be responsible for specific communications not only within the Craft but with the profane. It was felt that interviews with the media should continue to be the responsibility of the Grand Master or his delegate. The creation of a new office of Grand Standard Bearer, responsible for maintaining and displaying the Grand Lodge Standard at appropriate occasions, was approved.

The Charities Committee of the Masonic Foundation of Quebec has developed a coloured video presentation and information pamphlet to promote its charitable activities. The Masonic Board of Relief renders invaluable service to sojourners in this jurisdiction. This Board continues to handle requests received from the "Comely" program.

Each of the two new lodges instituted this year has significant meaning. The Lodge Lorraine U.D. in Aylmer brings to eight, the number of francophone lodges in Quebec. Many in the Quebec City region are becoming bilingual and are working in the two languages. The regular use of French in some lodges has stimulated an upswing in attendance, a renewed interest in Freemasonry and a majority of francophone candidates. The Temple Daylight Lodge U.D. meeting in the Montreal Memorial Temple is the first of its kind in Quebec. The object of this lodge is to provide masonic activity for masons who have retired and who no longer feel disposed to journey out after dark. It will also be for those brethren whose working careers precluded active participation in lodge activities, as well as for those who may work night shifts.

Appraised value of the Temple properties was established at \$7.5 M. Visitors from all parts of the world have signed the register of this beautiful Masonic Memorial Temple. All regular masons are given a short tour. Unfortunately, an increased number of visits from irregular masons, many of whom are not aware of the difference between regular and irregular masonry has necessitated an explanation to those uninformed of the basic requirements for the regularity of Masonic Grand Lodges.

The distinguishing characteristics of active lodges are:

- 1) Capable leaders who exude confidence.
- 2) A sense of pride, decorum and tradition.
- 3) Friendly spirit - brotherly love amongst members - festive board.
- 4) Varied, interesting programs which start on time (and end at time planned. ed.).
- 5) Involvement of brethren - more jobs more people
- 6) Concern and involvement in masonic charity/benevolence.

From the Grand Secretary's report we learn that Father Irenée Beaubien has reached a unique status whereby he represented the Grand Lodge of Quebec and the Archdiocese of Montreal at the international gathering of learned Masons and learned Clerics of the Church of Rome held in Paris, France.

From the Grand Master's Address:

"I performed Amalgamations in five areas. To me this is not a catastrophe. Ten per cent of our eligible adults in Saskatchewan are Masons. A community with 500 people may have about 50 Masons. When that figure of 500 drops to 50 people, then Masonry in the district drops accordingly. So Amalgamation is the answer. "... Since we are experiencing a decline in our membership and realizing that youth is our lifeblood, I suggest that since boys becoming members of

Demolay and girls becoming members of Job's Daughters have ties with the masonic family, perhaps we might encourage our lodge Youth Committees to be more supportive of youth in general and these two groups in particular."

The Board of Trustees of Benevolent Funds has been receiving requests from lodges for assistance in community projects. A motion allowing the Board to use a portion of the unused earnings from the Benevolent Interest Fund on a dollar to dollar matching basis for Special Masonic advancement purposes will be presented next year.

With a sense of reawakening masonic pride, the Chairman of the Condition of Masonry quoted from Bacon's essay "Of Innovations"

"He that will not apply new remedies must expect new evils, for time is the greatest innovator; and if time of course alters things to the worse, and wisdom and counsel shall not alter them to the better, what shall be the end?"

The condition of Masonry for all lodges as well as the lodge's future prospects are rated by the District Deputy on a scale of Excellent, Good, Fair and Poor. The level of attendance is felt to be reflective of the level of interesting stimulating activities in the lodge. Better planning of the masonic year and more informative messages in the summons help to improve attendance. We have been enjoined to be happy. Lodges attuned to the need for an increase in social intercourse among the Brethren through fish fries, wild game meals, barbeques, golf, curling, bus trips, etc. are recording higher levels of attendance and an increased spirit of Brotherhood.

Per capita dues were increased by \$1.50 to \$13.50 annually. The Grand Secretary was reappointed to serve as the Grand Lodge Librarian. Grand Lodge approved a motion regulating Lodges of Research: to conduct research on Freemasonry; work in the established Saskatchewan Work; not to confer any of the three craft degrees; membership must be a Master Mason in good standing in a lodge under the Grand Lodge of Saskatchewan; Master Masons from any Lodge recognized by the Grand Lodge of Saskatchewan may be subscribing members.

'In recognition of eminence, ability and service rendered' the rank of Honorary Past Grand Master was conferred on M.W.Bro. A. Lou Copeland.

Warrants were granted for 62 new lodges, while 6 lodges were erased from the Register. Annual per capita dues payable to Grand Lodge, £6.50 for London lodges, £3.90 for Provincial lodges. Grand Charity annual contributions per member not less than £2.40 for London lodges and £2.00 for Provincial lodges.

The Prestonian Lecturer for 1986 was R.W.Bro. Professor Wallace McLeod, first Canadian P.M. of Quatuor Coronati Lodge No. 2076, who gave the three official lectures to Saint Paul's Lodge No.374 Montreal, Quatuor Coronati Lodge No.2076 London and Dorset Masters Lodge No.3366 Dorchester, and fourteen additional presentations. R.W.Bro. McLeod is our (Grand Lodge of Canada in the Province of Ontario) Grand Representative for India and served our Grand Lodge in several capacities during his ten years a member of the Board of General Purposes. We congratulate him on this distinguished honour.

Following the request of the Grand Master, the Board reviewed the penalties of the obligations, and while preserving the familiar time-honoured wording, determined it would be in the interests of the Craft that they should be removed from the obligations altogether and included in some other part of the ritual. The comprehensive rationale for such a change noted that present day laws and circumstances have both changed considerably from the laws and circumstances of 250 years ago. Are the penalties really meant or not in such a serious matter as an obligation? Since they cannot be or never could have been enforced, this must throw doubt on whether the obligation is binding so far as the other important matters it contains are concerned. The oath does not require a physical penalty to make it binding; it stands in its own right being taken in the presence of the G.A.O.T.U. The physical penalties seem to have been introduced in their present position from about 1730 and thus are not a landmark of the Order. Grand Lodge has undoubted power to give directions on matters of ritual, and has done so in the past. After extensive consultations with Ritual Associations and numerous demonstrations, the Board proposed that such alterations should involve as little change as possible, with no interference with the Landmarks.

After objective, dispassionate, dignified debate, 'a model of propriety,' the resolution that "all references to physical penalties be omitted from the obligations taken by candidates in the three degrees and by a Master Elect at his installation but retained elsewhere in the respective ceremonies" was proclaimed by a very substantial majority.

In March, M.W.Bro. H.R.H. the Duke of Kent was re-elected Grand Master for his twenty first term. In his installation address he commented how delighted he was to learn that in just nine months, only 78 of the more than 1600 London lodges had not yet implemented the new obligations. In keeping with improved public relations, a video "The Freemasons" is being developed. (Now available from our G.L.Library).

A new permanent exhibition in Freemasons' Hall on the history of English Freemasonry was officially opened by the Grand Master on July 4, 1986, designed for the non-masonic public. It provides a simple historical account of Freemasonry's development as part of the country's society in five parts: early Freemasonry, early Grand Lodges, the Union, post-union consolidation and modern Freemasonry. This provides interested inquirers with all the information about Freemasonry in general without disclosing information which is held in private.

The triennial report of the Grand Lodge Library and Museum noted over 50,000 visitors had registered during that period.

M.W.Bro. A. Lou Copeland our Grand Master was one of a great number of distinguished Masons from all parts of the world to be recognized at the September Quarterly Communication.

The 1986 Methodist conference report on Freemasonry made it clear that it does not intend to imply that membership in Freemasonry is incompatible with membership in the Methodist Church.

The Council of the Grand Charity granted £250,000 over the next five years in favour of the Mental Health Foundation towards alleviating one of the major problems of to-day - Drug Abuse.

Brethren about to visit lodges overseas which are not recognized by the United Grand Lodge of England were cautioned by the Grand Master. It is part of one's Masonic duty not to associate masonically with members of unrecognized constitutions, and if such should occur, one should tactfully withdraw even if the visit had been formally arranged. To avoid potential embarrassment to hosts, brethren should first check with the Grand Secretary's office to determine that there is regular Freemasonry in the country concerned. (In Ontario such list is published annually and is placed in the front of each lodge's register at the Tyler's station) Brethren were also reminded of the masonic convention that communications between Grand Lodges must be conducted by Grand Secretaries.

Considerable progress was made in the sphere of Masonic Charities during 1986. The introduction of the offices of Grand Almoner, Provincial Grand Almoner and Almoner were approved by Grand Lodge with duties to include comforting the aged and unfortunate and their dependents. The Almoner must "seek out the needy, visit the sick, administer to, and, if possible anticipate their requirements, remembering always that, in his particular sphere of activities, he can bring joy and comfort to those in need." The jewel of the Almoner is a scribe upon which is a heart. Grand Lodge also recommended that the Steward of Charities be an active (young) Mason who can actively promote a high level of charitable donations; and the Almoner be an experienced Mason who can actively visit and maintain contact with members, widows and children, who may need assistance.

£250 of the 1985 St. John's Day Charity Collection was sent to aid the victims of volcanic eruptions in Colombia via the Grand Lodge of Colombia, while £250 of the 1986 Collection went to the Grand Lodge Cuscatlan of El Salvador whose Masonic Temple was destroyed by an earthquake last year.

The Grand Master with the concurrence of the Board of General Purposes introduced the new "Ten year rule" which will prevent anyone holding the office of Provincial Grand Master for more than ten years, "not a major innovation but one of some significance." "At our initiation we were advised that our family responsibilities must come first. This innovation might prove some encouragement to younger brethren whose feet are at the bottom rung of the ladder of promotion."

The Assistant Grand Master visited Rome to renew ties with the Grand Orient of Italy after the traumatic experiences that have occurred there in the past few years. The Grand Secretary attended the 200th anniversary of the Grand Lodge of Pennsylvania where, in his address he recalled that when Ball's Bridge was rebuilt in Limerick in 1930, a brass square was recovered from the foundations on which was engraved "I will strive to Live with Love and Care, Upon Ye Level By Ye Square, 1507" - "Thus we are therefore within sight of the 500th Anniversary of Speculative Masonry." He noted how Benjamin Franklin, Provincial Grand Master for Pennsylvania in 1735, probably did more than any other to establish Freemasonry in America and whose reprint of Anderson's Constitutions was the first, and is the rarest, masonic book in America. "Freemasonry has waxed and waned, been popular and unpopular, been promoted and persecuted, but has survived. Freemasonry made errors such as the political intrigues and anti-clerical activities of some European Grand Lodges in the 18th and 19th Centuries, but to-day I believe that regular Freemasonry is back on its correct course worldwide, endeavoring to create in Anderson's words 'a bond of union amongst those who would otherwise have remained at a perpetual distance' - a brotherhood of man under a fatherhood of God."

Memorabilia, artifacts and portraits perpetuating the memory of the Masonic Girls School closed in 1972 and the Masonic Boys School closed in 1980, have been assembled in two of the dining rooms in Freemasons' Hall, Dublin. The two War Memorials of 1914-18 and 1939-1945 were amongst the items retrieved.

The highlight of Scottish Freemasonry was the Celebrations to commemorate the founding of the Grand Lodge of Scotland in 1736, held from the 17th to 21st September 1986. Brethren from lodges throughout the world gathered in Edinburgh to take part in the programme of events, many of which were arranged so that the ladies could also join in the celebrations. On September 17, some 600 Brethren and their ladies attended a reception in Freemasons' Hall hosted by the Grand Master and his wife, which was followed by a special welcoming get-together for the forty Grand Masters including M.W.Bro. A. Lou Copeland and his wife Margaret.

H.R.H. the Duke of Kent, G.M. of the Grand Lodge of England in his address at the re-dedication service, noted that he represented the founder member of one of the world's most exclusive associations, that of Grand Lodges which have achieved 250 years continuous working and welcomed Scotland as the newest member to join England and Ireland. He expressed his delight to see so many Grand Masters and brethren, who owe their existence to the three originals, come together from all over the world to join in congratulations to the Grand Lodge of Scotland on reaching this notable milestone in history.

While 2,500 brethren were attending the Re-dedication Ceremony and Anniversary Banquet in the Exhibition Hall of the Royal Highland and Agricultural Society, 400 ladies dined together at the Sheraton Hotel followed by entertainment including a fashion show of Scottish woolen fabrics.

In responding to the toast to the Grand Lodge by M.W. Bro. Lord Cornwallis, Provincial Grand Master, United Grand Lodge of England, the Grand Master noted some of the achievements during the past 250 years which included some 1,100 lodges scattered literally all over the world. The G.L. of Scotland was a founder member of G.L. of Pennsylvania which is celebrating its 200th Anniversary and the G.L. of India which is celebrating its Silver Jubilee. The number of Initiates last year increased 5%. "I appreciate that many of our brethren like to keep their Freemasonry to themselves, but in this era of investigative journalism and instant television replays, we must keep up with the times and spell out clearly our aims and objectives and not be burdened with the tag of being a secret society which we are not."

Reflecting that the uniqueness of the Craft as no other organization in the world where so many men of such widely differing circumstances can so happily come together as equals, the Grand Master quoted one verse of Kipling's poem "Banquet Night" as singularly appropriate for the Anniversary Dinner.

'Once in so often,' King Solomon said,
watching his quarrymen drill the stone,
'We will club our garlic and wine and bread
and banquet together beneath my throne,
and all the brethren shall come to that mess
as fellow-craftsmen ---no more and no less.'

The Grand Master of Ireland, responding to the Toast to the Visitors, commented that Freemasonry today is not without its critics. "At present we (G.L. Ireland) ignore our critics in the belief that if we conduct our affairs decently and remain within the law we have nothing to fear or lose and without necessarily changing our policy, if in the future we felt we ought to modify it, I feel sure that we would derive great benefit from the example and possibly advice of our sister Constitutions."

Included with the Anniversary Celebrations was a telegram dispatched by the Grand Master Mason to Her Majesty Queen Elizabeth at Buckingham Palace extending 'loyal greetings and warmest felicitations'. The following reply from

Balmoral Castle thanking all gathered 'for your kind and loyal message and best wishes for a most successful meeting' was sent by Her Majesty and H.R.H. the Duke of Edinburgh.

The Thanksgiving Service to mark the close of the 250th Anniversary was held in the Glasgow Cathedral. Some 1800 present and the officiating Chaplains, Brother Dr. William Morris and Brother Rev. Ian Macdonald, gave thanks to God for all good gifts received. This was followed by a Civic Reception in the Glasgow City Council Chamber.

At the Annual Communication R.W.Bro. E. Stuart Falconer retired after 30 years of service in the G.L. Office of which 15 were as Grand Secretary. He was born in Canada. In appreciation he was presented with keys to a new car, a cheque and a silver salver (tray).

An appeal for £1,000,000 for the Royal Scottish Masonic Home in Dunblane, established in 1951, is nearing its goal.

The Provincial Grand Lodge of Newfoundland records Tasher Lodge No. 454 as the oldest in St. John's, Newfoundland constituted in 1866, while the newest, Newfoundland Kilwinning No. 1754, was constituted in 1984. English and Scottish Provincial Grand Lodges have worked together to establish the Masonic Park at Mount Pearl on the outskirts of St. John's, which will include 208 sheltered houses and a modern home for 30 residents and a community centre to be built adjacent.

Bro. George S. Draffen, Past Deputy Grand Master, Past Chairman of Publications and Initiator and Editor for 20 years of the Year Book of the G.L. of Scotland, and world renowned 'Masonic writer, died May 2, 1986. His contributions as one of the most outstanding Masonic scholars of our time was recognized throughout the world.'

The Grand Master had to rule on a situation where a lodge was suspending some of its life members for non-payment of dues. In review, it was found that in 1981 the lodge voted to abolish all life memberships and the change was approved by the Grand Lodge By-laws Committee. His decision, after talking with the Jurisprudence and By-laws Committees, was that life memberships cannot be taken from a brother and that all life members suspended for non-payment of dues be immediately reinstated. Those deceased brethren who were life members prior to their death to have their names replaced on the roll as having been in good standing at time of death. A copy of each letter sent to each life member was filed with the Grand Secretary's office.

The Masonic Education and Public Relations Committee report commences with an old saying, - "When the student is ready, the teacher will appear." The report evidences little or nothing happening in this most important portfolio. I wonder when their teacher will appear?

The Grand Orator believes the best way to answer the detractors of Masonry is to go forth into the community and live and act as true Masons Back to Basics. -

They drew a circle and shut me out,
Heretic, rebel, a thing to flout.
But Love and I had the wit to win:
We drew a circle and shut them in.

The Jurisprudence Committee recommendation permitting the use of tape recorded testimony and video depositions in a masonic trial by persons not masons was adopted. Such testimony may be taken in writing or by electronic means before a committee appointed by the Master. The witness shall swear or affirm to the testimony before a person authorized to administer oaths. The accused, his counsel, and counsel for the Lodge, having proper notice of the time and place of said deposition, each has the right to cross examine the witness.

1987 marks the first time that this Grand Lodge has sponsored a float in the Tournament of Roses Parade. The principal purpose for this float is to call attention to the signing of the American Constitution in 1787, that greatest document of personal freedom ever penned by the hand of man. Designed to represent "Liberty, Peace and Equality," six foreign national flags are symbolic of the fact that the U.S. Constitution served as a model for all fifty States, Canada, Mexico, Australia, France, Switzerland and others.

The computer system in operation for several years is ready for upgrading due to obsolescence and limited capacity caused by more requests for information at both the Grand Lodge and craft lodge levels.

A motion for Grand Lodge to hold three Quarterly Communications in addition to the Annual Communication in appropriate locations across the state was recorded. The Committee on Jurisprudence moved this matter be placed before Grand Lodge, requiring a five - sixth affirmative vote for adoption. The Committee on Policy and General Purposes recommended a "No" vote for reasons that there is a fine Masonic education program currently operating and there are ample opportunities to attend a Grand Lodge session at the many ceremonials such as cornerstones, dedications and lodge constitutions conducted throughout the State regularly. The Committee on Finance also recommended a 'NO' vote because of the increased costs and the additional per capita tax assessed to individual lodges.

Masonic Leadership Workshops were held on Saturdays from 10:00 A.M. to 3:30 P.M. Classes were one hour long with three different topics operating simultaneously. The Grand Master or his representative became the luncheon speaker.

The operating budgets for the Home for the Elderly and the Home for the Children exceeded \$1.Million per month, and are supported by California and Hawaii Masons.

The Public Information Committee released a revised Masonic Publicity Kit. It contains a section on Lodge advertising, providing "ad slicks" and suggested "copy" for Lodges to advertise specific events and also to promote Masonry in general within the local community. The Committee also provides assistance in the development of the "Freemasonry" advertisement.

The per capita tax was increased from \$6.30 to \$7.70 (22%) plus a \$1.10 levee for the "California Freemason" bringing the total per capita to \$8.80 per member.

Two new Daylight Lodges were instituted in Honolulu and San Diego. One new Research Lodge was instituted in Orange County.

The Grand Master has a working knowledge of English, Mandarin, Cantonese, Japanese and the local Taiwanese dialect. On December 25, 1985, Tang Lodge No. 9 was consecrated as a Chinese speaking Lodge. The G. M. advocated that all new Lodges in the future should be Chinese speaking, as it is the Grand Lodge of China and Chinese is the national language. The latest publication, "Masonic Demeanor and Proper Decorum" giving excellent instruction, must be read out in the Lodges from time to time. On April 4, 1986, W.Bro. A. Claude Turner of Tuscan Lodge No.195 London Ontario, was warmly received as a distinguished visitor. The Grand Master's Report on the state of Masonry in China concluded: "It has been a very peaceful and harmonious year - In the old Chinese saying, 'Fair Wind and Fair Rain.' "

To Indians, who were and are basically a deeply religious people, the concept of the Fatherhood of God and the Brotherhood of Man came by way of reiteration of something in which they had always believed and still believe. Since

religion to an Indian is something very personal and individual, the principles of Freemasonry that religion and politics are not to be mixed up with the Craft, appealed as a principle which had meaning and significance.

When India became politically independent in 1947, and then became a Republic in 1950, serious thinking started among Indian Masons about the appropriateness of Indian Freemasonry having its own sovereign Grand Lodge. Since most of the lodges established throughout India were developed under the Grand Lodges of England, Ireland and Scotland, it was logical that approaches be made to those bodies to consider the desirability and feasibility of constituting a sovereign Grand Lodge of India.

In November 1961, 145 Lodges became the foundation lodges of the Grand Lodge of India in New Delhi, consecrated by the Grand Master Mason of Scotland, constituted by the Deputy Grand Master of Ireland with the first Grand Master installed by the Deputy Grand Master of England. Those lodges which had not opted for the Grand Lodge of India were allowed to continue under the charters given to them by their respective Grand Lodges. It was agreed that the parent Grand Lodges would no longer warrant any new lodges in the territory of the Republic of India, which was now defined as the Masonic Jurisdiction of the Grand Lodge of India.

Today there are 270 lodges which except for one, conduct the ceremonies in English. Prior to constitution, Freemasonry was by and large the preserve of the more affluent, the aristocracy, senior officials of the government and senior executives of the private sector. During the past 25 years, true to the principles and tenets of the Craft, Freemasonry in India has become more broad based. Good men and true from all spheres of life and diverse strata of society have entered its portals.

To assist in the government of the Craft, four Regional Grand Lodges were immediately constituted: Northern India, Eastern India, Western India and Southern India. The characteristic of a Freemason's heart, charity, has been extensively practiced by Indian Freemasons. The Eastern region maintains a Charitable Masonic Poly-Clinic in Calcutta in different disciplines of medicine and health. In the Western sector a Welfare and Relief Fund assists in children's education, feeding the poor and has donated generously to the National Society of the Handicapped. In the Northern region, the prestigious Poly-Clinic at New Delhi, named after one of the founders of the Grand Lodge of India, provides assessments and investigation as well as having an X-ray unit in a mini hospital setting. Lodges regularly support Eye Relief Camps. In Southern India the Coimbatore Masonic Charity Trust and the Madras Medical Relief Centre as well as the Children's Clinic work with treating poor children free of cost. Mobile vans are operating to give medical relief to the rural masses. The Grand Lodge Fund of Benevolence has donated generously toward relief of the victims of the infamous Bhopal tragedy.

Masonic knowledge and awareness has certainly been enhanced through the Annual Masonic Essay Competition inaugurated in 1976. One essay on "An Ideal Lodge" highlights one such lodge as:

- exercising great care in examining the qualifications of candidates for initiation
- not restricting itself to the formality of raising candidates, but inducing its brethren to take greater interest in the deeper meaning of masonic ritual
- encouraging all the brethren, particularly the new ones, to play an active role in its workings and guiding them to further advancement.
- instructing brethren to be aware of their duties to the Craft
- instilling in the members the importance of regular attendance at lodge meetings and the significance of the summons.
- including the families of brethren in some of its activities
- emphasizing the grand principle of relief
- providing good leadership

The ideals and principles of Freemasonry must be expounded and made intelligible to the rank and file. Every brother should be so permeated by the spirit and teaching of Freemasonry as to be capable of giving an intelligent reason as to why he is a Freemason. Thus Freemasonry demands that an ideal lodge should fulfill a threefold task: to preserve the ideal; to transmit its principles, its convictions, its concerns; and to support every endeavour which springs and enhances those principles, convictions and concerns, so that the fraternity is ready to play its part and play it well in the game of life.

— Freemasonry is elementally and essentially a philosophy of self improvement. —

Reviewing the condition of the Fraternity, passing upon the acts of the duly elected officers, approving or rejecting proposed legislation, electing new officers and investing them with the authority of leadership are the purposes why this Grand Lodge meets annually.

The Committee on Jurisprudence approved the amended resolution that no action of a Grand Master taken during his term or incorporated in his message to the Grand Lodge can be and become Masonic law unless and until the action or statements involved have been referred to a committee of the Grand Lodge and reported to the floor of the Grand Lodge in annual session for its approval, amendment or rejection. All legal actions taken by a Grand Master not so referred shall expire upon the investment of his successor. This does not ratify or approve any illegal action or conduct of a Grand Master.

The Grand Master characterized the wearing of masonic emblems by non-members as deceit and false pretense. Grand Lodge adopted legislation that

would make it a Masonic offense for a suspended, expelled or demitted Mason to wear Masonic jewelry, while under that sentence or condition.

The heights of great men reached and kept
Were not attained by sudden flight,
But they, while their companions slept
Were toiling upward in the night.

-Longfellow-

With this poem, the Grand Master concluded that if we are going to reach greater heights, the primary focus must be concentrated upon the development of future leaders. "We must promote the growth of those who have the visions of those heights, have the ability to communicate those visions to others and have the persistence to make those visions become realities."

This Grand Lodge has a Board of Publications which last year reviewed over 1,000 publications which were distributed to the members within the jurisdiction. Minor errors in the publications were called to the attention of the publishing body and these were corrected promptly. Any lodge or appendant body which may wish to start a publication, must first secure the permission of the Grand Master, through this Board of Publications, who are most happy to assist.

With the acceptance of a Statement of Purpose, the task of physically creating a Grand Lodge Library and Museum has now begun.

In the memorial to M.W.Bro. Theo Jena were lines taken from his first message as Grand Master in 1958

"Why go to Lodge?"

First: My Lodge provides me with a restful, quiet, dignified atmosphere into which I can retire to relax, lay aside my everyday problems and for a while enjoy the association and fellowship of like-minded men.

Second: My Lodge offers me the opportunity to divert my mind and conscience of the superfluities of life.

Third: My Lodge offers me a full course of moral instruction which I can never completely absorb. It instructs me in those moral principles which, if applied, will make me a better man.

Fourth: My Lodge points out to me that I must discipline my actions; must regulate my life and conduct by the four Cardinal Virtues of Temperance, Fortitude, Prudence and Justice, and that I, above all else, must obey the will of the Great Architect of the Universe, who doeth all things as seem to Him best.

The per capita levee of \$15.75 is divided \$12.00 for the Indiana Masonic Home, \$3.55 for the General Fund and \$0.20 for Grand Lodge Temple Maintenance.

Reflecting on the circumstances which lead to nine consolidations the Grand Master unreservedly stated "Neither conditions nor circumstances kill Masonic lodges - Masons kill Masonic lodges - uncaring, apathetic masons." To make his point he related a story of a lodge in North Dakota that several years ago petitioned the Grand Lodge for permission to disband. Although warned that the lodge was dead, the Grand Master decided to visit to verify the fact. He soon discovered that the lodge was indeed dead. NO PLANNING - NO TOIL - NO ENCOURAGEMENT - NOT ONE SPARK OF LIFE. So the Grand Master informed the lodge that they were, indeed dead, and he proposed to carry out the last rites. The plans were made. Into the room was brought a coffin. The time arrived for the last rites. The lodge room was crowded as it hadn't been for years. The Grand Master carried out the burial services. Then, as a last token of respect, he asked all present to file past the coffin. As they did so, they received a shock. The bottom of the coffin was not wood. It was glass. It was a mirror. As each looked into the coffin of the dead lodge, he saw HIS OWN FACE. The lodge is people, you and me. When those people stop caring - the lodge will die.

Some 170 tours were conducted through the Grand Lodge Library, with a total of 1,150 visitors registered this year. 414 patrons used the Library resources for research on various topics. Over 700 books were checked out including 137 reels of microfilm. There were 110 new books added to the collection. A clipping Bureau and Index Rerun are maintained as important sources for masonic research.

Seven Emergent Communications were held for the purpose of laying cornerstones, two of which were for public school buildings. Fifty scholarships of \$500 each were presented to public school seniors from the Masonic Scholarship Endowment Fund.

The Speakers' Bureau continues to play an important part of lodge programs in Iowa. The success of this free service is giving enough lead time to arrange speaker scheduling.

The month of April was designated Masonic Education Month for the fourth successive year. All lodges received a special letter with supportive educational material to assist the lodge planning and programming. The Grand Master felt that "Masonic Light" might be a more acceptable term to new members than Masonic Education, and that it may cause them to pursue further research and study.

Fraternal Reviews in this jurisdiction are not published by Grand Lodge Jurisdiction but rather by summarized research information arranged topically such as Activities, Allied Bodies, Brotherhood, Buildings, Candidates, etc.

JAPAN - 1986

The membership of this jurisdiction has primarily been from members of the United States Security Forces. As mission requirements of Security Forces were reduced over the years, and bases closed, there has been a corresponding reduction in masonic membership. Coupled with this radical reduction, is the continuing loss of active members through rotations and/or loss of interest. In many instances a newly raised Master Mason departs Japan before he has witnessed the raising of another brother.

82 brethren from some 40 different jurisdictions signed the register at the New Masonic Centre. Community and Public Relations received high priority from the Grand Master. The Kunitachi Masonic Building Association sponsored the Handicapped Olympics, another vital link for community awareness.

Four recommendations by the Grand Master were accepted.

1. That a study on the installation of a Masonic emblem on the roof of the New Masonic Centre of such sufficient size to attract prospective visitors in full view of passer-bys be conducted.

2. That arrangements be made to video tape masonic events such as the Annual Children's Festival, the Handicapped Olympics, Masonic speakers etc., for viewing by members and prospective Masons.

3. That funds be budgeted for engaging a reliable Public Relations firm to spread the truth about Masonry and enhance the image of Freemasonry in Japan.

4. That the Masonic information book be published in the Japanese language.

Grand Lodge Officers are elected on an annual basis. Over the years, other options have proposed extending that term, especially the Grand Master's. Some contemplated a two-year term, some a four-year term, and one also added the benefit of wealth and social standing. The Grand Master fully agreed provided the incumbent is able to commit himself totally, that is not employed and having sufficient income to devote the majority of his time to Masonic functions. However he concluded, "Before we can expect this type of service, we have to have sufficient members with these qualifications."

"U.S. Based" lodges were directed to develop long range plans for relocating off the Base and to bring more Japanese members into the fraternity. By utilizing the Japanese ritual they should become bilingual in all aspects of lodge management and ritual.

Placing suitable plaques with notices of meeting times and the location of the Tokyo Masonic building, in the lobbies of the major hotels and airports in the Tokyo area was proposed by the incoming Grand Master. "Not only should this generate an interest for potential candidates, but also serve as a fraternal welcome to Masons in transit through the area."

Recruitment, Retention and Reinstatement were the three R's upon which the Grand Master vowed to concentrate his prime efforts. Qualified as "Selective Invitation," he saw no objection to a neutrally-worded approach being made to a man who is considered a suitable candidate for Freemasonry.

Who are the persons involved in the relationships between the Church and the Lodge?, is the first of three questions each candidate for Freemasonry should answer in his heart before being made a mason suggests the Committee of Church-Lodge Relations. What is the purpose of the Lodge for its members - in the mortal life, and in eternal life?, and are members of a lodge able to become members of the Church?, should also be addressed.

Through the hard work of the Masonic Foundation, the Kansas Masonic All-State High School Band is sponsored by 149 Lodges or Masonic organizations throughout the state. 175 students attended the 5-day Band camp in collaboration with the East-West Shrine Bowl football game.

The Masonic Foundation "C-Club" presents a special \$500 contributors pin, along with a Diamond Donor plaque for those whose contributions exceed \$1,000. The Kansas Masonic Oncology Clinic established in 1974 is the primary beneficiary of the Foundation. The Foundation offers assistance in estate planning to reduce exposure to taxation, and increased giving in the future to charities of the mason's choice.

The Committee on Public Schools is charged to...develop programs...and to...guide and advise Grand Lodge in supporting and strengthening the free public school system. It continues to promote a Scholarship Essay Contest in the public schools across the state. 131 girls and 98 boys, each winners of local lodge contests participated in the topic "Academics vs. Athletics" for the two first place awards of \$1,000 each. The 1987 topic will be "Sex Education In the Public Schools?"

The eleven dollar per capita tax to Grand Lodge is divided between the General Fund and the Kansas Masonic Home.

"After the procedure for obtaining membership in a Masonic Lodge is explained, there can be no objection to his being reminded once that the approach was made." The potential candidate should then be left to make his own decision, and come of his own free will and accord.

The Grand Master recommended that the per capita tax be increased from \$3.50 to \$5.50, in order to meet the increased cost for computerization, public relations and promotion. A revised amendment increasing the levee to \$4.50 was approved. He also recommended the acceptance of dual membership within the jurisdiction to allow members who reside many miles from their home lodge and who are reluctant to give up that membership, to be active in a lodge where they reside.

"Ritual is the foundation upon which we teach the principles, philosophy and symbolism of masonry. If we teach our new Master Masons that being a Mason in the fullest and complete sense is to exemplify in one's dealings with all mankind those virtues of charity, of kindness, of tolerance which the ritual so forcefully inculcates by precept and by symbol, then we are in the proud position of being Master Masons," submits the Grand Lecturer.

The Grand Secretary listed the papers presented at the Conference of Grand Masters held in Calgary: Drug and Alcohol Abuse Among Children, the Right Answer to the Wrong Problem, Loss of Membership, Masonic Charities, The Present Insurance Crisis - Some Causes and Possible Solutions, Working Relationship Between Jurisdictions. He has compiled an alphabetical listing of all the papers presented at such conferences since 1928 and urges lodges to use this material for lodge programs and study. Over 1000 items have been compiled and indexed from clippings gathered from a variety of sources, as a basis for short talks at lodge meetings. 500 P.M.s presently holding lodge office because of line dropouts are too numerous to ignore. Being absent from our family every night at masonic related meetings etc. is certainly not the intent of Masonry. Involvement through a Team Concept program that reassigns many extra duties to non officers is strongly advised.

The Advanced Masonic Education program is exploring the possibility of instituting a reading correspondence course, which would also enhance the Grand Lodge Library program. New additions to the video collection were - The Quiet Fraternity; Welcome to the Craft; The Accepted Candidate; Forces of Opposition; The Freemasons, Who Are They?: Masons In Your Home; and The Mystic Tie.

Suggestions by the District Deputies to improve the condition of the fraternity include the setting up of a low interest revolving loan fund so that small

lodges could make necessary repairs without paying high interest rates; a voluntary lodge officer training program with a certificate of proficiency for successful completion; "Creative Meetings" be more widely used to stimulate greater attendance; more semi-public activities to help enlighten the public about Masonry and Masonic fellowship.

The Master of each lodge must appoint, according to Grand Lodge regulation, a Lodge Historian to prepare the lodge history annually. It is submitted to the Committee on the History of Grand Lodge for the annual updating of "Freemasonry in Maine".

Of the 13 submissions to the Committee on Grievances and Appeals, 10 were for unlawful or gross sexual misconduct, all of which were recommended for expulsion from the rights and privileges of Freemasonry.

The activities of each lodge are summarized annually in the Proceedings in the following areas: meetings held; average attendance; number attended by W.M., S.W., J.W., Secretary, S.D., J.D.; amount of Charity Fund; amount expended for Charity during year; Fees for degrees; Annual dues; Arrears; Income of Lodge and Cost of Operating Lodge.

For their many years of dedicated devotion, Lodge Secretaries of more than 15 years service were listed and recognized. The greatest was 48 years of service.

The ceremony of installation of the Grand Master held in the Town Hall of Sydney was electric with choral music, trumpet fanfares and regalia bearers. From his address -- "Take care of health, take care of wife and family, take care of profession, take care of your Church, and if this is not done brethren, the message of Freemasonry has not been absorbed.....and what can we expect to find in Freemasonry? In a nutshell we can find the sanctity of family life, friendship, laughter, responsibility and an understanding of the needs of others who have fallen upon misfortune." His theme, "Live as a Freemason - Give Leadership by Example." The following poem illustrates a Freemason's task to build a better world:

"Glance backwards now my friend
but do not look too long;
The past is gone the future waits
step forward with a song;
Who knows, tomorrow's sunshine
may be brighter than you dream today."

"The primary function of a lodge is to train its members to an understanding of the truths contained in its rituals and ceremonies; to develop benevolent men; to cultivate the social virtues and propagate knowledge of the Arts."

290 people attended the District No. 65 Masonic Charity Bowls Days where \$1,900 was raised for local charities. For 63 years the Masonic Youth Welfare Fund has been dedicated to help needy youth. The fund also provides each boy or girl a father image who is there to counsel and guide them.

The Masonic Temples Board of Grand Lodge created 25 years ago has been most active in encouraging and assisting masonic property owners to improve the image of Freemasonry by upgrading and continued property maintenance. Loans totalling \$129,450 were granted for a variety of purposes from new Temple building to minor maintenance on existing properties. A booklet "Maintenance of Masonic Buildings" was distributed to all masonic property owners, which will assist owners to improve the conditions of their properties and to plan their activities according to sound administration principles. Permission was granted for brethren to wear a tailored blazer when attending civic functions, lodge picnics and daylight social functions. Worn with grey slacks and a masonic tie, the "Bowler's Blue" blazer has a gold square and compasses embossed on the pocket with the name of the lodge underneath.

Members dues payable to Grand Lodge were increased to \$13.40 per year, including \$1.00 for Centenary projects. The Centenary Celebrations logo for 1988 was selected from some 82 entries. Three daylight lodges were consecrated.

Six brethren were suspended for having failed to disassociate themselves from an irregular styled body of Mark Master Masons. Summoned to appear before the Board of General Purposes to show cause why they should not be found guilty of unmasonic conduct consequent upon their continued association with said body, not one brother appeared.

The Widows Program was completely revamped with a most attractive pin for presentation along with an identification card designed for the widow to carry. Guidelines were established so that a Master could establish a good rapport with the widow from the time the brother was deceased. One of the positive benefits of the program is the reaction of these ladies to being welcomed as part of the Masonic family. Some have indicated that they would like to organize and do something for the fraternity. Several have made very generous contributions to the Brotherhood Fund for charitable purposes.

Computerization of the accounting department and the Registry will be completed by year end. Four Regional Seminars dealt with three main topics: 1. Relating Masonry to Youth; 2. The Successful Lodge of '86 - Will It Be Yours? and 3. Long Range Planning Update.

Several suggestions for improvement of the Ritual including elimination of the penalties of the degrees from the obligation and including such information in the form of an explanation after the conclusion of the degree, were forwarded to the Chairman of the Custodians of the Work for their review.

Suggestions for an efficient well run Grand Lodge office performing the necessary Craft functions the brethren desire are costly and include:

- A professional public relations firm to work with the media promoting our Masonic image
- A new explanatory pamphlet telling of Masonic accomplishments
- More Grand Lodge flyers regarding coming events
- A new handbook outlining Masonic Services available to members
- Funds, available for loans to lodges to maintain or improve temples.
- Expansion of educational programs of Library, Museum and the 'Empire State Masons'.
- Increased support of Youth programs, such as school centers.
- Computerized records for individual lodges
- Increased staff to provide the services.

To accomplish such, a resolution was passed increasing the per capita dues by \$5.00, bringing the total for each member of each lodge to \$12.50. Grand Master Singer stated that "Our Masonic Fraternity should remain the greatest fraternity in existence today, to do so, we must have a vision of better leadership, better communicating, better office procedures with modern technology, up to date Registry reporting, and personnel at the Grand Lodge level who can be in a position to assist the local lodges." Excellence has a price. He shared his personal vision of the fraternity steeped in ancient Masonic tradition, abreast of a competitive world making use of modern methods. "I believe that the best is yet to come and that God is working His plan which includes each of us."

A Certificate of Incorporation was received from the Board of Regents of the University of the State of New York for the Grand Lodge Library. This allows for the Library and Museum to become a State institution, contributions to which will be income tax deductible.

The man who led the raid on Tokyo, April 18, 1942, Bro. General James H. Doolittle, (initiated 1918) received the Distinguished Achievement Award at the Grand Master's Dinner.

Successful lodges use the 'Lodge System of Masonic Education'. It is but one ingredient for success in New York, because an educated mason is an interested mason, and an interested mason is an active mason, and an active mason generates new ideas and attracts new members.

This will be the 26th season for Camp Turk, the Masonic Youth Camp. 40 campers attend this outstanding camp program annually at a very modest price, some sponsored by lodge scholarships. A slide program about the camp is available to showcase 'Masonry In Action'. From over 100 nominations received

for the 'Grand Master's Award for Service to Youth', 6 plaques were awarded. Each lodge is strongly urged to have at least one project for and with youth each year.

The Grand Secretary reported that during the past 30 years they have lost more members than gained in the years of greatest growth. From 1919 to 1929 membership grew from 235 thousand to 346 thousand. 100,00 were lost during the depression of the '30's, but from 1943 to 1956 growth from 242 thousand to 308 thousand was recorded. From 1956 to 1986 losses were 173 thousand of which 5,700 were last year. Austere budgets and frugality during the last thirty years have not stemmed the loss of members. An increase in initiates and an increase in affiliates is good news and the prospect of more in the future sheds a ray of optimism on the 1987 horizon.

One of the diverse programs of the Committee on Communications is Masonic Road Signs, which began to appear on New York highways over two years ago. Over 100 baked enamel 30 inch road signs have been erected by lodges and Districts across the State. Before ordering, local, municipal, county and state codes governing highway signage should be reviewed carefully.

Nationwide, Masons raised nearly \$2 million towards restoring the Statue of Liberty, a worldwide symbol of freedom and opportunity. New York will be the second largest masonic contributor with \$310,000, behind California's \$800,000 total. The brethren of North American Masonic bodies raised 3.3 percent of all the funds needed for the restoration. The close tie between "Liberty Enlightening the World" and Freemasonry has been called to the public attention.

In his address at the Masonic Home in Utica on St. John's Day, M.W. Robert Singer recalled the words from an old German proverb as good advice for any activity - "Learn from the Old, Instruct the Young, Consult the Wise, and Bear with the Foolish". "Our response to those who would criticize what we stand for is not to engage in public debate or name-calling, but rather to tell our story our way."

The Armorial Bearings of the Grand Lodge of New Zealand were used for the first time at the Annual Communications, and are printed in colour on the first page of the Proceedings. This wonderful Coat of Arms with emblazoned motto is appropriate to the Order, "In The Lord Is All Our Trust".

A grant of \$2,000 was awarded to Research Lodges as an aid to the work they are doing in the dissemination of masonic knowledge. Participation in the grant is dependent upon the submission of a report of the year's activities along with the annual accounts to Grand Lodge.

Four Grand Master's Order of Service Awards, the highest recognition of masonic service, were conferred this year. The Grand Master appointed 22 brethren to the Grand Lodge Roll of Honour for having consistently rendered loyal and devoted service to the Craft. Recipients receive a distinguishing lapel badge, a certificate of appointment and may henceforth use the letter 'R.H.' after their name on all masonic occasions.

The New Zealand Masonic Chair of Geriatrics was established at the university medical school to research the aging process. 124 Bursaries were granted totalling \$62,793. The total help given by the Board of Benevolence was \$470,571 from a capital fund of 5 million dollars. Lodges contributed annually to this fund on an average of \$4.30 per member with the high of \$22 per member. Capitation fees remained at \$11 annually.

\$100,000 was transferred to establish the Grand Lodge Building Fund to encourage and assist the upgrading of lodge properties. In advancing money at nominal interest rates, loans will bear at approximately half the present mortgage rates. It is hoped that this fund will attract legacies, gifts and such monies from Grand Lodge as surplus funds allow.

In his address, the Grand Master reflected upon the worsening of the problems of loss of membership, loss of influence of the Fraternity and an apathy from within the ranks that threatens to destroy from within. His twofold resolution: The development of leadership within Ohio which can envision changes and be innovative enough to convert those changes into actuality. The trend of loss of influence can not be reversed unless the masons within the fraternity understand the true purpose and goals of the Craft, and unless the non-masonic public have a better understanding of Freemasonry. Those two premises were the basis of his one year Masonic program which emphasized the Mason's family through strengthening of the nuclear family, the youth who were associated with masonic youth groups and concern for the youth within the community. He also focused upon upgrading the quality and delivery of the Masonic education and counselling programs throughout the jurisdiction by developing a job description expectancy.

The Exceptional Lodge Leadership Course, designed exclusively for Ohio Freemasonry by the Leadership Development Institute of Oklahoma City has taught 578 lodge leaders how to:

1. Take innovative action to respond to changing circumstances.
2. Established goals and gain commitment to achieve them.
3. Prioritize and take specific next step action.
4. Encourage the pursuit of excellence within the Lodge.

5. Resolve Lodge problems before they become crises.
6. Communicate ideas and directives more effectively.
7. Accomplish more by employing effective time management techniques.
8. Use a team concept and build long lasting alliances.
9. Use coaching and reinforcement skills to improve member performance.
10. Build, use and sustain positive influence.
11. Awaken the spirit of Freemasonry in Ohio.

Past District Deputies were given the responsibility of familiarizing the membership of the Ohio Masonic Handbook, a volume which answers all administrative questions proposed by leaders and prospective leaders. This management tool has proven to be effective in planning and administration.

As a result of the deliberations of the State of the Craft Committee, a public relations firm was hired to develop a marketing program to make Masonry more visible in Ohio. The program included a day-long training seminar in the techniques of communicating with the news media. Numerous news releases dispelling the secrets of Masonry and public service announcements for radio and TV. have resulted in an increased visibility of Ohio Freemasonry. However the true marketing efforts are those which are carried out personally by the individual Mason. Each of us is someone's impression of a Mason. By living the lives that we have learned to live as Masons, and by allowing those about us to know that our lives have been influenced by our masonic teachings, we are proclaiming to the non-mason the benefits of Freemasonry and Masonic membership.

56 requirements from four different group categories constitute the basic criteria upon which the Grand Master's Awards are granted. Particular attention was paid to the development of family and community activities within the lodges. Awarded to lodges because of the diligent efforts of all of the lodge members, the respective Worshipful Master's name also appears on the Award Certificate because he was the catalyst for the success of the program within his lodge.

Posters were delivered to each lodge for posting in the anteroom. The posters consisted of the figure of a man and attracted one's attention with the statement "When you find a good man who'd make a good Mason, it's O.K. to say Y.M.A.G.M." The Grand Master qualified this poster as for those men who would make good Masons. "Is he living the life of a Mason, but uninformed about how to join? Is he working with you? Worshiping with you? Is he your son? Why would you not want to share the beauty of Masonry with him?"

The Grand Master spoke of the universality of the Craft as exemplified on his being afforded honorary membership into Palestine Lodge #559 G.R.C. the mother lodge of G.M. A. Lou Copeland.

G. M. Neumann commented upon the emotional appeal made to the Grand Masters Conference in 1986 to endorse the establishment of a National Masonic Foundation whose duty it would be to enter the field of chemical dependency and

drug abuse identification and intervention. As a medical doctor, he recognized the epidemic of abuse of mind-altering drugs within society, particularly the youth. However he stated his position - "It is not the purpose of Freemasonry to enter into such engagements at a state level, certainly not at a National level: We should care for the distressed at the lodge level and as established at the state level - Masonic Homes and hospitals." Although proposed by well-meaning Masons, he cautions against the possible misinterpretation of the motives should one enter into such an undertaking, and consequently counselled his Grand Lodge to not engage in such.

12 District Rap Sessions with the Grand Master, Grand Lodge Officers and District Masons afforded the opportunity to sit together and discuss common Masonic challenges. Through sharing, all were able to learn from each other, with straightforwardness what had been most successful in programming, as well as the concerns and local feelings. One of the 26 summarized items agreed that we would gain if the most visible arm of Freemasonry, the Shrine, would use the term, Shrine Mason, when publicizing its activities.

The International Masonic Day held at the Royal York, Toronto, on September 27, 1986, recognizing 50 years of inter-jurisdictional visitations between Ohio and Ontario was one of the highlights of the G.M.'s year. "We received the kind of welcome and display of hospitality which only our Canadian brethren could extend. They are well known for their graciousness. We glorified at the conferral of the M.M. degree by the distinguished members of the R.C.M.P. degree team."

The Grand Master's answer to Masonry and Religion is quite simple. Freemasonry is a Fraternity; it should not be considered in a theological sense. It is not a religion, nor a substitute. The obligations are sworn on or involve the volume of the Sacred Law. They are undertakings to keep secret a Freemason's means of recognition and to follow the principles of Freemasonry. The physical penalties are simply symbolic. The commitment to follow the principles of Freemasonry is deep, and entirely appropriate to this form of obligation. Freemasonry lacks the basic elements of religion. It has no dogma or theology, it offers no sacraments and it does not claim to lead to salvation, by works, secret knowledge or any other means. (The secrets of Freemasonry are concerned with modes of recognition, not with salvation.) Masons are taught to support the church. Masons are taught to organize the universal moral sentiments of mankind and to organize human disapproval of that which is immoral.

The creation of an officer entitled Development Director was a very strong recommendation of the G.M. His duty would be to correlate, implement and facilitate the Grand Master's program during any given year. Being free to travel throughout the jurisdiction, he would assist lodges in developing programs as well assisting faltering and failing lodges so identified by the G.M. and the Advisory Committee. Through the use of regional meetings, programming requirements and local contacts could be facilitated. Five- and ten-year long range planning must replace segmental year plans.

Redistribution of lodges, such that no D.D.G.M. would be responsible for more than 10 Lodges, was another recommendation of the G.M. It was felt that this would allow for the implementation of good management principles and closer lodge contact. After twelve months of deliberation with respect to the penalties of the obligations, the proposal of the Ritual Committee recommending that the Ritual be left intact, was unanimously passed. The following is a paste-in note to be placed in the front cover of all rituals of the Work.

"Symbolic Freemasonry has long adhered to many ancient symbolisms; among them are the penalties of the various obligations. You are hereby advised that the only penalties imposed by our fraternity, after being found guilty of a violation of Masonic Law are: 1) Reprimand; 2) Suspension; or 3) Expulsion. All other references to penalties are symbolic in nature and not practiced by modern Freemasonry."

A proposal to change the requirements of a petitioner, to be eighteen years of age at the time his petition is read for the first time in a stated meeting of the lodge, was received and referred for Committee consideration for the next annual communication.

46 District Deputy Grand Masters

At 38 years old, this Grand Master is the youngest in North America during his term of office. In 1974 he was elected a State Representative in the Oklahoma Legislature where he served eight years. During his one year term as Grand Master he presided at 15 Emergent Communications of Grand Lodge for the purpose of Constituting, Consecrating and Dedicating 1 lodge, Cornerstone Ceremonies for 10 lodges and Dedication Ceremonies for 6 lodges.

The Grand Master had to rule on a lodge where the W.M., S.W. and J.W. had been permanently suspended from office because of unmasonic conduct of electioneering prior to their election and a certain faction of the lodge had determined that they would use the ballot box to see that no petitions would be elected into the lodge.

The Grand Master stated the most misunderstood word in Oklahoma Masonry is solicitation. "It is certainly not a masonic offence to quietly without pressure offer him information and assistance if he is interested. If we do less than this we are denying access to the Fraternity to a majority of good men who have an interest in and a high regard for Masonry but no idea of what it takes to become a Mason. Our rule against solicitation prohibits us to 'beg or urge with troublesome persistence', but does not prohibit us from initiating a conversation to explain Masonry to men of good character."

He feels that members today have a great reluctance toward change, a reluctance so ingrained that it is virtually unmasonic to advocate or implement change within the Fraternity. The irony is that the existence of speculative Masonry was born in change, without which operative Masonry could never have changed to speculative Masonry.

The annual Grand Master's Prayer Luncheon drew capacity crowds. All profits are donated to masonic charity. Area Institutes organized by the Masonic Lodge Education Committee were held at 6 locations to assist lodge officers in effective administration of their lodges.

A voluntary Perpetual Membership Plan whereby an Oklahoma Mason may pay a one-time fee to his lodge secretary was approved. The fee (not less than 15 times the annual dues) is placed via the Grand Secretary in a permanent endowment fund whence the interest will support his constituent lodge and Grand Lodge forever. It is voluntary; it offers possibilities to reduce suspensions and demits; it should strengthen the future financial base of both his lodge and Grand Lodge; it is easy to administer with computerization; there is no cost to the lodge; it will be a lasting tribute and memorial in the brother's name to insure that Masonry will exist in Oklahoma forever.

The Proceedings contain:

1. An Alphabetical List of Towns where lodges are held with exact street locations, lodge name, number and district.
2. A list of lodges with the Master and Secretary's name, address and phone number and time of meeting.
3. A list of lodges by Districts.

From the Grand Master's Address as he entered his third and last term - "I ask each lodge to take careful stock of the situation for I feel that enthusiasm is waning in some places. It is time for each lodge to examine their 'modus operandi'. Are communications within the lodge good enough? Are you caring for the new members? Are you caring for the older members who have difficulty getting to lodge? Are you sharing Masonry with your wives? These and many other aspects are necessary for a revival of interest. You owe it to the Craft, to your lodge and yourselves, to use a little more motivation."

The Geriatric Medical Foundation of Queensland Ltd. was incorporated by the Board of Benevolence. This "Chair In Geriatric Medicine" at the University of Queensland will promote the highest standards of research and training for the aged and aging. As a Bicentenary project, the Freemasons of Queensland will raise \$1,000,000 over 3 years.

The Grand Master led a very simple wreath laying ceremony at 11:00 a.m. on Remembrance Day, followed by a minute's silence and the playing of the "Last Post" at the Temple. There were no speeches or hymn singing, just silent thought and meditation.

The Board of General Purposes consists of 12 elected Metropolitan members, and 12 elected Country members. Other G.L. Committees have an equitable balance between Metropolitan and Country members.

At each Quarterly Communication, applications for initiation first must be approved by the Board of General Purposes. If permission is granted, then the respective lodges ballot on their applicants. There were 558 residents living in Freemasons Homes. 10 Bursaries of \$750 were awarded to children of Masons.

Peninsula Daylight Lodge No.522 was consecrated on August 30. Computerization of Grand Lodge records and membership lists is nearing completion.

More than 470 Patrons watched the presentation of 26 Debutantes to the Grand Master on the occasion of the Annual Masonic Debutante Ball on August 2. Funds generously donated by the Patrons added to committee funds resulted in a donation of over \$800 to the Dyslexia Association.

Masonry was introduced into South Africa in 1772 under the auspices of the Grand East of the Netherlands, which unobtrusively initiated the formation of the Grand Lodge of Southern Africa in Cape Town in April 1961. Since its inception with 87 supporting lodges, a total of 49 new lodges has since been added including 3 during the past year. By common consent in 1981 the name was changed to the Grand Lodge of South Africa, the same year that South Africa became a Republic. Expansive growth in recent years has been especially pronounced in the rural areas with their predominantly Afrikaans speaking communities. This undoubtedly confirms the wisdom and correctness of the early acknowledgement and encouragement of the use of the two official languages in all labours and at all levels of this Grand Lodge. It also permits the use of any recognized rituals in entirety, by any lodge presently under its jurisdiction or which may wish to become associated with it in the future.

In 1977, following a period of protracted but successful negotiations two new lodges were consecrated primarily to accommodate some 40 coloured freemasons previously members of the lodges operating under the jurisdiction of the unrecognized Prince Hall Grand Lodge of Pennsylvania. These brethren completely severed their former association and were regularly admitted as

Freemasons under the Grand Lodge of South Africa. The United Grand Lodge of England, the Grand Lodges of Ireland and Scotland continue to grant Charters for new lodges at their discretion. The Grand Lodge of South Africa may be seen as the first positive step towards the formation of a United Grand Lodge of South Africa, a realization predicted for distant years.

Pursuant to the strong message in last year's fraternal review (1987 Proceedings pg. 266) the Grand Master has further attempted to clarify the feelings of Mason and his fellow. "In our association, have we always conscientiously and truly applied the basic teachings and lessons of our noble order? Can we say, without fear of contradiction or risk of debasing our conscience that in our interaction with our brother, irrespective of the level of hierarchy in the Order, we have acted honourably and been motivated by honest intention - that personal and selfish interests - let alone self-aggrandizement did not cloud our thinking and influence our actions? Have we paused for a moment to contemplate on the serious effect that a thoughtless or hasty word or deed may have? Such action may break a link or even destroy a relationship that time can never mend. Before committing ourselves to action did we perhaps think of placing ourselves in the position of the unfortunate victim of our attack - to remember that he also has certain rights, feelings and problems and was acting in all sincerity in accordance with the dictates of his conscience, with full justification for his behaviour? He also is entitled to his view. Do we have the right to force our view on him?

Only when our own words and actions are above reproach and we participate in a healthy and respected relationship with our fellow and brother, based on a true spirit of brotherly love, mutual understanding, consideration and a willingness to co-operate, can we pride ourselves as active and positive contributors to the advancement, progress and success of our Grand Lodge."

At a Special Service of Praise and Thanksgiving in acknowledgement of blessings received, the Grand Master suggested to ever bear in mind that masonic strength does not and never will lie in numbers but in the mettle, not in quantity but in quality. We are not just another social or convivial club. Ours is a way of life, in fact a way of living, a peculiar morality, a distinct and distinguished Order. Everyone cannot and need not necessarily be a good ritualist, but everyone is certainly competent of a sense of perception. Those excellences and distinctions of character that are enshrined in our rituals, can be practised and should be insisted upon, at all levels of our masonic hierarchy.

In order to maintain Grand Lodge as a fully financially independent and adequately funded institution, a five year Grand Lodge Fund was established. In reflecting the change in costs, it was pointed out that when some of the older brethren were initiated during the years of sterling currency in South Africa, the cost of entering Freemasonry was approximately equivalent to a full month's salary, for an average middle class person. Today the cost of entering can be measured in terms of a few hours of work in order to earn the subscription and initiation fees. All brethren through their lodges were committed to raising 1 M. Rand over the next five years or \$300 per member.

When the Mayor of Cape Town welcomed Grand Lodge he told of how once he asked a Masonic friend to explain to him the attraction of the Craft. The reply was along these lines:

"It is rooted in the midst of antiquity,
and points to God and Eternity.
It is past, present and future, it
belongs to the ages.
It circles the globe and stands at the
crossroads of the world.
It is steeped in tradition and traced
in the pages of history.
It makes a good man. better. This is Masonry."

At a Special Communication in 1982, Grand Lodge approved imposing a levy against each lodge for the sole purpose of preserving and restoring their magnificent Freemasons' Hall in Adelaide to acceptable health, fire and safety standards. The cost of the first stage of the total five year project was estimated at \$1.1 M.

The progressive Grand Master encouraged those attending Grand Lodge to seek out men of good character as potential new blood for the views of Freemasonry. "It has to be remembered that Freemasonry is selective in its membership and is neither suitable for, nor intended to be an association for all men. We stand to gain nothing but to lose a great deal if, without proper thought, we approach a person whose nature and general attitudes to life does not conform to the principles and tenets of the Craft. Moreover, it is essential that great care be taken in the selection of candidates to avoid subsequent embarrassment and ill-will should a proposition be rejected."

The Board of General Purposes resolved to incorporate Grand Lodge to relieve individual trustees from ownership and responsibility for the real estate, general and benevolent funds and other assets of Grand Lodge. Annual dues payable to Grand Lodge were increased to \$15.00 per member.

"Ladies' and Friends' Nights" are very popular, at which a qualified Grand Lodge Officer speaks on the subject of Freemasonry. Quoted to be most successful, "firstly by bringing the ladies a little closer to our confidence, and secondly by preparing the ground work for possible new members among the non-masonic menfolk."

The Masonic Knowledge and Education committee accepts research and course papers from individual members in a four stage correspondence Course

The six flags which have flown over Texas were presented at Grand Lodge:

France 1685-1690
Spain 1690-1821
Mexico 1821-1836
Lone Star of Republic of Texas 1836-1845
United States 1845-1861
Confederacy 1861-1865

United States of America 1865 - forward. The five pointed Lone Star of 1836 was chosen to illustrate the moral virtues and alludes to the five points of fellowship.

Grand Lodge participated in the levelling of 19 cornerstones and 6 dedications of new lodge buildings.

The Grand Orator's address, "What Should We Do?" laments about Masonry coming under attack. Several analogies are vividly illustrated. "In every decision in life there is a short view and a long view. Happy is the man who never barter future good for present pleasure. Happy is the man who sees things, not in light of the moment, but in light of eternity. When one learns that the hard way is often the best way, and that the long view is always the right view, we will base our lives upon masonic teaching and its great light and no storm will shake the foundation; right acts, not right answers."

The Grand Master issued a reprimand for the violation of Masonic Law to 4 brethren who distributed among certain members of Grand Lodge a printed handbill promoting the candidacy of a brother for the office of Grand Junior Warden. He commented that those chosen to lead are done so based upon their past dedication and commitment to the Craft and not upon promises, no matter how noble. He stated that it is a Mason's responsibility to maintain the dignity and decorum of Grand Lodge and to avoid it becoming a political organization.

Because of various debates, the Grand Master recommended a committee be struck to make a thorough study of the matter of memory work requirements in other grand jurisdictions of U.S.A.

Dispensation until December 1986 was granted to each lodge to make public appearances and to participate in special historic occasions, events and functions celebrating the Sesquicentennial of Independence of the Republic of Texas. The event or function must be of a noncontroversial, nonpartisan, patriotic and/or community character.

In order to reduce the number of suspensions for non-payment of dues, the Grand Master proclaimed that the W.M. of each lodge shall appoint a committee of at least 5 members to be known as the "Committee on Suspensions". Guidelines and directions were included in this proclamation.

The Regional Conference Program on Masonic Education, designed for establishing closer harmony, improved communications and understanding among and between members and officers was given a preferred position when the Grand Master proclaimed and directed that all lodges refrain from scheduling or participating in any masonic related activities that conflict with attendance by their members at the Regional Conference in their area. Current trends in the attitudes, customs and practices within our society have created a vital need for a closer relationship among ALL Masons. The 15 Regional Conferences held at 1:00 P.M. on Saturday afternoon and ending no later than 4:00 P.M. were attended by 5,520 of which 3,320 were lodges officers.

With statewide concurrent jurisdiction working well in at least 29 other jurisdictions, the committee on the Grand Master's recommendations approved statewide concurrent jurisdiction. Research indicated that about five percent join a lodge not in their immediate area.

A new lodge officer training program concentrating on basic lodge operations was developed and named L.I.F.E. (Lodge Instruction for Effectiveness). There will be issued a wallet-size certificate for those who complete the program.

Fraternal reviews are handled in a somewhat different fashion, not by Grand Lodge but by specific topics such as the Movement of the Ancient Penalties, Masonic Enhancement Committees, Fraternal Relations with Prince Hall Masons, etc. Subsequent reporting on the specific topics is lifted from the individual Grand Lodge Proceedings.

The hard bound copy of the Proceedings of the Grand Lodge of Texas is most comprehensive and resourceful.

In support of the Grand Master's forthright manner in conveying his displeasure over sloppy dress and conduct at and in lodge meetings, the Committee on the Grand Master's Address further commented. "By our disregard for our own appearance we certainly do not convey pride of association in the Masonic fraternity. Come on brothers, lets relegate the macho image of the mountain man or frontiersman to the outdoors. The wearing of a shirt, tie and coat isn't too much to ask of ourselves. The cultured gentleman is the character we seek in our lodge rooms."

Long Service Secretaries are recorded in the Proceedings in years of dedication given to their lodges. The most senior commenced his 56 years of continuous service in 1930.

Stewart Pollard, Executive Secretary of the M.S.A., was the deserving recipient of the prestigious P.C. Tucker Medal for a life of courage, devotion to duty, love of family and service to his nation and community. "A man does what he must - in spite of personal consequences, in spite of obstacles and dangers and pressures - and that is the basis of all human morality" J.F.K..

Two computers, a MacIntosh for the editor of the Masonic Newspaper and an I.B.M. system for the Grand Secretary's office were purchased for \$25,000. The Trustees authorized the borrowing of that sum from the Charity Income Account, repayable over 5 years at 7 per cent interest.

The History of the Owl's Head Mountain Outdoor Degree is illuminated by the Grand Historian. A third degree at high noon on a Saturday in June has been occurring for over 129 years. The nearly perfect natural lodge room, 2,408 feet above sea level is tyld by a lone sentinel located on a higher peak. The historic meeting of this first regular masonic lodge meeting in North America with only the canopy of heaven for a covering is depicted in one of the main murals in the Masonic Temple in Montreal.

The Long Range Planning Committee addressed three questions:

1. Where Are We?
2. Where Do We Want To Be?
3. How Do We Get There?

Following each were recommendations to be adopted by lodges and Grand Lodge, concluding with Public Awareness strategies such as developing a Masonic Purpose at the State Level. This Purpose being built around a commitment of SELF!

From the Grand Master's address - "Each of us has the gem of Freemasonry in his hands, but I am sure that most of us are not aware of its true value. Not since the Middle Ages has there been such a need for Freemasonry, which is the only institution that can offer stability so surely needed in such a turbulent society. Freemasonry got its start from the need of the community outside the stonemason's craft to adopt the moral standards and life style of operative masons. I believe we have similar circumstances existing today, but we have much more fierce competition for the spare time and hearts of men. The great changes that have taken place in community life, with the tearing down of convention and the lowering of standards, have presented us with a great opportunity to show our real worth but we must accept the challenge and act now."

He also noted that throughout its history, Freemasonry has been amalgamating lodges and changing buildings and in most cases it has been highly successful. Business, churches and government have adopted this method of reducing operating costs, not as a stratagem for survival, but a means of strengthening lodges and preparation for development ahead.

Welfare Awareness Seminars by the Board of Benevolence continued to endorse the concern of the Craft in relation to those Brethren and their widows, dependants and children in need of some assistance. Does your lodge have an active awareness of need within its membership? Does your lodge keep a widows register? Does it maintain contact with wives of deceased brethren? 75 petitions totalling \$114,285, and 38 loans totalling - \$141,648 were granted.

The several Royal Freemasons' Homes of Victoria provided accommodation and full nursing care for 676 elderly persons. Donations towards upkeep are tax deductible. The chairman of the Freemasons Hospital stressed the importance of obtaining Hospital Insurance as those without it incur extremely high costs at a time of illness when there is considerable associated concern and worry. Rates per day vary from \$240 to \$315. With a bed capacity of 183, some 8,581 patients received inpatient treatment during the year.

On the recommendation of the Masonic Buildings Committee the Board approved 9 loans totalling \$49,750 for building and property improvements.

The Board approved a number of 3 minute tapes relating to Freemasonry submitted by the Public Relations Committee, for distribution to radio stations which were invited to play them as a community service.

In recognition of their Centenary in 1989, the Pan Pacific Masonic Conference will be hosted in Melbourne. Centenary jewels are now being sold to help defray costs, and a video tape advertising the event was distributed by the

Grand Master on visits to other Grand Lodges. Copies will be distributed world wide.

Computerization of membership records is completed. The Board approved the purchase of a hard disc computer at a cost of \$6,640 for the Accounts Department.

The Grand Master shared his belief that young men today are beginning to search for something more in depth in life than just the material pleasures we are supposed to enjoy. When asked his impression of the Craft a newly initiated brother replied that he was very impressed with the ceremony of initiation, but what impressed him most was that every brother put out his hand to welcome him. On the second occasion the same thing happened and several brethren went out of their way to look after him and make his evening comfortable. He then said - "I know that I have not received that in any other organization to which I belong and I doubt if I receive as much in my own family." (Does this happen in your lodge?)

The Grand Master concluded his address by remarking that Freemasonry must continue to be progressive and thus the penalties in all obligations are out of date and should be discontinued. "We are the only State in Australia where the penalties still remain in the ritual. The Board of General Purposes has decided to omit the penalties as of July 1. Amendments to the ritual will be issued shortly."

The Board of Benevolence also administers the Widows, Orphans and Aged Freemasons Fund. Scholarships, Cottage Homes, Metropolitan Villages, Country Villages, Masonic Hostel and Nursing Home, Charity Workshops and Hospital Visitors Programmes all come under the purview of the Board. Individual lodge donations to these funds surpassed \$80,000 this year. Forty-eight full scholarships of \$500 and seven half scholarships of \$250 were awarded for post secondary education.

The report of the Grand Treasurer shows two circle graphs delineating Grand Lodge expenditure and income per member. Annual per capita fee was \$10.03 per member.

A soft business shirt with turned down fused collar and a white bow tie with cummerbund, black tail coat and black trousers was approved as an alternative to full evening dress.

The second and third daylight lodges were consecrated.

Press kits are being developed consisting of a loose-leaf promotional folder and significant articles, photographs and public relations contacts. They will be distributed to media outlets throughout the jurisdiction. Included in the package is "Freemasonry Today-People Helping People," the widely distributed publicity brochure printed in colour with photographs depicting a variety of masonic activities.

The Grand Master proposed defining in writing what the purpose and function of his Grand Lodge should be. The preparation of the Grand Lodge mission statement led to one for the Craft Lodge and also one for the Master Mason.

GRAND LODGE MISSION STATEMENT

"To provide leadership by example and education to the Fraternity in Wisconsin by establishing the scope and quality of its members, Lodges and their activities, so the tenets of Freemasonry will be practiced by each of us in our daily lives and the Fraternity will be perceived as an organization whose members are respected by their families, friends and communities."

CRAFT LODGE MISSION STATEMENT

"To make Master Masons, provide for their Masonic education, provide an organized outlet for its members to practice Masonry as a group activity and as a responsible respected institution in the community in which it is located."

MISSION FOR A MASTER MASON

"To learn what Masonry is so that he can enjoy practicing the tenets of Freemasonry in his home, church, office, county, state, Lodge, and in his life."

Recognizing that societal standards are constantly changing at an accelerating pace, society has always tested and again is testing the value of its institutions, because the values of the 60's and 70's for each of its benefits also had something lacking. One of our dilemmas and opportunities is that our society's rate of change is much faster than our Fraternity and its members. During the 60's and 70's our Masonic value system generally was not accepted by society. However there are strong indications our values are again being recognized and the Masonic principles that have guided societal changes for many years should continue to do so because their value has been proven through many generations. Brotherly Love, Relief and Truth have a high human value and will continue to do so. If Masons truly understand this and practice these, our Fraternity will be

strong and growing. If we forget this, or if it is artificial and we only go through the motions, society rapidly tags it as such and passes on by. The Grand Master directed the prime task of each Mason is to make sure these principles remain in the forefront of all activities as Masons collectively contribute to the process of improving our Fraternity and society. When we do this, men will want to be part of our Fraternity.

Do all Lodges have quality activities that will promote the tenets of our Craft? Are each of our members Masonically literate? Do lodges have a product called Masonry ready for the market place? Does each Master Mason know enough about our product "Masonry and the Lodge" to be able to talk about it comfortably? Are we mere form, or do we practice Masonry in our daily lives?

The Grand Master's leadership focused on the following strategies.

Lodges need to strengthen their self-sufficiency through Masonic knowledge and to exercise initiative in their activities in their communities.

Grand Lodge officers, led by the Grand Master, are to serve the Craft and help lodges achieve that self-sufficiency.

Self-sufficiency is obtained through knowledge and initiative.

Knowledge is obtained through training and communication.

Most want to do things right. If they fail it is because of lack of knowledge, not lack of trying.

People support what they help create.

It is essential that lodge members be involved in planning and in the decision activities of their Lodge.

With three years of computerized membership data and lodge trend profiles, the Deputy Grand Master took computerized profiles showing 5 year trends to all Districts. Each District Deputy now has a profile for his District as well as for each lodge in that District. In composite, trends absolutely show that lodges with that sense of fraternal quality in their social programs and lodge activities, their membership and leadership, are receiving petitions and growing in spite of continued deaths of older members.

The format of District meetings was revised to include participation by those attending in discussion and exchanging information on the following issues pertinent to present day masonry.

A. Where will Masonry be in the year 2000 in Wisconsin?

B. What is the proper relationship between the Worshipful Master, Secretary and Committees?

- C. What are proper uses of a Masonic Building?
- D. What are proper Masonic volunteer activities?
- E. Masonic Morals.
- F. Youth Activities and Organizations within Wisconsin.

An attempt by Grand Lodge to put into legislative form the issue of cohabitation failed. There is growing evidence among psychologists, sociologists and psychiatrists that the bonds of family life are important to our children and our individual mental and physical well-being, and particularly when taken in the context of marriage. Family structures are changing. Many wives are working outside the home and young children are being placed in day care centers. Many are aware of situations where a man and woman are living together, acknowledge it is without benefit of a marriage ceremony and seem to find no moral dilemma in these circumstances. Other moral issues such as homosexuality and abortion have not been brought into the Masonic legislative arena, yet these issues engender more discussion than the issue of marriage in many areas of society and our Fraternity. The Grand Master believes the substance of Masonry and moral issues resolves itself into:

1. The decision of the persons involved and their prerogatives to live as they choose within the law of the land, and
2. The local Lodge's decision as to whether they want a specific individual and his lifestyle within their Lodge

The Masonic Fraternity has historically been identified with a "high moral standard" for membership. The maintenance of such continues to be of paramount importance. Although for some, that does not include a religious or a legal marriage, each Lodge must decide what that "high moral standard" is in their community. It is in a state of being tested by our society, and so also are we being tested by society.

The Grand Master arrested the Charter of an inactive lodge where consolidation was not a solution to its problems and it was a liability to itself and the Grand Lodge. The Grand Lodge has taken title to its building and contents and its mortgage and the Trustees are now in the process of disposing of the building. Only when the members of a Lodge want it to survive, will it survive. That means it must be financially stable and be active as a Lodge.

With increased programming and corresponding cost increases, the Grand Lodge raised the per capita tax from \$8.55 to \$10.00.

Some of the recommendations of the Long Range Planning include:

1. Removal of Masonic symbols from cars before sale.
2. Types of volunteer activities for lodges to become involved.
3. Donation or consignment of Masonic jewelry and regalia by widows.
4. Grand Lodge organizational structure for acceptance of donated property.
5. Grand Lodge organizational structure for receiving property of lodges where charters are forfeited.

The letter that the Grand Master sends to widows should contain a paragraph encouraging them to donate or consign for sale to the lodges their deceased husbands' masonic jewelry or other emblems if they no longer have use for such.

Current roster projects of the Joint Educational and Development Committee report include:

1. Leadership Training
2. Spruce Up
3. Clergy-Mason Nights
4. Masonic Booth at State Fair
5. Special Interest Groups
6. Calendar of Events - (Bi-monthly)
7. Speakers' Bureau
8. Publicity: The Masonic Journal
9. Trestleboards
10. Road Signs

For the first time in the history of the Grand Lodge of Wyoming the Proceedings were printed in house with the computer using the "Word Processor" program. This cut the cost nearly in half. Keeping with the 1985 Grand Master's theme, "Freemasonry, One Family in Unity," workshops in the four quadrants of the state focused on Lodge Officer Management and Leadership Training. The report of the Youth Committee noted that 20 scholarships of \$500 each were awarded to those well qualified students who might otherwise be unable to attend college or whose attendance would place a real financial burden on the family. At the close of Grand Lodge, the new Grand Master made available to all, bumper stickers with the Masonic emblem and his theme, "Freemasonry, a Great Way of Life".

MEMBERSHIP SUMMARY

The following chart is included as a comparative profile of membership status of the Grand Lodges of Canada and United States. It contains 1986-1987 membership data as gleaned from the various proceedings. These statistics should be viewed as approximate due to various styles, formats and dates used for reporting membership by different Grand Jurisdictions. Alaska, District of Columbia and Prince Edward Island experienced membership increases of 17, 11 and 6 respectively over the past year:

EPILOGUE

We have attempted to illuminate those areas from several jurisdictions where positive growth and development has led to greater things. It is our hope that, within our jurisdiction, Grand Lodge Officers, District Officers and especially Worshipful Masters and other Lodge Officers will be motivated to consider like possibilities within their respective areas of responsibility.

Our aim was to select that which may be viewed as good, practical and useful and, at the same time, progressive and visionary. In a very few instances have we offered remarks of our own. By quoting the authors, it is our belief that you, as a sound reader, will extract that which is good and discard that which appears defective, impractical or non-workable. Keep in mind that Freemasonry is a progressive science. Speculative masonry was born in change. If the 'Operatives' had not allowed the 'Speculatives' membership in the Craft, we would not be here as such today.

The time has come to tell the world that we are not a secret organization worthy of the contempt in which we are held by many, but the oldest and best fraternal organization the world has ever known. We must dispel the myth that we are a religion, as this idea separates us from so many today.

This is the first time that the fraternal reviews have been processed on hard disk for computerized layout and printing. The comparative membership chart is a first. It also appears to be the first time in recent years that the Chairman of the Committee also has been the reviewer.

With a new reviewer, comes new designs and directions which may be catalytic for the reader and visionary for those determined to adventure into the uncharted future of our beloved fraternity. Hopefully your horizons and those of your respective lodges will be expanded through these reviews, keeping in mind this closing thought -

The Anvil of God's Word

Last eve I passed beside a blacksmith's door
And heard the anvil ring the vesper chime,
Then looking in, I saw upon the floor,
Old hammers worn with beating years of time.

"How many anvils have you had," said I,
"To wear and batter all these hammers so?"
"Just one," said he, and then with twinkling eye,
"The anvil wears the hammers out, you know."

"And so," I thought, "The Anvil of God's Word,
For ages sceptic blows have beat upon,
Yet though the noise of falling blows was heard,
The Anvil is unchanged, the hammers gone."

-John Clifford

Respectfully and fraternally submitted on behalf of the Grand Lodge Committee on Fraternal Correspondence.

APPENDIX "A"
ADDRESS BY M.W. BRO. ROBERT C. SINGER
AT THE
GRAND MASTER'S BANQUET
JULY 20, 1988

THE GRAND MASTER: I am now going to ask M.W. Bro. A. Lou Copeland to introduce the speaker.

M.W. BRO. A. LOU COPELAND:

Most Worshipful Grand Master, Distinguished Guests and my Beloved Brethren:

Most Worshipful Sir, I acknowledge with gratitude the honour of introducing our speaker this evening, M.W. Bro. Robert C. Singer, the Immediate Past Grand Master of Masons in the State of New York.

He is a native of Mt. Vernon, New York. He received his Bachelor's and Master's Degrees in journalism and mass communications from New York University, where he later taught in the political science faculty.

As many of you are aware, I first met our honoured guest in the early 70s when we were both involved in the chemical specialty industry, where he served as the Vice-President of Public Affairs and Director of the Soap and Detergent Association. But, it was not until May of 1984, at the Annual Communication of the Grand Lodge of New York, that we learned of our Masonic connection.

Bro. Singer became a Mason in 1953 in Publicity Lodge No. 1000 (the lodge of the communications arts) in New York City; served as Worshipful Master in 1961; and as D.D.G.M. in 1965. He holds many prestigious Masonic awards and belongs to most of the compendium bodies in New York State. He received the Supreme Council 33° of the Ancient and Accepted Scottish Rite in 1985.

Bro. Singer and his wife Elna, a charming and gracious lady, live in Floral Park, Long Island, where they are both active in the First Church of Christ Scientist. He served in the U.S. Army Intelligence Reserve from 1948 to 1960, with an active tour of duty from 1950 to 1952 during the Korean conflict.

In M.W. Bro. Robert C. Singer we have a man with unusual charm and extraordinary intelligence — a man with a brilliant analytical mind — a great observer, possessing a very fine way with words — a journalist — an administrative executive, all coupled with a great sense of humour and a keen wit.

During his two-year term as Grand Master of the Grand Lodge of New York, which ended two months ago, he established himself as a great humanitarian and

showed that he was eminently qualified to serve as the Grand Master Mason in the State of New York.

M.W. Bro. Singer will be remembered all over North America as one of the outstanding Grand Masters. His programmes inspired and ignited Masons with a sense of pride and achievement, his thrust of bringing Masonry into the twentieth century and, yes, into the twenty-first century, by telling the great Masonic story to Mason and non-Mason alike through radio, TV, and newspaper media in a very clear and understandable manner, and earned the respect of all his brethren. But, above all, he is a gifted communicator, both in the spoken and written word. As Grand Master of his Grand Lodge, he brought to his high office a new hope for excitement, a new hope for our future, and a new vibrancy which is reflected in his being chosen to be the Chairman of the prestigious Annual Conference of Grand Masters of Masons in North America, held in Cedar Rapids, Iowa, in February of this year.

The fourteen months that M.W. Bro. Singer and I were privileged to serve together as Grand Masters was a period in which was created a close and enduring personal friendship, and fostered a warmth and a closeness which will last for many years.

M.W. Bro. Singer, as you travel in your quest for Masonic excellence, may you continue to inspire and be inspired.

Brethren, it is, therefore, with a great deal of personal pride that I present to you — soldier — communicator — and most excellent Mason — our guest speaker — M.W. Bro. Robert C. Singer.

M.W. BRO. ROBERT C. SINGER:

Thank you, M.W. Bro. Copeland, Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Distinguished Guests from both sides of the invisible border, and Brethren of a great Grand Lodge, good evening.

I must say, my good friend Lou, that you far exceeded your usual generous manner in putting together that fulsome introduction. After hearing those profuse words of praise and encomiums, the expectation of hearing what I'm going to say is almost unbearable! One thing is sure; it had better be good! To quote another Mason who is frequently introduced in similar glowing terms, "my father would have enjoyed it; my mother would have believed it."

Seriously, I deeply appreciated the kind invitation of your Grand Master, M.W. Bro. William Pellow, another good friend, to address this distinguished audience. Frankly, I'm a little in awe of you. It has been my good fortune to attend this Banquet twice in the recent past, and I have been tremendously impressed by the calibre of both the speakers and the audience. You obviously lowered your standards in one of these categories tonight!

Just this past weekend, in Kansas City, I was with your 1986 speaker, M.W. Bro. Forrest Haggard, Past Grand Master of Kansas and a distinguished clergyman, at a meeting of a new group called the Masonic Renewal Task Force (about which I'll say more later on). He asked me to send his warmest regards to all of you.

I'm not quite sure what to talk about this evening. I made that same opening statement to an audience recently, and some kind individual in the back of the room yelled out, "how about 10 minutes!" In all honesty, I'm as tired as you are of hearing sermons from the various Masonic platforms about the problems of Freemasonry today, and how we all have to work harder, and how it used to be better in the good old days — that's one of my real favourites!

I'm also tired of hearing Brother Masons say, "we can't change; it's always been done that way." Parenthetically, I read an interesting, true story recently that illustrates the inherent fault in that philosophy. It seems that Bismarck, as an ambassador to the court of Alexander II, observed a sentry on duty seemingly only guarding the lawn areas of the Czar's palace. He asked the Czar why the sentry stood in the middle of the lawn. The Czar didn't know, so he asked his aide-de-camp. The aide didn't know, so the Czar summoned one who should know, the general of the troops. The general informed the Czar that it had always been done, and it was according to an ancient and accepted custom. (Sound familiar?)

Czar Alexander immediately ordered an investigation and a report. After three days, the report came back. It seems that in the spring of 1780, some 80 years before, a sentry was posted on the lawn by Catherine the Great. She had looked out from her bedroom window one blustery spring morning and saw a delicate flower pushing its way out of the winter earth. She ordered a sentry to be posted at that site to prevent anyone from picking the flower as it emerged.

The order was still being obeyed 80 years later!

Why do we as Masons do what we do the same old way? Perhaps we, too, need to do some investigating. Today, there is simply too much to accomplish to waste time and energy on outmoded and antiquated ways. If we will look at our work in our lodges and temples, not to mention what we do in the other areas of our life, and see what brings light, education and brotherhood, we won't waste our time posting sentries to guard flowers that no longer exist. As one writer put it so well recently, we will be looking for new breakthroughs and new opportunities to preserve the necessary, the beautiful and the useful for the good of all.

What I would like to share with you this evening are a few simple observations that I feel strongly about in considering the present and future of our beloved fraternity. They are certainly not original to me, but they are sincerely felt. I offer these as a 35-year-Mason, as one who has been a Lodge Officer, a Past Master, a District Deputy Grand Master, a Grand Lodge Committee Member and Chairman, a Grand Treasurer, Deputy Grand Master, and for the past two years, a Grand Master of Masons in your neighbour to the south. I think it's fair to say that I've paid my dues!

(Before making these observations, and noting my reference to Grand Treasurer, I must caution you to watch carefully your new Grand Treasurer's actions. In New York, the last six Grand Treasurers, including I'm sorry to say yours truly, have purchased new cars while in office. 'Nuff said.) Back to serious business.

Let me take as my overall text (see how quickly this is degenerating into a sermon!) a statement by a Past Grand Master of New York in our Proceedings some 61 years ago:

"Freemasonry is a life to be lived, not a formality to be perfunctorily observed. . . . It is a life to be lived, not a set of empty creeds to which lip service is given It is a life grounded in religion, organized in morality, mellowed by a good fellowship, humanized in charity, and dedicated in service." So said M.W. Bro. Harold J. Richardson in 1927. Pretty good, isn't it, and it only took 54 words to say it.

More recently, I tried to express much the same sentiments, in writing that "the bedrock of effective Masonic communication is the everyday practical living of a life that is guided by religious, moral and ethical principles" and "The most effective Masonic communication is the individual Freemason's good daily behavior, with his family, in his business, in his community," 44 words all told.

Regardless of who said it better or more succinctly, and I willingly yield to M.W. Bro. Richardson, we must live and practice Freemasonry if we wish to see a renaissance of interest in our ancient Craft. We are what non-Masons judge Masonry by. If, as Pogo said, "We have met the enemy and he is us," we're finished, or will be soon. If we live our lives in such a manner that, in large or small ways, we are looked up to by our peers, and recognized as Masons, there's hope for us yet. This choice, unlike many other aspects of our lives, is ours and totally within our control.

My second point has to do with the problem of criticism. It has been with us for centuries, and I have no doubt that it will be with us for centuries to come. "What," you say, "he believes the fraternity will be around in future centuries?" You bet I do, and so does that great positive thinker, R.W. and Rev. Dr. Norman Vincent Peale, a 62-year-Mason, who told the Conference of Grand Masters in Cedar Rapids last February that he had no doubt Freemasonry would be here 1,000 years from now!

Our critics say: You're a secret society; a religion; you preach salvation by good works; your ritual is a form of worship; the Craft is incompatible with Christianity. To all of which I say, BALDERDASH! But saying that doesn't stop the criticism or educate the millions of uninformed people who hear these charges, false though they may be. So, what must we do to counter this criticism? The answer in a growing number of Grand Lodges is to build a communications backfire of positive, factual information about who we are, what we believe, what we do.

We do not get down in the gutter mud and debate with our critics. Oh, we respond, but only on the high road, in media of our choosing and in our own words.

As some in this audience know, we in New York have embarked recently on a far-reaching public information program. It involves: advertisements in daily and weekly newspapers, radio spots, TV public service announcements, an attractive Q & A folder, a special full-page advertisement in the regional edition of *TIME* magazine, the creation of the DeWitt Clinton Masonic Community Service Award for Lodges to present to non-Masonic organizations and individuals in their communities, a 15-minute sound slide show entitled "Brotherhood and Service ... the Freemasons," eye-catching bumper stickers and the wearing of Masonic identification, a more intensive lodge involvement in community service projects, Masonic information nights, and so forth.

Other Grand Lodges have launched similar programs, in varying degrees. These public-oriented projects, I believe, help to dispel the myths put forth by our critics, and they reach literally millions of others who have never been exposed to any information about Freemasonry, right or wrong in content. To use a business phrase, we are taking a "pro-active" position in the field of mass communications. It is time for action not lethargy. As our senior Past Grand Master in New York is fond of saying, "God gave us two ends to use, one on which to sit, one on which to muse. Success depends on which you choose. Heads you win, tails you lose." Obviously, we've opted for heads!

Thus endeth my second observation. It's time we came out from under the bushel basket and let our light shine.

Next, let me turn to the world around us. Freemasonry like everything else on this globe is impacted by the environment in which it operates. What we sometimes fail to recognize is the fact that we live in a dynamic environment. Many of us grew up in the World War II era. We tend to view everything the way it was, not the way it really is today.

One of the realities of life today is that we are an aging fraternity in an aging society. Most of us are well aware of the first fact, but we sometimes fail to recognize the second.

Perhaps a few statistics will illustrate this point. Fact number 1, in 1985, there were some 25,000 Americans who were age 100 or older. By the year 2050, this number could reach one million! Fact number 2, the number of Americans *currently* over age 65 exceeds the entire population of Canada! Fact number 3, to meet the projected demand for nursing homes, a concomitant of a maturing society, 40 institutions per *month* must be built between now and year 2050. Fact number 4, each day in the U. S. 18 children are born to fathers over age 55 (a few intentionally!) and 70 people over age 65 are picked up for disorderly conduct. I cite the last for humorous relief only.

All these come under the heading of facts of life in an aging America. I wouldn't be at all surprised if the numbers were somewhat relevant to the Canadian population, if not now then in the near future.

There are other life environment changes to consider. The average family of 1945 — husband, wife, two kids — is in the minority today. In America, 54 per cent of the women work. Families eat out on an average of three times a week. Husband-wife responsibilities have rapidly changed. Television has become the principal entertainment and news vehicle, supplanting the movie house and newspaper, respectively.

Okay, the world around us has changed, but have we? Not very much, in my opinion. And there may well be other changes, not of a demographic nature, that have materially affected public attitudes toward fraternalism. The question before the house is how do we ascertain what they are?

This past weekend, in Kansas City, a group of concerned appendant body leaders from the Scottish Rite, York Rite and Shrine, with a sprinkling of present and past Grand Masters, brainstormed some of today's problems, and concluded that it was time to find out, using scientific opinion research, just where Masonry stands in the eyes of the American public on a national basis. You'll be hearing more about this in the coming weeks, but suffice it to say that we'll be in a much sounder position to make whatever adjustments are necessary after we find out just where fraternalism is positioned in today's lifestyle, and also how it should be marketed.

That's right, I said "marketed." The day of just sitting back and waiting for prospective members somehow to find out about our fraternity has passed. Without compromising any of the valid and time-honoured practices of the Craft, we must seek out new methods to reach our audience, our public as the marketers say, with the valuable message about the real and potential role of Freemasonry in this high tech society.

The modern corporation uses market research, computers, electronic communications, advanced leadership training techniques, liberal incentives for its corporate family, provides opportunities for growth and advancement especially for younger leaders, offers rewards for new and creative ideas. Can we, the world's oldest, largest and best fraternal organization afford to do any less? You know how I would answer that question, and I have more than a clue that most of you feel the same way, thank goodness!

Well, that's the end of my evening sermon. Nothing very original or novel, to be sure, just some sincerely-and-deeply-held thoughts of a Brother Mason, shared with a Grand Lodge that is already doing many of these things, as we heard today. I can tell you, from close-in personal observation, that you have in this Grand Lodge the leadership to advance the Craft's fortunes in Ontario.

Now, let's get on with the work of rebuilding the Temple!

Thank you.

DEPUTY GRAND MASTER'S THANKS TO M.W. BRO. SINGER:

M.W. The Grand Master, Distinguished Guests and Brethren:

I have experienced many pleasures in my years in Masonry, and I now have one more to add to that list. That is the great delight in having this opportunity to thank our guest speaker on behalf of all the brethren. The applause is a testimony at once to the speech and a show of appreciation and gladness to our speaker. M.W. Bro. Singer has charmed and delighted us and given each of us something to ponder as we return home. I enjoyed his strong and enthusiastic voice and particularly the attractive New York accent with which he expressed a great power and dynamism and an intense belief in what he was saying.

He gave us a positive, forward-looking communication, and suggested changes in attitudes to permit us to think of what we are doing and why. In short, the message is one of work and effort, nothing is to be achieved unless we have the will to do it. We are the ones who can help Masonry and our guest speaker has appealed to our imaginations and offered us some ideas and much encouragement.

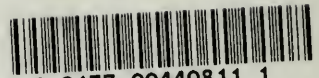

It is difficult to give adequate expression of our sense of gratitude but, on your behalf brethren, as well as my own, I just say thank you to our speaker, but he can rest assured that although the words are simple, they are nonetheless a sincere, a warm and a heartfelt thank you from us all.
